AUGUST BOARD BRIEFS

As a Neil Diamond fan, I do recall "Hot August Nights" and it seems as if Neil was a bit ahead on July. Let's see what August can offer us in the way of some cooler nights but still some great August days to enjoy all the outdoor activities that Heritage Hunt can offer.

AND after all the great outdoors, come indoors to the Red Oak Bar and Grill (ROBG) and enjoy the great food and customer service that CulinArt has brought to Heritage Hunt. The 7/4 BBQ was terrific and the food trucks were great fun. However, we are back into the ROBG now and getting back to an exciting "new" normal. So, head for the ROBG to check out the new menu and to meet/greet staff, most of whom we know very well.

After getting our Food/Beverage vendor in place, we are moving ahead on finding a new Golf Course Vendor. The Board, with much help from the Golf Committee, has created a scope of work for an RFP that went out to 11 firms in mid-July. We expect replies back by mid-September. The Board plans to make a decision by the end of Sept for that firm to start 1/1/25. In the meantime, UTP has a 6 month contract to work the regrassing project and maintain the course/pro shop until 12/31/24.

We are also working with Prince William Water (the new name for Prince William County Service Authority) as we start into what should be the final months of finishing the pump station and 24" force main projects. Unexpected delays have caused this project to go over the planned completion time for these projects. They still have demo work to be done on the old building plus adding landscaping and working on some road repairs. With all that left to do it appears that PWW will be here until the end of 2024. We will continue to update the community as we get more exact dates from PWW.

AND, as this is August, it is time for all of us to start thinking about volunteering for open seats on the Board and the Committees. To get us started we will have a Meet the Board and Meet the Committees session on Friday August 30th starting at 10 am in the Clubhouse Ballroom. While there will be an opportunity for interested residents to meet current Board and Committee members, we will be doing something very different for this meeting. Representatives from the Board and each Committee will start at 10 am reviewing what their responsibilities are and answering questions. Residents are encouraged to send questions ahead

of time for the Board or any Committee to them so their representatives are prepared to answer. We feel that a good back and forth will help everyone understand exactly what each group does for the Association. There will also be an open question and answer period. So, save the date and come to learn how you can help with maintaining Heritage Hunt as a great place to *live, play, thrive*.

The following resolutions were approved by the Board at the 6/27/24 meeting. Because of Horn publishing deadlines, they are appearing here a month late. For a quicker review and update, do check the Community website where minutes will be online within 2 weeks of the meeting.

- Approved revisions to Administrative Resolution #8 - Voting and Candidate Eligibility. ***
- Approved a contract with Culinarts for Food & Beverage Services.
- Approved repairs to the Paddock Pond fountain.
- Approved increasing budget for Excursions.
- Approved revisions to the Community Relations Committee Charter.
- Approved the Golf Committee to work with Aquatic Solutions on long term algae solutions on Box Elder Pond.
- Approved additional algae treatments to stream on Hole #2 and biologic treatments on Box Elder pond to control algae growth for the remainder of 2024 at a cost NTE \$1,500.
- Approved buying water from Prince William Water to maintain water levels in Box Elder Pond as that pond is used for golf course irrigation.

*** Revisions to Administrative Resolution #8 - Voting and Candidate Eligibility include:
(1) Members can serve on an elected and appointed Committee. However, should the appointed Committee become elected than they can only serve on one, (2) The number/names of declared candidates for the Board/Committees will be announced for each of 3 weeks before the end of candidate declarations, (3) Candidate names will go on the ballot in alphabetical order, (4) The ballot will reflect all candidate names and the number of openings to be voted for, (5) Elections results will be published.

Enjoy the rest of summer, stay safe and well!

Kathy Vergano - HOA Board President

BOCCE LEAGUE NEWS

Even though many matches had to be rescheduled due to bad weather, the season finished on time and by all accounts with great success.

328 players from 48 teams competed for the coveted "best in class" trophies and well-deserved bragging rights.

The final games were held on Saturday June 15th, with many games coming down to the last roll. Great shots dazzled the crowd. Lots of oohs and aahs. Very exciting!

Congratulations to the winners! Here are the results of the Final matches:

GROUP 1...The Sixers

... Rosemarie Barber, Bob Dodd, Greg Ellis, Gino Loconte, Jan Gonyaw, Eugene Siruk

GROUP 2...The Boccinators

... Loella Lutz, Andy Padgett, Cindy Padgett, Lynn Staymates, Ki Lee

GROUP 3...Great Balls of Fire

... Carl Brown, Sandy Jenkins, Caron Silva, Bill Vest, Betty Hitchcock, Richard Reinersten, Holly Brown

GROUP 4...The Six Amigos

... Elaine Romanias, Ligia Glass, Michael Beetar, Demi Beetar, John Lyver, Sally Lyver, Ruth Cope

GROUP 5...The Bocce Bums

Bocce Council

P.S. Fall pick-up play begins after Labor Day - Stay tuned. Summer 2-man Bocce pick-up is on-going.

HH CAR CLUB

August weather provides opportunities for driving with the convertible "top down", wind through your hair, opening sliding roofs, and hearing music blaring and feeling young again!

If you have a driver's license, a vehicle and live in Heritage Hunt or just appreciate cars, you can join the HH Car Club. The club meetings are held the

second Thursday of every month from March through September in the Mountain View Room of the HH Clubhouse from 5:30 p.m.-6:30 p.m. Our next meeting is scheduled for August 8th.

At our meetings, we discuss upcoming events each month, have guest speakers and also select a member's vehicle for Car of the Month recognition. The club's July Car of the Month was the 2013 Ford Mustang convertible belonging to our neighbor Ron Skinner. The Mustang was first unveiled in April, 1964 at the New York World's Fair. Ron's car is special as it was the first 2013 convertible delivered in VA along with a special-order saddle interior, and is the last model year for the 5th generation Mustang body style.

