GENERAL MANAGER'S MESSAGE

REACHING OUT TO THE COMMUNITY

Are you receiving important community updates? Heritage Hunt has many communication channels to keep you informed including the newsletter, community website, Board and Committee meetings, bulletin boards, and e-mail blasts. The e-mail blasts are utilized for both updates and important announcements regarding services, outages, facility closings, construction traffic, maintenance issues, and other important announcements. If you are not signed up to receive e-mail blasts, please take a moment to sign up for them by completing the Heritage Hunt "Directory form" which can be found in "Forms" under the "HOA" drop down menu on the community website at www.heritagehunt.net or by contacting us at 703-743-2000, ext. 4. Once completed, submit to the Front Desk staff in person or by e-mail at hhfrontdesk@heritagehunt.net and you're all set!

If you are aware of an "After Hours HOA Common Area Emergency", please call our after-hours emergency answering service at 855-477-2267.

To view activities currently scheduled within the community, please log in the community website at www.heritagehunt.net and click on "General Calendar" on the left side.

For updates of the day-to-day Management activities, monthly reports are shared on the community website by clicking on "HOA" and then selecting "On-Site Management Reports" on the left side.

To communicate regarding services provided by the Management Team:

JANUARY BOARD BRIEFS

Happy New Year and Welcome to 2024. It will be a new and exciting year for Heritage Hunt. Hopefully we are passed any major issues such as we had last year and can move into new projects for this year to maintain and improve Heritage Hunt.

We already look forward to the addition of acoustics in the Red Oak Bar areas that will help with noise levels and we will see needed remodeling done to the Clubhouse bathrooms. We thank the Food & Beverage Committee for getting the Acoustic project under way and Facilities Committee for their ongoing efforts to get needed work in the Clubhouse done. Bravo to all our volunteers!

The Board did meet December 11, 2023 to elect officers for 2024 and appoint liaisons to the HOA Committees. The 2024 Officers are President - Kathy Vergano, Vice President - Jerry Fisher, Secretary - Sandra Painter and Treasurer - Rex Giekes.

Our meetings this month are Monday January 15 (working meeting) at 9:30 am in the Mt. View Room and Thursday January 25th (general meeting) at 1 pm, also in the Mt. View Room. Our meetings are also broadcast on Channels 971 and 972 by LSTV.

Our Data Center Work Group has ended their work and the group dissolved 12/11. Members of the DCWG are forming a new group, which plans litigation efforts to halt the Pageland Digital Gateway project. This group is not associated with the HOA. It's funding will come from individual homeowners and not the Associations. They will be providing more details soon. However for current information, please contact Mary Foster at maryfoster42@gmail.com. Our very sincere thanks to all the DCWG for their tirelessly efforts on HH's behalf for the past 2 years.

The following resolutions were approved at the 11/16/23 General Board meeting. As there was no General meeting in December, they are appearing here over a month late. For a quicker review, do check the website as meeting minutes are posted there within 2 weeks of a meeting.

- Approved the UTP 2024 Business Plan.
- Approved the 2024 integrated Operating and

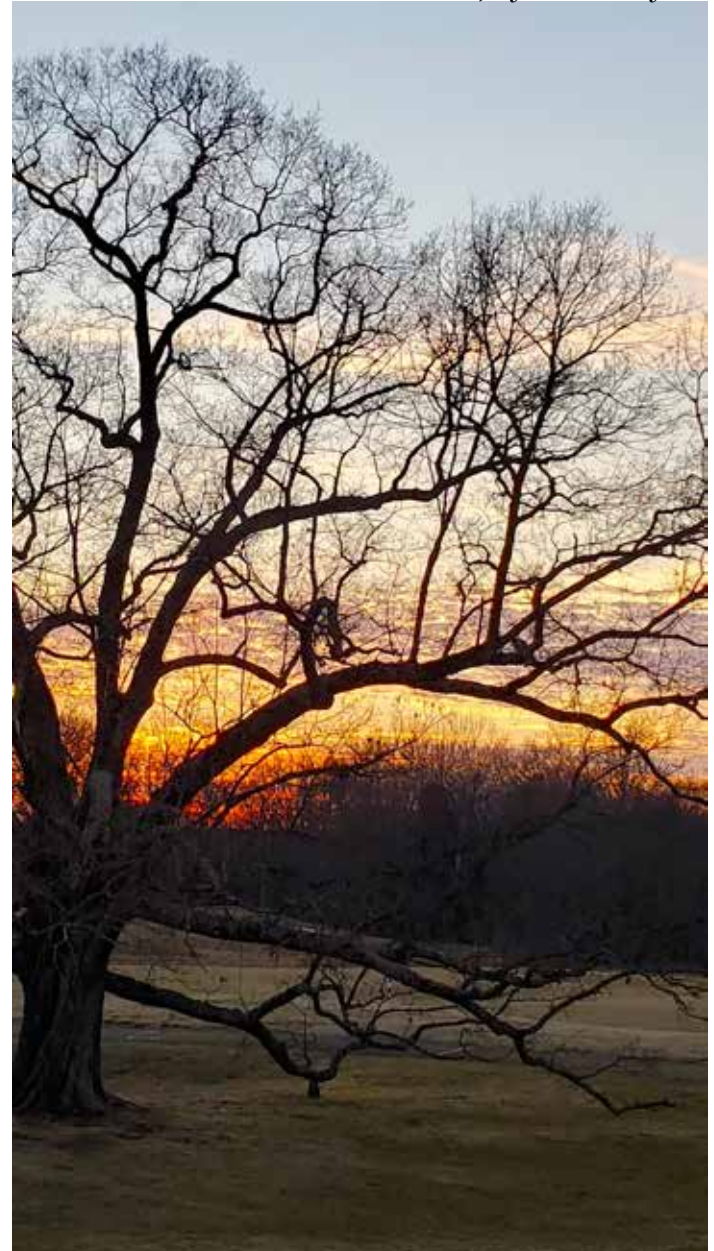

Reserve Budgets which includes a monthly assessment fee of \$380.

- Approved a new three year contact with American Disposal Service (Trash and Recycle hauler).
- Approved a contract with Becht Engineering to perform a preliminary inspection of specific HH roads (oldest and high traffic) scheduled to be replaced in the reserves.
- Approved a contract with B&E to perform cooling tower repairs at the Clubhouse.

Best to all! Stay safe and well!!

CHRISTMAS TREE PICK-UP

American Disposal Services will collect your live Christmas trees curbside on Friday, January 5 and Thursday, January 11. Please remove all decorations from your tree before placing it outside for pick up.

DO NOT place your tree in a bag.

VOLUNTEERS NEEDED

Volunteers to raise and lower the Front Gate flags are needed. We have been very fortunate that residents have been doing this important function for several years. However, circumstances change and we need new helpers; 3 would be very useful. If you would be interested, please contact the boardofdirectors@heritagehunt.net and we will review the process.

BOCCE NEWS

Are you ready for some BOCCE? Our Spring league season is right around the corner. It will run from early April through June, with games scheduled on Saturdays. If you have been thinking about joining the fun, now is the time!!

All teams, plus experienced players who are not currently on a team must register with John Patterson (jwpatterson@verizon.net) by February 29th. New players must also register by the deadline and will be placed on a team or on a waiting list. No teams will be accepted after this date.

Each team will consist of 6 players. One optional substitute is permitted.

New players are always welcome. If you don't have 6 players or if you are just signing up as an individual, it's not a problem. Just contact John Patterson and he will put you in touch with other players to form a team.

We will be holding training sessions in March for all new players...so... no excuses, come on out. If you can roll a ball...you can play!

CROSSROADS CONNECTION

Happy New Year! Happiness is not easily obtained without feelings of joy, contentment, and positivity. We want our lives to have meaning and value. A way to pursue happiness is to serve our communities.

Food insecurity continues to challenge children who are eligible for free school breakfast and lunch but are short on meals for the weekend. Parents communicate anonymously with social workers and school counselors to communicate their children's food insecurity. Crossroads assures that these children have weekend food to take home.