Each Car of the Month owner receives a certificate and a fabulous framed oil painting from our terrific and talented resident artist, Kerin Vark, the wife of the club's Vice President, Doug Vark. Included is a picture of June's Car of the Month recognition of Jan Gonyaw's 2002 VW Cabriolet.

An upcoming special event on September 27th for our members is a personal tour of White Post Restorations <https://whitepost.com/#hometop>, a renowned leader in the world of automobile restoration. White Post is now in its fourth generation of family ownership. Originally founded in 1940 as a two-man repair shop for farm machinery and local cars, it is now a fine-tuned family operation with indoor space for repairing 60 automobiles. The White Post family says, "We never tire of talking to car owners about their vehicles, their challenges, and their dreams." The address says it all: 1 Old Car Drive, White Post, Virginia. I cannot wait for this personal tour of this fantastic operation!

HERITAGE CHARITY CLASSIC CANCER WALK

Save the date, Saturday September 28, 2024, for this year's Heritage Charity Classic Cancer Walk. The event will be from 8AM to 1PM. There is NO rain date.

The Registration Form is on the following page, as well as the lobby of the Clubhouse.

If you have any questions, contact Ross Kerr, rosker1943@gmail.com.

HH CHORALE

DID YOU SEE THE CONCERT?

Come sing with us in the Fall.

Rehearsals are at the Clubhouse, on Monday Night from 7:00pm – 9:00pm, starting on September 9th. Concerts are the first week of December.

Call Linda Allardyce or Sue Munson if you are interested.

CRIBBAGE

Cribbage anyone? I am exploring whether to establish a Cribbage group that would meet weekly. Cribbage is a 400-year-old game descended from an English card game called "Noddy."

Do you already know how to play, or are you interested in learning? If so, please contact Nicole Pierce at 703-628-4396 or nicolrpierce@gmail.com.

COMMUNITY ADVOCACY GROUP

Meeting on Thursday, August 22nd at 4 PM in the Clubhouse Craft Room.

The mission of the group is "to inform and interact with Heritage Hunt residents on issues where civic engagement is essential." As industrial development encroaches upon us, it is imperative that we

redouble our efforts to "live, work and play" in our neighborhood oasis.

Thanks to those residents who have volunteered as "Neighborhood Liaisons" to help distribute information and solicit feedback from residents. We do not yet have full coverage and will be reaching out for additional volunteers to fill in any gaps.

One of our initial tasks is to help recruit candidates for upcoming Board and Committee elections. At our July meeting, we will try to reach consensus on desired candidate qualities. Prior to our August meeting, our members will be networking to find residents who possess those qualities, and are interested in running, and invite them to our meeting. The next step will be developing a series of questions to help voters assess the degree to which prospective candidates' views align with their own. Following that, the group may decide to make endorsements and participate in "get out the vote" efforts.

Your views can positively affect the future direction of our community. If you'd like to contribute to neighborhood improvement, come and leverage the voices of sympathetic residents to elicit positive action. Opinions expressed will represent those of individual residents and do not reflect the views of the Heritage Hunt Homeowners Association.

Stop by for a lively discussion.

HONOR FLIGHTS

Have you ever attended an Honor Flight arrival event?

Honor Flights is a National Organization which brings WWII and Korean War Vets in from all over the country for a day of honor and celebration in DC. They fly into Dulles or BWI and are then escorted to see the monuments built in their honor and treated to celebrations all day long. After a day of pampering they are escorted back to Dulles and fly home to their states.

There are many Honor Flights where you and your Heritage Hunt Friends can fill a car load of people and go to Dulles to meet and cheer for the Vets.

If you are interested in having a schedule for the Fall flights, please contact Elaine Romanias, Community Relations Committee (etromanias@gmail.com). She will send you the list of flights and instructions on how to obtain a parking pass at Dulles. Thank You!

MALTA: "THE JEWEL OF THE MEDITERRANEAN"

Thursday, August 22nd 2:00pm
Clubhouse Ballroom

"Without Malta, the Axis will end by losing control of North Africa". General Erwin Rommel

Lying halfway between Sicily and North Africa, the 122-square-mile island of Malta has played a pivotal role in European affairs over the last 5000 years. Even before the Roman Empire, Malta attracted the attention of explorers and traders from every part of the Middle East and North African (MENA) region. In the 16th century, after Malta became the home of the Knights of Saint John, the Ottomans tried unsuccessfully to conquer the island in order to gain control of its valuable trade routes. Perhaps Malta's most famous hour came during World War II, when, as a British protectorate, the Axis forces heavily bombed it in a vain attempt to control all wartime traffic in the MENA basin.

In addition, Valletta, Malta's capital has been designated as UNESCO World Heritage site. This beautiful city has an abundance of historical places, monuments, and cultural events. In 2018, it was named "Europe Capital of Culture".

Join us in an unforgettable journey to learn more about Malta's enticing history, diverse culture, and stunning beauty. This small island-nation packs an amazing number of alluring attractions to interest many visitors. We may even discover the secrets of "The Maltese Falcon."

Tom Black, a former prosecutor at the U.S. Department of Justice, visited Malta several times as part of his work for the International Institute for Justice and the Rule of Law, headquartered in Valletta. Tom will discuss several significant aspects of Malta's history and its importance in the Mediterranean area over the centuries.

EMERGENCY PREPAREDNESS COMMITTEE

WHAT WE DO WHEN THE PHONES DON'T WORK

The Emergency Preparedness Committee (EPC) knows how important communications are in an emergency. Therefore, we developed a strong relationship with the Heritage Hunt Ham Radio Club, with their Emergency Volunteers (EVs) providing the backbone for our communications when home and cell phones stopped working. Hams radios will be used to not only facilitate voice communication but also text messaging between our Zones and our Central Communication Center. In addition, during emergencies these Ham Radio EVs will use their radios to communicate with Prince William County emergency services.