Crossroads had its beginning in Heritage Hunt when one family took the lead in supplying food and volunteered their home for ten years to food storage, packing, and delivery. When the local needs expanded, Shepherd of the Hills Lutheran Church's volunteers moved all remaining food to their Haymarket church building early 2020. Schools were closed so parents stayed in their cars for a no-contact service. I remember the feeling of

joy, contentment and positivity. I was happy! Those I worked with were also in good spirits as they felt a sense of purpose, especially during the pandemic.

Crossroads Connection continues to serve the community. On Saturday, December 9, 2023 we collected food and handed out informational flyers in Haymarket. Mayor Ken Luersen of Haymarket, pictured here with our high-energy

Heritage Hunt residents and Crossroads leaders, Andy and Linda Zembower, greeted residents who stopped by to fill the police chief's truck with food.

To celebrate our partnership with Sentara, Andy Zembower attended the Sentara Cares Community Partner Celebration on December 8, 2023.

Crossroads and 29 other charitable organizations were awarded grants and recognized for their contributions to the health of the local residents. As encouraged by Sentara, Crossroads is reaching out to partner with the other organizations that address food insecurity, and with representatives from health and wellness charities.

Come and pursue your personal Happy New Year! Bring meaning and value to your life. Give a few hours a month to Crossroads. Visit the website, www.crossroads-connection.org

NEWCOMER DINNER

Each month, the Community Relations Committee enjoys hosting a Newcomer Dinner. These dinners are held in the Clubhouse restaurant. The dinner provides the chance for Newcomers to meet and greet each other and share those moving stories! Food and beverage may be purchased using your HH account or a credit card. Our next dinner will be January 23 at 6pm. Please RSVP by January 20. Hope to see you there!

FREE MOVIE NIGHT

Join the Cinema Sisters for Free Movie Night on Friday, January 19, at 7:30 p.m. in the Great Oak Ballroom. This month's feature is Hampstead.

“Though Emily and Donald live in the same London neighborhood of Hampstead, the worlds they inhabit could not be more different. Emily is an American widow occupying a posh apartment she can no longer afford, and Donald is an Irish loner who lives off the land in a makeshift cabin, just wanting to be left alone. When his home is threatened by real estate developers, Emily believes she has found her new cause.”

Free popcorn and cash bar will be available in the ballroom. Carry out food is available from the dining room and is permissible in the ballroom. There is no wait staff service available in the ballroom.

To order carryout food, the phone number is 703-743-2021.

RESERVATIONS FOR THE MOVIE are required to ensure adequate seating and popcorn. Call Dianne @ 703-743-1453 or Darlene @ 703-743-2291, or email HHMovie@aol.com, stating name and number attending.

CRC RESIDENT FORUM

HELICOPTERS, WASHING MACHINES THAT CAN FLY!

Thursday, January 25th @ 7:00PM
Clubhouse Ballroom

Have you ever flown in a helicopter? Do you know why they call them "Washing Machines"? Do you know how many types of helicopters there are? How do helicopters fly? What is a helicopter? How does a helicopter work?

Join us to get all of these questions answered by a man who worked with them and lived with them.

Jim Palmquist served in the US Navy as an aircraft carrier rescue helicopter pilot in the Atlantic and Mediterranean Fleets during the Vietnam War. After leaving the Navy, he flew helicopters for the New Jersey Army National Guard. He now serves as a docent at the American Helicopter Museum & Education Center in West Chester, PA. He has had a diverse business career with experience in computer systems, Naval Aviation, sales, logistics and non-profit employment and volunteer leadership. He taught at Temple University on the undergraduate and graduate levels as an Adjunct Professor as well as taught at Penn State and two other universities. AARP recently awarded Jim the Most Prestigious Volunteer Award for his remarkable service to his community in Pennsylvania.

Jim is married to Dawn Palmquist and lives in Macungie, Near Allenton, Pennsylvania. They have three children and five grandchildren. His sister is our very own Heritage Hunt resident, Joan Turner.