So how do we ensure we can keep the lines of communication open? By participating in the Ham Radio Field Day, where our EPC emergency generators power 24 hours of Ham Radio operations. This year a Heat Advisor provided an opportunity to operate under realistic conditions. All the planning for Field Day under a tent changed and operations were relocated into the Marsh Mansion. New location for antennas were found and generators were used with extension cords into the Garden Room.

We are pleased to report, under these chaotic conditions, the Ham Radio Club was able to operate for 24 hours as shown by the President of the Heritage

Hunt Ham Club, Dick Allardyce. All this equipment was operated using our emergency generators, and these Ham EVs will be bringing these same ham radios and computers to our Zones and Communication Center during weather and other emergencies that impact communications at Heritage Hunt.

So, if you are a Ham Radio operator or interested in becoming one, the Heritage Hunt Ham Radio Club meets monthly and supports not only the EPC, but other activities such as the Annual Cancer Walk. Details on the Club can be found at <https://www.heritagehunt.net/amenities/heritage-hunt-hams>. To learn more about the size of Heritage Hunt, and why we need Ham radio operators, the Heritage Hunt Map showing our Zones can be found on the HH website under Member Home.

The success in supporting health and safety at Heritage Hunt relies on our EVs. Not only those with Ham Radios, but also other skills. Therefore, the EPC was very honored to recognize Mary Gorodnick, who brought her skills in nursing to our quarterly Cardiopulmonary Resuscitation (PCR) training and support for those participating in the yearly Cancer Walks.

Shown here, the President of the HOA Board, Kathy Vergano, presented Mary with a Certificate recognizing her many years of service to our Health and

Safety Programs at Heritage Hunt. As a reminder, the EPC provides regular PCR and other health and safety training, so for details and schedule, send a message to cprhhepc@gmail.com.

You can also contact the Emergency Preparedness Committee for details on the safety and health programs we provide at emergencypreparedness@heritagehunt.net. As always, we need volunteers so we can be ready when an emergency occurs in order to protect the health and safety of our residents.

So, until next month: Be Safe – Be Prepared – Be Vigilant.

*Vic Crawford, Chair
Emergency Preparedness Committee*

FOOD & BEVERAGE COMMITTEE

CULINART

August is already here and our food and beverage club services vendor, CulinArt, has already shown us that it is indeed a new dawn for Heritage Hunt. The July 4th barbecue was a smash hit with over five hundred people attending, who raved about the quality of food and service by CulinArt. For many residents who have not frequented our restaurant for a long time, this is a wonderful time to give our restaurant a new try as many services will be changing, all for the better.

July has seen the kitchen revamped with much-needed new pieces of equipment that will assist in expanding the menu even further, opening more delicious options for you and your guests. This month we will be bringing back Sunday Brunch along with curbside service for those who like to "grab & go" rather than eat in the restaurant. CulinArt has been setting up both an online ordering app and reservation system that will allow you to quickly make reservations and order food.

Even though the golf course is closed for the month, the restaurant and ROBG area will be in full operation. As usual all comments are appreciated to improve your experience as the F&B committee reviews all comments at our monthly meetings. We have heard your complaints

and are working with Lindsay and CulinArt to improve your dining experience worthy of a private country club community.

Enjoy the rest of the summer!

Bob Coco- F&B Committee

DECORATIONS

Throughout the year, F&BC decorates the bar and restaurant with seasonal decorations for the enjoyment of all residents. Almost all these decorations belong to individual committee members. Recently, we decorated for the July 4th BBQ at the Marsh Mansion and some decorations were taken from the tables. At the bar tables in the Red Oak Bar & Grill, one of the decorations was taken.

We do not sell the decorations and they are not free for residents to take home. The committee enjoys decorating and bringing some color to the Red Oak Bar & Grill. If we continue to lose decorations, we may no longer decorate the ROB&G.

FINE ARTS CLUB

Hopefully you have had a chance to view the lovely new art work on display in the lower level of the Clubhouse. Also be sure to check the dining room as we are preparing new artwork for there soon - perhaps even by the time you read this. As you can see, our artists work in a wide variety of mediums and explore a range of subjects. We hope to inspire some of you to join us on Thursday mornings from 9:00am - noon. Beginners are very welcome, and while we do not teach specific classes, we all help each other learn. Bring your interest and any supplies you may have on hand. Let's create together.

A REQUEST FROM THE GARDEN CLUB

Without access to a water source, the task of keeping our pollinator garden alive and blooming has fallen to a few dedicated folks from the HH Garden Club who have been

bringing water to the garden every day, but no end appears to be in sight for this heatwave and we need help. (Garden photo by Jacqueline Vincent)

Please join the Bottle Brigade and bring a gallon of water to the pollinator bed as you drive by. Just pull over and pour the water onto the garden – anywhere you like! As this is an intersection, please park judiciously and take care when crossing the road.

The garden is located at the intersection of Heritage Hunt Drive and Victory Gallop behind the crash barrier. Thank you!

GARDEN CLUB

DEAR GARDENERS

Garden Club held its 2nd annual tea party event in June! Tea and conversation flowed and our favorite bee guy, Tagg Timm, came to offer his local honey with samples and bee wisdom. In July we heard about hummingbirds from the Audubon Society of Northern Virginia. Join us on August 22 at 10:00 in Marsh Mansion to hear Valerie Huelsman, natural resources specialist and master gardener coordinator with Virginia Cooperative Extension's Prince William unit. Valerie is an arborist and will cover topics such as remedies for spotted lanternflies and ways to control them.

The best thing we can do at this time of year is let August be August. It will surely be hot and dry. There are many things you can do for your August garden, but keeping your flowers, trees, and shrubs well hydrated and healthy will allow them to continue to give beauty through the last weeks of summer. Lawn is another issue - it may become necessary for the county to restrict lawn watering due to low rainfall. This is why we encourage less lawn on our properties and it may be time to relax covenants regarding lawn dimensions.

Continue your deadheading after each flush of flowers and throughout the entire summer, but stop deadheading a few weeks before the first frost date. Deadheading produces more new growth that could be vulnerable to cold weather. Late Summer (late August to mid-September) is an excellent time to plant many perennials. It is also a good time to move or divide perennials. When pruning, disinfect your tools between each plant to avoid spreading disease. Low Maintenance Perennials: Shasta Daisy, Coneflower, Rose Mallow Hibiscus, Catmint, Goldenrod, Mountain Mint, Bee Balm, Butterfly Weed, Coral Bells, and Astilbe (for shade).

If you've been putting off weeding, now's the time. As the growing season winds down, weeds start to produce seeds that will happily germinate next Spring. The best time to weed is after a rain, but if rainfall is scarce, water the garden the night before you want to get started.

Stay green and cool!

THE GIVING CIRCLE OF HERITAGE HUNT

"Literacy is a bridge from misery to hope."

Kofi Annan

Literacy Volunteers of America - Prince William (LVA-PW) serves low literate and medically underserved adults in Prince William County through the gift of literacy and health literacy. Founded in 1991 by a local librarian, LVA-PW is the largest non-profit of its kind in Prince William County (PWC). It helps hundreds each year learn English so they can prosper and contribute to the communities in which they live.

LVA-PW's holistic approach to adult education teaches skills that help individuals to – 1.) engage in day-to-day conversations with confidence; 2.) improve English-language skills (reading, writing, vocabulary, comprehension, and pronunciation); 3.) learn critical thinking (how to organize thoughts, filter out misinformation, and clearly express their opinions); 4.) acquire a level of health literacy that helps them understand complex health-related information, including e-health portals and telemedicine.

On April 24, 2024, LVA-PW's CEO, John Swirchak (see photo) presented information about his organization's goals to Giving Circle members and HH residents in the Clubhouse Ballroom. Also, Mr. Swirchak advised attendees that a 2023 grant from the Giving Circle helped them expand the scope of their curriculum to include more health-

related topics and retool educational material for their broad array of programs and increased number of clients. He ended by expressing his

sincere thanks to and reconfirming that all donations **DO MAKE A DIFFERENCE** in the lives of those who are helped, and the difference could be for a lifetime.

In 2023, **The Giving Circle of Heritage Hunt** awarded \$91,700 to 17 different local charities, one of which was LVA-PW. Every dollar donated by members went directly into a grant to help those in need in the categories of – 1.) food; 2.) clothing, 3.) shelter, 4.) literacy, 5.) mental health, and 6.) physical health. In October 2024, when grants are again awarded, **The Giving Circle** hopes to do even more, due to an increase in members and almost \$100,000 in pledges.

If you are not yet a **Giving Circle** member and would like to help those in our greater community, consider becoming part of this philanthropic group of men and women right here in Heritage Hunt by **joining today!** For more information, just call or email Joanne Forrester at 703-743-2579 or jmbforrester@comcast.net

GOURMET COTERIE

GOCO GOES ON A "LARK"!

The GoCo August 16, 2024 outing will be to the newest farm bewery in the area, Lark Brewing Company, 24205 James Monroe Highway, Aldie, Virginia. This new craft brewer is easily reached two miles before Gilberts Corner Roundabout on Route 15. Our event will get underway at 11 a.m.

This brewery is unique in that in addition to a great selection of craft beers, they also serve local wines, sangrias and ciders, plus an extensive menu of salads, shareable plates, flatbreads, handhelds and sweet treats. Outside food and drink are not permitted, as is the policy in many local wineries and breweries.

The “Found Pavilion” at Lark has been reserved for GoCo, and the fun begins at 11 a.m. Kat Huff, the Director of Operations and Hospitality, will present information on the back history of Lark Brewing, how it got started, the sourcing of products, and what makes the Lark beers so exceptional.

Please RSVP to Rebecca Johnson at 703-309-9309 or rebeccajohnson6980@gmail.com and join us for a “Lark” on August 16th!

GOLF COMMITTEE NEWS

TAHOMA 31 INSTALLATION PROJECT BEGINS

Preparation for Installation

Monday, June 10, marked the first day of the Tahoma 31 (T31) Grass Installation Project. The HH Golf Course Maintenance Crew treated the fairways and driving range with an herbicide and fungicide to kill the existing turf and sterilize the soil. Irrigation of the course continued during application of the herbicide in order to keep the plants growing to properly absorb the herbicide. Irrigation also continued for the maintenance of the rough and the greens. This procedure was repeated during the course closure on Mondays June 17 and 24 and July 1 and 8. Preparation was completed on July 8 after the last application of the herbicide.

Installation Process

As of this writing on July 10, it is anticipated that on July 15, an outside contractor will double aerate the fairways and immediately start installation of the T31 sprigs. Successful installation of the turf sprigs is weather-dependent; therefore, the installation was scheduled for several days.

Simultaneously the tee boxes will have the existing grass cut free, leveled, soil prepared followed by T31 sod installation. Sod installation can take more time than the sprigs. After installation, the new turf will require extensive application of fertilizer and chemicals along with consistent irrigation to ensure the sprigs and sod grow in healthy and quickly.

During the installation project, the turf on the driving range will be replaced with T31 Grass. Also, tee boxes will be refreshed and sodded with T31 Grass.

You can follow the continuing progress of the T31 installation with pictures posted on the bulletin boards outside the pro shop and on the HHTV Golf News.

GOLF CART DAY

BACK BY POPULAR DEMAND

Saturday, August 24th
9:00am - 1:00pm

Heritage Hunt Residents and their Guests are invited to view the beautiful fairways and natural surroundings of the recently renovated golf course. Take advantage of the temporary closure as the course is closed to golfers, and ride all or portions of the freshly paved cart paths on our new golf carts. Allow one-two hours to view the entire course. Limit two persons per cart. Riders will be teamed with drivers if requested. Refreshments will be available at the mid-point area, as well as the clubhouse.