RED CROSS BLOOD DRIVES

Thanks to our wonderful donors, our blood drive on Monday Nov 27 was very successful. Special thanks for your patience as you had to wait longer than usual for us to get started. Both the Christmas Tree setup team and the Red Cross team were inconvenienced by this accidental double booking of the ballroom. However, both the Red Cross Team and the HH staff did an amazing job in spite of the "hiccup" and both teams cooperated to ensure that their goals were accomplished. We will work to make sure we don't schedule the December blood drive next year on the Monday after Thanksgiving.

We surpassed our goal of 31. We saw 43 donors, collected 36 units, deferred 7 (low iron, etc) and had one QNS (Quantity Not Sufficient). Awesome job by the staff at Heritage Hunt and the Red Cross Team. Our next drive will be Monday, January 29, 12:00 to 5:00 PM. Also, mark your calendars for the 2024 dates: April 8, June 10, and October 7.

I look forward to seeing all of you at our upcoming drive on Monday, January 29, Noon to 5 pm. I urge those of you who have not donated before to join us this year. It is a most rewarding experience to know that you are actually saving lives. Please schedule an appointment now. Call or text: Pat Phillips at 571-236-8260, email patphillips642@comcast.net or Willard Scott at 703-483-1915, email willardscott@comcast.net.

Happy New Year All,

Pat Phillips, Red Cross Blood Drive Coordinator

HH CAR CLUB

Heritage Hunt Car Club

We had a great end to the 2023 Car season, and are looking forward to the new year. Monthly meetings are

held on the 2nd Thursday of each month starting in March through October 5:30pm to 6:30pm in the Clubhouse Mountain View Room.

The club is exclusively for those who live in our community, and we have various club merchandise for sale. If you are passionate about automobiles, or just like to socialize with good people please join us. These are some of the clubs recent events.

November Car Care Demo event. Club members Harrison Murphy and Terry Gonyaw enjoy sharing detailing tips for winter weather. A good time was had by all.

October Skyline Fall Color Tour. The fall color on the Skyline Drive through the Blue Ridge Parkway was spectacular.

On December 16th the club President and wife hosted a **Holiday Celebration** for our members featuring pot luck dishes.

The start of the new year brings our annual trek to the Washington Convention Center for the 2024 car show from January 19-28th. We plan to

meet at the Clubhouse parking lot on January 22, 2024 to carpool/metro to the show. Please don't forget to buy tickets online to save a few bucks on this event. Please see the website Washington DC Auto Show – January 19-28, 2024 (washingtonautoshow.com).

The Heritage Hunt Car Club has a dedicated Website: <https://heritagehuntcar.com>. We also have a page on the Heritage Hunt Website, under Activities and Amenities.

DIGITAL GATEWAY THREATENS HH FUTURE

AN INVITATION TO SUPPORT THE HH CHALLENGE TO THE PRINCE WILLIAM DIGITAL GATEWAY INDUSTRIAL DATA CENTER PROJECT - LARGEST IN THE WORLD

Dear HH resident: Industrial data centers (buildings, power lines and new roads) are being planned all around the edges of our beautiful community.

Current Status:

On December 13, four of the eight members and one abstention of the PW County Board voted to approve the rezoning applications from QTS and Compass Data Centers and pave the way for a massive 2,000-acre industrial area along our eastern border.

1. Their vote was against the recommendations of the PW County professional planning staff
2. Their vote was against the recommendation of the PW County Planning Commission
3. The vote will trigger the data center development of Smith Farm/Crossing on our northern border.

Learn what you can do now to challenge this decision!

Our neighbors in the Oak Valley community, just north of Heritage Hunt on Catharpin Road, are challenging the County's rezoning decision for the Prince William Digital Gateway. They agree with HH that the County's approval process was

seriously flawed. The PW Board of Supervisors failed to follow basic legal requirements and look at all the factors involved with the rezoning. Oak Valley feels we can force the County to do a more thorough assessment of the effects by getting a judge to send it back to the County.

How you can help!

Please attend one of our Information Sessions. We invite you to meet representatives of the Oak Valley Community and learn more about the threat and how you can help challenge these data centers on our border.