Cost: \$5 per cart (includes unique souvenir)

To Register: Call ((703) 743-1000) OR visit the Pro Shop no later than August 22.

LADIES 9-HOLE GOLF LEAGUE NEWS

Due to an unfortunate mix-up, my last article did not make it correctly into the Horn for July, and I apologize.

Moving forward, most everyone knows that “our golfing as a league” will be quite different when our course here closes for the new re-grassing project. Many people are working on arranging tee times for groups of us at neighboring courses. Stay tuned.

To recap: Back on May 23rd, many female golfers from Heritage Hunt (both 9 and 18-Holers) participated in an 18-hole tournament in

Dominion Valley, for the benefit of Ovarian Cancer. It was called **The Robbyn Rothman Memorial Swing for Life Tournament** to benefit Ovarian Cancer Research. Dominion Valley’s course is an 18-hole Arnold Palmer Signature Course. The format was a shotgun start and a scramble with each person’s drive used once on the front nine and once on the back nine. You could also purchase a mulligan package, magic putts, and raffle tickets, etc. What fun! It was a great turn out and I personally enjoyed the day very much, even if it did rain in the morning and we got a little wet. The sun came out soon enough, and when we finished, it was into the Dominion Valley Clubhouse for a great buffet, raffle, and awards were handed out! I came home with a beautiful raffle basket filled with 2 bottles of wine, a scarf, golf socks, candy, etc. I also won a gift certificate to Dicks Sporting Goods for winning “closest to the hole” on the 14th par three hole. It was a very fun day according to those I spoke to!

The first Wednesday in June (the 5th) was a cloudy but warm morning and about 20 ladies played. We had a new lady join us that day – Seggy Youn; (she told me she and her husband had been playing Couples Golf) and I really hope she enjoyed her morning with us! The results of the day were very good for Margaret Swinney and Sandra Tomlinson, as I heard they both hit a 47! **Bravo!**

An “on-course 9-holer’s clinic” was planned for Monday, June 10th @8:30am (cost is \$20.00); it should have happened already if weather permitted (by the time you read this article) but if you missed it, maybe another one will be planned for later this summer. Also, FYI, I have been told that a “short game” clinic is being planned while our course is closed. You will be notified about it. Avis Scherer takes the lead on our clinics and she does a great job planning them with the pro shop for us. If you have any questions, please contact her, or the pro-shop.

HHWGA-18 LADIES OF LINKS NEWS

As the summer heat continues and the Tahoma Project nears completion on our course, many of our League members have continued to play golf on other courses through reciprocals arranged by our Pro Shop. While we have missed playing golf here at Heritage Hunt, we are grateful for the efforts our Pro, John Yancy, and his staff have made to help enable us to play elsewhere during this time.

Our Tri-County team continued to shine in June as we competed here at Heritage Hunt. The weather turned out to be fine with a little breeze and our Heritage Hunt team excelled. We played against Stoneleigh Country Club (a tough group) and managed to score 28.5 to their 25.5 points. Our golf course was in beautiful shape and the match was well organized by our Pro Shop and starters. It was a great day. Several ladies stayed for lunch after and the restaurant did a wonderful job.

Where do we stand? Here is the cumulative point summary. Keep in mind that both Fauquier Springs and Montclair did not play in June.

Fauquier Springs	23.5	Bye in June
Heritage Hunt	59	
Loudoun	59	
Montclair	22	Bye in June
Piedmont	53.5	
Stoneleigh	53	

Heritage Hunt Tri-County Team

As we anticipate the re-opening of our course, remember to sign up for our League play each week no later than the Monday prior to our weekly League event.

If you are new to Heritage Hunt, or if you have been a resident for some time and would be interested in playing golf with our 18-Hole Ladies' League please contact me (mdierdorff@comcast.net, 703-743-2067) or learn more about the League by checking out our page on the HH Website: www.heritagehunt.net, click on Golf Central; then League; then Ladies 18 Hole

HERITAGE HUNT LITTLE THEATER (HHLT)

HHLT's Fall 2024 play is running full steam ahead as the thirteen characters have been cast and rehearsals will begin shortly. The play Larceny and Old Lace is a takeoff of the classic Arsenic and Old Lace, a favorite

movie and play about two maiden ladies who turn to crime for amusement. The dates are October 29, 30, and 31.

We are enjoying the summer months with humor and improvisation as we exercise our creative sides with activities that use our imagination and dramatic skills. In June we acted out short scenes with different methods: mime, puppetry, and charades. In July we utilized quick memory and wits as we tried a challenging new activity called Sporcle. We are always trying to keep our little gray cells busy!

In September we will hold our annual picnic and talent show. New members and guests are always welcome so contact Membership Chairman Billy Clay (bclay76@gmail.com) if you would like to attend.

LSTV CORNER

Just like every group at Heritage Hunt, LSTV is trying to attract new people. When you consider that LSTV is "in the room" for most everything that happens in our community, we must scramble for support. For example, we are there to set up every committee meeting, most group meetings and every concert or event in the ballroom. We are so common, i.e., in the room that it has been suggested that we/LSTV all get lifesaving and resuscitation training. (That is pretty cool and a big compliment to the group.)

Because there are so many places we need to be, we get a little thin at times. Life happens to us just like everyone else. One of our main engines went out with a serious surgery, another big-time contributor is going away for a much-needed vacation for a month. We get sick and injured like everyone else. Every Monday morning, jobs are assigned and sometimes we come up short, and somebody must add another meeting to their week.

We could use help.

So, we are talking about a formal training program so that we could provide some level of training for each group. I can speak from experience; the car club has been trained to a level where they can just about run their meetings without LSTV. We still would like to have someone in the room for now. But we can see this taking off and lessening the need to have us in the room.

So, depending on your group or committee's needs, we would like you to consider some level of training. Now, the Board Meetings and Little Theatre have large requirements and need input from LSTV, but other than them and perhaps a few others, training could be an option. I should mention that Little Theater has sent us one of their own who is now a member of LSTV. (Our plan is to offer CulinArt as much training as they think they need.)

If your group or committee would consider taking us up on the training, please let us know. If you would like to look at what we do, we meet most Monday mornings from 9:30 – 11:00. The next meeting is on July 8th at 9:30. There is no commitment, no hard sell. Come watch up to 17 dedicated people take on assignments to support our/your community.

PHOTOGRAPHY CLUB

Hope everyone is having a relaxing and enjoyable summer so far! We are preparing to begin our 2024 – 2025 schedule of meetings, trips and learning this month and hope that you will consider joining us in the Ballroom on August 27th at 7:00PM.

Why should I you may ask? Well, HHPC was established in 2005 by a small group of residents who had a common interest in photography and wanted to meet with others to share their thoughts, knowledge and photos with each other. From that small group we have grown to 70+ members from across the spectrum ranging from novice, to amateur, to advanced amateur and beyond. Our tools range from cell phones, point and shoot, digital, film and professional cameras. Our purpose is to share our knowledge with others, to learn from others, and above all, to have fun.

What can you expect if you join? Plenty! Our monthly meetings consist of outside speakers who are experts in their fields. Recent speakers include a NASA astrophysicist with tips on astrophotography, a Smithsonian curator discussing a recent exhibit of Dorothea Lange's depression era photographs, and speakers presenting tips and examples of landscape and wildlife techniques. We organize "safaris" to photograph places of interest such as National Cathedral, National Harbor, Great Falls as well as overnight excursions to Williamsburg, Gatlinburg and Cape May. We provide opportunities for members to display their work throughout the community through our Gallery Project displayed in the Red Oak Dining Room, Clubhouse hallways and Marsh Mansion. In addition to monthly meetings, we present workshops to small groups covering topics such as composition, portraiture, printing and photo software. To top it off we have our annual picnic in June and Holiday Gala and dinner in December.

So, why not give us a try? For any questions, feel free to email me at ken_lyons@comcast.net.

PICKLEBALL CLUB

MEET STEPHEN HARTMAN

When the time came for Stephen and his wife Bobbe to choose a new home for the retirement phase of life, they wanted to be in an active and social retirement community. Heritage Hunt fit the bill and they moved here three years ago. Stephen likes to think of HH as "college for seniors." Stephen and Bobbe's

blended family consists of four children, two local and three grandchildren, just 20 minutes away.

Stephen's forty-two-year career as a software programmer and systems engineer started at IBM, where he spent his first 11 years. While never in the military, Stephen spent the majority of his career at the Naval Research Lab, working on systems for the Navy. He found it rewarding to work with the military helping our warfighter.

Stephen started playing pickleball in 2011 but didn't play often until he moved to Heritage Hunt. He believes the HH Pickleball Club is a great way to meet people and learn how to play better. Stephen's initial approach to the game was to hit hard and go for a "winner." After taking two instructional camps, he has learned to slow the ball down, play gently, and wait for the moment to attack the opposing players. Although his wife, Bobbe, tells him he's addicted to pickleball, he maintains he only plays 6 days a week, so he could be playing more!

On occasion, Stephen enjoys a round of golf at Heritage Hunt with friends. Outside of HH, he and Bobbe like to hike and see live music. Their favorite places to hike are Sky Meadows and Big Meadows. Wolf Trap is their favorite music venue. When not active outside, Stephen is an avid reader. He reads several books a month and meets regularly with a men's book club from his previous neighborhood in Maryland.

See you on the courts!

Kathy Riley and Sue Ann Hilten

Special Announcement: 3rd Annual "Play Pickleball with Your Grandchild Day" is Monday, September 2, 10 AM – Noon.

RESIDENT SPOTLIGHT

LAWRENCE "ROBBIE" ROBINSON

A recent Heritage Hunt Car Club meeting featured a special guest speaker and resident, Lawrence "Robbie" Robinson. Robbie is a legendary drag racer in this area and beyond. In his early years, Mr. Robinson became a race car driver, building his own race cars and engines and winning almost 500 first place trophies. He won the National Hot Rod Association (NHRA) East Coast Championship in E Gas (highly modified engines) in 1957, 1958 and 1960 competing at racetracks from New York to North Carolina. Local recognition includes being awarded the 2010 Cliff Ewell Memorial Award at the Annual Legends of Racing celebration sponsored by Old Dominion Raceway. Mr. Robinson also received the Lifetime Achievement Award in recognition of being the first African American to participate in organized drag racing on the East Coast. At this meeting he shared a binder of photos and newspaper clips including where Robbie was the only Black member of a local hot-rod club, the Igniters, or the "fly in the buttermilk".

Beyond his racing days, Mr. Robinson has led an amazing life over the last 94 years. He worked at Cameron Station for over 39 years including becoming the first civilian to bag groceries after Congress declared grocery bagging by military members was considered servitude. He later became Deputy Commissary Officer before he went to the Defense Logistics Agency where he retired in 2010 as Chief of Operations in the DLA Command Control Center, or the War Room. He also has decades of service in the Elks Lodge which

was one of few places to provide social activities for blacks in the early 1950's, and has been a lifelong advocate for community welfare and youth education groups and organizations. Notable achievements including serving on the board of Directors of Project Discovery-Alexandria for six year and as a member of the City of Alexandria Martin Luther King, Jr. Planning Committee for over 49 years. In 1983, Robinson was presented an award by the Distributive Education Clubs of America (DECA) at T. C. Williams High School as one of the Outstanding Black Business Leaders in Alexandria. He was also instrumental in promoting the Marting Luther King Jr. Memorial and ensuring his birthday is recognized each year.