1. Jan 9, Tuesday 7 PM in the Mt View Room
2. Jan 10, Wednesday 2PM in the MM Parlor
3. Jan 11, Thursday 2PM in the MM Parlor

Join the effort – we have joined the independent Oak Valley Legal Defense Fund to financially support Oak Valley in their legal quest to stop the Prince William Digital Gateway which is critical to HH.

Please join us and learn how you can help.

EMERGENCY PREPAREDNESS COMMITTEE

MEET YOUR 2024 EMERGENCY PREPAREDNESS COMMITTEE

The Heritage Hunt Homeowner's Association voting has been completed, and the Emergency Preparedness Committee (EPC) is pleased to announce we now have a full Committee, as shown in the photograph of the 2024 Committee. Over the past several years we have not had all seven positions filled on the Committee.

For 2024, this has been rectified, and the Committee now welcomes Sam Bresler, Christina Johnson, Paul Kaufman, and Robert Stepien.

They are joining John Busavage, Vic Crawford, and Al Grimmig on the Committee, which will continue to receive support from our Zone Directors, Emergency Volunteers (EVs), our safety and health training volunteers/managers, and the volunteers from the Heritage Hunt Ham club.

All those on the Committee and our many volunteers will be continuing to ensure Heritage Hunt can weather the storms we must withstand, possibly on our own, as the County manages an area wide event. Several past articles in the Horn have discussed how the EPC prepares for areawide emergencies, as we prepare for the worst and hope for the best. The Committee, now at full complement, will continue to be prepared as we reach out to other Committees, CAMP and UTP, and Prince William County Emergency Services to ensure an integrated and coordinated response to keep us all healthy and safe.

As an example, in coordination with the Grounds Committee, the EPC has asked VDOT to correct a dangerous situation at the intersection of Route 29 and Heathcote Boulevard, caused by the confusion with the "U" Turn. The recent reconfiguration at the intersection no longer

allows a "U" Turn but the "Truck" sign was not removed, as shown by the No "U" Turn on the traffic lights on the right but the "Truck" sign still on the left in the photograph.

Therefore, drivers in cars believe they have a green arrow to make a "U" turn so are turning into oncoming traffic proceeding on a green signal through the righthand curve from Heathcote to southbound Route 29. Numerous residents have reported near accidents from these cars making a "U" turn without realizing oncoming traffic has the right of way.

Concurrently, EPC will continue to provide safety and health training so our residents can be prepared to manage their household emergencies before our First Responders arrive. We will continue to offer this training throughout 2024, so watch for our announcements so you will be ready to perform CPR, or Stop the Bleed, or use a Defibrillator. Remember, this training will prepare you to help save the life of a neighbor, friend, or family member in an emergency.

You will have noticed our EVs have installed stakes at fire hydrants to prevent snowplows or delivery trucks from striking them, and to also assist the fire department in locating them when hidden by heavy snow. This action, along with many others during an emergency, shows how important the role will be for our EVs. So please join us by becoming an EV. Just ask for the EV Form from the Front Desk, fill it out, and drop it off with them. We will then reach out to you on how you can help protect the health and safety of your neighbors and friends in Heritage Hunt. Finally, remember to add the T-Comm number (703) 743-2016 into all your phones as "T-Comm Heritage Hunt" so you will receive immediate alerts on an incident affecting our community.

You can reach the Emergency Preparedness Committee using the following email address: emergencypreparedness@heritagehunt.net

FACILITIES COMMITTEE

THINGS YOU DIDN'T KNOW ABOUT THE 2024 FACILITIES COMMITTEE!

Happy New Year everyone! I am so happy that this is a brand-new year, with our Clubhouse almost back together! We are working on finishing touches to lighting and artwork and other final steps! All you have heard about for a year is the Clubhouse, and in case you have forgotten, Facilities does have many more responsibilities, which we still managed to keep up during 2023! The committee thought it would be a good idea to tell you about a few of the other things that keep us busy in HH.