Robinson is a proud 6th generation grandson of Gentleman Jim Robinson, who at the time of the Civil War owned part of what is now the historic Bull Run Battlefield. Gentleman Jim's home, Robinson House, is today a battlefield tourist attraction and Gentleman Jim is buried nearby. He and his wife Evangeline "Van" have a son Warren and daughter Sharon. Warren was a wide receiver on the 1971 T.C. Williams High School football team, later captured in the movie "Remember the Titans." In 1956 their youngest daughter 11th month old Debbie died as a result of being turned away from a hospital because they were black. Through it all Robbie Robinson has served as a role model and advocate for youth while maintaining a positive attitude and willingness to share his story with anyone.

COL. JAMES L. RIFFE

Like at least two patriots (John Adams, Thomas Jefferson) before him, World War II veteran and longtime Heritage Hunt resident Col. James (Jim) L. Riffe (retired) passed away early on Independence Day.

Jim and Bea, his wife of 70 years, moved to Heritage Hunt in 2003. Jim was a MOAA member, and presented Clubhouse programs about WW II history.

July 9th would have been his 103rd birthday. To honor his service and 99th and 100th birthdays in July 2020 and 2021, neighbors and friends surprised him with tribute parades that included local fire and rescue teams, the Washington, DC Chapter of 82nd Airborne Association, Gainesville's Mission BBQ and Honor Brewing Company.

In 2017 Riffe gave an extensive oral history of his military career, which included the WW II Battle of Okinawa, to a HH production team that included Lynn McIntosh, Nike Ide, Ruth Hill, and Riffe's Airborne friend Mike Lonetto. That recording is available online at the Library of Congress website and Nick Ide's YouTube channel https://youtu.be/xpjJoSp_gJUL.

Friends of the National World War II Memorial frequently called on Riffe in recent years to speak about the war at events such as the September 2, 1945 anniversary of the Japanese surrender, and teachers' educational meetings.

Born in McDowell County, WV in 1921 near the coal fields, he became an under-age member of the Civilian Conservation Corps during the Great Depression, and helped develop a West Virginia state park. In June, 1941 he graduated valedictorian of his class, and received six athletic scholarships. He chose Davidson college in North

Carolina because it allowed him to play both football and basketball. But war intervened, and shortly after Pearl Harbor, he registered in February 1942 for the draft and went on active duty in August.

Following officers training at Ft. Benning, GA, Riffe got orders to the Pacific and assumed command of 1st Platoon, I Company, 106th Infantry Regiment, 27th Infantry Division – which he led during the April – May, 1945 Battle of Okinawa. He suffered shrapnel wounds to his back in that battle during an explosion that killed one of his teammates.

Riffe continued his Army career following the war, during which he held various command and staff positions. He deployed twice to Vietnam, and had command of an infantry battalion during building of the infamous Berlin Wall (1961-63). He commanded an Airborne brigade, and was Chief of Staff of the 82nd Airborne Division. He also served as a member of the General Staff, Headquarters, Department of the Army, and the Joint Chiefs of Staff, with duty as a member of the U.S. Delegation to the Military Committee of the North Atlantic Treaty Organization (NATO). Riffe retired in 1972 with 30 years of service. Military decorations include four awards of the Legion of Merit, two Bronze Stars for Valor, a Purple Heart, and the Army Commendation Medal.

After his Army years, Riffe built a civilian career first with the Federal National Mortgage Association and later with the Government Employees Insurance Company as Director of the Military Department.

Survivors include his wife Bea, three children – Tom, Eileen, Lydia and her husband Stephan - as well as five grandchildren and 3 great grandchildren. A date for a full military honors service at Arlington National Cemetery is pending.

THANK YOU

I would like to express my deep and sincere appreciation to all of our Heritage Hunt Family during this difficult time of transition following the death of my dear husband, John. The flowers, plants, cards, gifts, visits, emails, texts, phone calls and food offerings were overwhelming and so very welcomed.

Mae Mathers' playing of traditional hymns on the piano as a prelude to the memorial service, Bill Wright's heartfelt words honoring John in a way that only Bill could, and the Heritage Hunt Chorale, who gathered together on short notice, under the direction of Sue Munson and Linda Allardyce, to sing John's favorite song from our Spring Concert, "Ashokan Farewell", touched my heart and I am indebted to, and so very grateful to you all.

John loved being a part of this community and worked his level best to try to save it from data center encroachment. The battle continues and our hope is that his efforts will not have been in vain.

Sincerely, Sally Lyver

HH CHAPTER OF THE AMERICAN WINE SOCIETY

In July, members of the club had the opportunity to visit the Magnolia Vineyard in Amisville. It is a beautiful venue, with lovely wine, and a good time was had by all. August will bring us back to the Clubhouse for the American

Wine Society's National Tasting Project. Each year AWS chapters across the country participate in a themed education wine tasting. This year we will be tasting and scoring Chardonnay and Pinot Noir from the California wine region. In the fall we will compare our scoring with results from around the country. This event is for members only and invites will be emailed in early August.

Looking ahead, September will have us tasting a selection of South American wines. Avid readers of this column may say, "Hey, didn't you feature South American wines in June?" Yes, that was the plan but the event was postponed until September 17. So mark your calendars for what should be an exceptional presentation.

I've had a busy few months visiting a few lovely vineyards. If you're looking for some beautiful views and great wines, here's five that I think fit the bill.

Crimson Lane Vineyard in Linden - Reservation necessary. Adults only. Fairly new. Beautiful spaces. Tastings start at \$45. Yes, it's pricey, but it's an experience.

Williams Gap Vineyard in Round Hill - No reservation necessary. Families are welcome. Beautiful spaces. Tastings start at \$20.

Slater Run Vineyard in Upperville - No reservations necessary. Adults only. Lovely views. Guided tastings start at \$25.

Delaplane Cellars - Delaplane - Reservations suggested on weekends. Adults only. Great views. Tastings start at \$20.

Stone Tower Winery - Leesburg - Reservations needed for groups of 8 or more. Families welcome. Beautiful spaces and views. Extensive food menu and great wine.

Cheers! Anne Burns

HERITAGE HUNT WOMEN'S ORGANIZATION (HHWO)

The month of August provides plenty of lovely weather so we can all enjoy barbecues, picnics, and other fun and exciting outdoor adventures. The long, sunny days and moonlit nights are the perfect setting for socializing with dear friends and loving family.

MARK YOUR CALENDARS!!!!

The 2024-2025 HHWO Membership Pre-registration is scheduled in the Clubhouse Mountain View Room for Tuesday, August 6th, from 9-11am, and on Thursday, August 15th, 1-3 p.m. Come by and join our Club! The HHWO Women's Club meets on the second Tuesday of every month from September through June. We are an organization that socializes, provides educational, inspirational, and exhilarating programs at our monthly meetings, and we also raise incredible funding for local charities in need.

During HHWO registration in August, we are holding our annual School Supply Drive to provide funds for school supplies for children who could not otherwise buy their own. We donate these collected funds to the counselors at the Bull Run Middle School in Gainesville, and Loch Lomond Elementary in Manassas to purchase needed items for their students. Cash and/or checks may also be dropped off anytime now through August 15th in the Box on the porch of Roz Bochynski - 10708 Tuscarora Ct, 551-265-4753.

Our annual Coat Drive will take place on Saturday, November 2nd, at the March Mansion. We will collect children's coats for local elementary students in need and adult coats which will be delivered to the House of Mercy.

This year HHWO will host the incredible Holiday Home Tour on Friday, December 13th and will include the delicious "Sweets and Treats" Shoppe. All proceeds will be distributed to local charities. Seven beautiful homes in Heritage Hunt have been selected for this wonderful event. I am honored that my home is on this list with my 75 Nutcrackers! Mark your calendar!

Annual Monetary School Supply Drive

Once again, in lieu of collecting actual school supplies, we are holding a drive for cash donations for Bull Run Middle School in Gainesville and Loch Lomond Elementary School in Manassas. The funds will be used for the purchase of student school supplies, as well as those supplies needed for special projects.

WOODSHOP NEWS

Several years ago, someone donated a wall cabinet to the woodshop for storage of various materials. It was made of pressed board coated with melamine. Over the years, it had begun to fall apart and needed to be replaced. So, HH Woodworkers Group decided to make a new cabinet and use the process of making it a lesson in cabinet making for 2-3 WWG members.

The class was conducted by Paul White with the assistance of Andy Johnson, both experienced woodworkers. The students were Charles Wood, Barbara Bernard, and Steve Young.

Paul designed the cabinet and drew up a set of plans. Rough-cut cherry lumber was purchased for \$35.00, and the students used the jointer, thickness planer, and table saw to mill the lumber into finished boards.

The class learned how to inspect the wood and select the best pieces for the various parts of the cabinet. Following Paul's plan, the students were taught how to make tenon and mortise joints for the face frame, sides and doors of the cabinet, using the table router, appropriate router bits, and a specialized jig. The class then glued and clamped the pieces together and assembled the cabinet. Notably, no screws or nails were used in the construction of the cabinet, as the students learned that tight joinery and careful gluing were sufficient. Sanding, staining, and finishing were the final lessons. The finished cabinet is pictured below with cabinet making students Charles Wood and Barbara Bernard.

ANDY JOHNSON

Andy Johnson has been writing monthly articles for the woodworking club for years, so this month he gets a break and some deserved recognition. This article highlights some of Andy's background and his contributions to the WW club.

Andy was the son of a carpenter. He worked his way through college as an apprentice carpenter. He was certified as a journeyman carpenter by the State of Kansas in 1962. His career was with the U.S. Army, but he always maintained an interest in carpentry and woodworking. He continues his interest today as the leader of the Woodworking Club at HH.

Andy wears many hats to keep the wood shop and woodworking club running like a well-oiled machine. Endless maintenance, mentoring, educational instruction are a few of the things Andy does. He stays on top of everything.

In addition, Andy runs the monthly club meetings. The meetings are organized, well prepared and worthwhile. He is the MC, treasurer and leader. The meetings always conclude with an entertaining "Show and Tell", where club members get to show the group the latest projects they have made. Many impressive projects are displayed by club members.

His careful monitoring provides us with a spotless woodshop that has a great safety record. In addition, every machine is meticulously maintained. Thank you, Andy, for your ongoing commitment to the Woodworking club.

➤ **HH WOODCARVERS** meet every Tuesday in the Clubhouse Craft Room from 12:30 PM to 3:30 PM. If you would like to try something to do that is different from what you tried before, try woodcarving. You don't need to go to a wood supply store and pay \$85 dollars for the basic instructions. We do it here at Heritage Hunt at no cost to you to try and learn. Beginning and experienced carvers, women, and men are welcome. There is no cost to you as we provide the knife, glove, wood, and lessons for your first project which is usually a dog or stylized duck. You may see some of the carvings completed by carvers here at HH in the display case in the lower lobby next to the UTP office downstairs. Contact J.C. Evans, 703-743-1321 or Jon Crissey, 703-743-1317.

➤ **HH WOODWORKERS** meets 2:30-4:00 PM the 2nd Thursday of each month, usually in the Clubhouse Mt.View Room. The purpose of the Group is to assist the community in maintaining and operating the woodshop so residents have a place to work on personal projects, on projects for the HH community, and for local charities. The Group also provides a forum where residents can increase their woodworking knowledge and skills. Contact Andy Johnson at 703-743-5181 or Ross Kerr at 860-508-0652 about joining the WWG. Contact Bob Rogers at 703-609-2924 about classes.