The main responsibility of the Facilities Committee is to keep an eye on almost everything with a roof...things like the CH, the MM, the Gazebo, the Comfort Stations, Fitness Center and the pools, the storage sheds and Golf Maintenance buildings...are all Facilities' responsibilities. Though Bocce doesn't have a roof, it is still a Facilities area, as are the Pickle Ball and Tennis courts. But the Guard House is NOT ours! Facilities is also responsible for lighting in and on all these places. Strange but true, that the Restaurant, and Red Oak Bar are NOT Facilities items, but the lighting in those areas is under Facilities!

We actually inspect our areas, walk around and look at the siding and check out the general appearance of the HH facilities. We even take pictures to back up the recommendations we may suggest concerning the operation, maintenance, improvements, and enhancements to these buildings and we report them to the BOD and CAMP. We want our community to look beautiful inside and out every day, just like you do!

Residents often see problems or have suggestions and are welcome to contact Facilities through the HH Website. We will respond as quickly as we can. (facilitiescommittee@heritagehunt.net)

Residents themselves can report issues directly to CAMP. If you discover something that needs repair in one of our buildings, you can contact the Front Desk to report it at hhfrontdesk@heritagehunt.net. They will fill out a work order and pass it on to our Facilities manager, Kirk Wallace.

The Facilities Committee has welcomed four new members this year. Jane Kaufman, Larry Miller, Carol Kardash, and Laurie Bright.

Jane is a new resident in Heritage Hunt and looks forward to working with the Facilities Committee as they continue to keep the community a beautiful place to live and play.

Carol calls HH an "outstanding community." She has lived here for six years and hopes to contribute to maintaining and improving where we live.

Larry and his wife have been residents for two and a half years. He hopes that his experience as a contractor will bring fresh ideas to the committee, so HH will continue moving in a positive direction.

Laurie has been living in Heritage Hunt for two years. In addition to working for several residential builders, her career included 34 years as a Fed. at the U.S. Department of Justice, U.S. General Accountability Office and U.S. Army Corps of Engineers. Laurie was elected as secretary at our first meeting in December.

Other officers for 24 are Ellen Pitts as Chair, and Joy Procopio as Vice-Chair.

Facilities has an operating budget and also has funds in the reserves to repair or replace certain things on a scheduled basis. A number of exciting projects are on the calendar in 2024, in particular, bathrooms which we have been hoping to do for several years. We are also considering improvements to the Board Room, Library, and Mountain View Room, as well as hoping to provide some permanent furniture for the Blue Ridge Room and Golfers' Lobby! Another busy year coming up for sure!

Our next meeting is scheduled for January 4 at 1:PM in the Mountain View Room. You are welcome to join us!

FOOD & BEVERAGE COMMITTEE

WHERE DID THE YEAR GO?

January starts off the new year with great optimism that there will be changes in the operation and dining experiences regarding Heritage Hunt's food and beverage amenity. The Food & Beverage Committee and UTP will be responding to the surveys and focus groups to ensure quality food and service to all residents in Heritage Hunt.

The good news is that we will be starting the installation of the acoustical panels in the ceiling and walls of the bar area. The noise level in the Red Oak Bar & Grill has been a constant complaint throughout the years, so we hope that this will help to alleviate the problem and give us input on tackling this issue for the restaurant area down the road.

January kicks off winter in Heritage Hunt with the "Whiskey Dogs," a 60s, 70s, & 80s rock band playing lots of music that we grew up with at that time. Get ready to party and dance the night away. Small bites and a premium bar will be available for all.

Finally, we have Murder Mystery Night on January 28th presenting "Sour Grapes", a mystery about a wine vineyard owner who drinks his wine and dies at a banquet. A fun night full of intrigue and enjoyment especially for Heritage Hunt residents with our community surrounded by so many wonderful wineries.

The Food & Beverage Committee wishes everyone a Happy New Year.

Bob Coco, Food & Beverage Committee

GARDEN CLUB

HAPPY NEW YEAR, GARDENERS!

While you may be tempted to rake up those last few piles of leaves in your yard, those leaves may be essential to the survival of butterflies, moths, snails, spiders, and dozens of other tiny creatures. While the Monarch butterfly is known for its southern migration during Winter, most other butterflies and moths spend the Winter in leaf piles in different stages of egg, caterpillar, chrysalis, or adult. In cooler weather, butterflies use leaf litter to protect themselves from the cold and from predators.

Native bees and bumblebees also rely on leaf litter for protection. The mated queen will burrow an inch or two into the earth to hibernate for Winter. A pile of leaves provides extra protection from the cold elements. There are also other tiny creatures that live in the leaves: snails, spiders, beetles, worms, and millipedes that feed birds, squirrels, chipmunks, and amphibians during the Winter.

It is NOT too late to plant spring-blooming bulbs! As long as the ground is not frozen, you can get them in. Then during Winter, anticipate the bloom in Spring!

Our first Garden Club meeting of the year will be January 25 at 10:00 in Marsh Mansion. We will have a speaker from Leopold's Preserve. Looking forward to seeing everyone start out the New Year with garden aspirations!

GENEALOGY CLUB

The Genealogy Club will meet on Monday, Jan. 22, at 2 PM in the Mountain View Room. At our meetings, we welcome anyone who is interested in starting or continuing with learning about their family histories. Perhaps you've made

a New Year's resolution to explore genealogy research. Joining our club is the perfect first step in beginning to get acquainted with your ancestors – and make new friends at the same time.

At this first get-together of 2024, which will be informal, we will talk about topics such as:

- What was the most exciting discovery you've made in your family tree?
- What aspect of genealogy research has been the most difficult for you?
- How have you helped others with their research?
- What books have been the most helpful in your research?
- What websites have you used the most?
- Have you found unexpected matches or discoveries in your DNA results?

Genealogist Jim Bartlett has said that American ancestors from the colonial era are endogamous. This means that siblings from one family often married siblings from another family. If you have a family tree going back at least six generations, you may discover matches who are descended from both those initial families. I have examples of this in my own family tree, which has led to finding numerous matches who share the same families – and interesting online conversations.

A great website to explore is the Digital Public Library of America (<https://dp.la>). According to genealogist Gena Philibert-Ortega, this site brings together digital items from U.S. repositories, including documents, ephemera, books, periodicals, photographs, maps, etc. If you discover an item you're interested in, click on it to learn more and then click the blue button labeled "View Full Item" to see the item on the partner repository's website. This will provide more information about the item and any copyright restrictions. As genealogy researchers, we need

to be alert to those restrictions. Through this site, you may be able to learn about where an ancestor lived, his occupation, organizations s/he participated in, the family's church or religion, and historical events surrounding them.

We hope to see you at our January 22nd meeting and embark on a new year of fun-filled genealogy discoveries!

THE GIVING CIRCLE

"Unless someone like you cares a whole awful lot, nothing is going to get better. It's not," Dr. Seuss

Happy New Year!!

2024 is going to be another great year for **The Giving Circle of Heritage Hunt**, with members, former and new, caring about those in Prince William County who are less fortunate. Many are in need of food, clothing, shelter or health care. Through the giving of grants to care-giving local charities, the **Giving Circle** has and will continue to assist them in their quest to help others.

A **BIG Thank You** to all the members of **The Giving Circle in 2023!!** The year ended at the 2023 Annual Meeting and Gala in the Heritage Hunt Great Oak Ballroom. It was an opportunity for **Giving Circle** members to bond in the quest to help others.

In 2023, \$91,700 in grants were awarded to 17 local charities. Here are just a few of the comments expressed by the grantees at the October 26th grant award ceremony.

"I am beyond grateful for the support."

"Thank you for always remembering the children."

"We are all so grateful for your very generous donation. I would like to say that I think your organization is incredible. Organizations like the Giving Circle keep the dreams alive."

In 2024, our goal is to increase our member number to 200 or more, enabling us to do more for those in need. Charities seeking a grant must apply and will be vetted by the Giving Circle's Grants Committee. This committee works for months reviewing and vetting all requests. Grants recommended by the committee are then reviewed by the Board and ultimately submitted to members for comments and final approval. The finale is the presentation ceremony that will be held in October 2024. As in 2023, each charity representative will thank Giving Circle members in attendance and describe how grant dollars will be used to help those they serve.

Heritage Hunt residents who are not members of **The Giving Circle of Heritage Hunt** may contact Joanne Forrester at jmforrester@comcast.net to learn more and to join for 2024. Please consider how a dollar a day pledge (\$365 annually or more) can truly help someone in need, in our greater community.

In other news, on December 8th at the Annual Meeting, 2024 board was introduced – Chair Georgiana Ide; Vice Chair Howie McDaniel; Treasurer Vicky Yobp; Secretary Joanne Forrester; and Directors-at-large Bruce Prouty, Mike Anzilotti, and Bernie Leech.

To paraphrase the Dr. Seuss quote, caring a lot, we can make things better! By joining with the other philanthropic men and women in **The Giving Circle** you can do a whole lot towards helping those in need.

GOLF COMMITTEE NEWS

Town Halls on Re-grassing. A very sincere thanks to all participants who attended the town hall meetings on the golf course re-grassing. Participant questions were direct but thoughtful, and the Golf Committee is reviewing some suggestions raised at the meetings as the project process is refined. The general consensus seemed to be that the presentation provided a better understanding of the primary project goal to maintain a playable and environmentally sustainable course for many years to come, albeit with some initial interruption to ready access to the course for several months as the grass is installed.

Hopefully, the information has encouraged golfers to keep their membership knowing that the anticipated 8 weeks of disruption will be tempered by the very promising reciprocal play at other golf courses in the area.

Cart Tour.
160 HH Golf Cart residents took advantage of viewing our magnificently manicured golf course in November. Several had such a grand time that they went back for a second and even a third tour! The event was so successful that the next tour

has been scheduled for late summer 2024 when the re-grassing project is complete. Pictured here are June, a 6-month Heritage Hunt resident, and Ulli, a 4-year resident, soaking up the sites on their maiden trek around the course.

Maintenance Mondays – Part 2.

In addition to the advantages listed in the December Horn, the dedicated Mondays, with minimal golf play, produced the following notable results:

1. Completion of 4 of 6 phases of the bridge replacement on holes #2 and #4;
2. Uninterrupted mowing of all roughs and

fairways creating a more uniform playing surface and consistent rough height throughout the week and reducing a week's work for the crew to one day;

3. Efficient application of bi-weekly plant protection on tees and fairways without interfering with play;
4. Double mowing and rolling of greens creating firmer, smoother, and faster greens for the week; and last, but not least
5. Expedient contractor one-day completion of Phase 2 of the cart path replacement on the front and back 9's.

GOURMET COTERIE (GOCO)

Friday, January 19, 2024
Business Meeting - 10:00am
Program - 10:30am

Chef Emanuel Reta will be the speaker at GOCO's January meeting. Originating from Ethiopia, Chef Reta has incorporated a culinary style that introduces Ethiopian herbs and spices into a variety of French, Italian, Turkish,

Indian, and Middle Eastern dishes. As he shares his story of coming to America while pursuing a career in the restaurant industry, he will take us on a tour of his homeland with an emphasis on its delicacies.

Come prepared to sample some tidbits of this unique combination of cooking styles and to participate in the monthly drawing.

10:00 am in the Clubhouse Mt. View Room

Topic: Town and County Nature Walks

Speaker: Michael J Kieffer, Exec. Director of the Bull Run Mountain Conservancy

To get people to take the first steps outdoors means first meeting them at their doorstep and showing them nature where they live.

Town and Country Nature walks are designed to get people of all ages and backgrounds, especially children, outside to explore, understand and appreciate the "wild" side of their own neighborhoods and inspire interest in visiting natural places further field. This program is designed to encourage from all walks of life to gain a deeper understanding of the biodiversity in their own backyards and the importance of having a healthy natural space close to home.

Do save the date and join us to hear Mr. Keiffer explain this exciting program. Any questions about the program or to suggest other programs for the Green Neighborhood Group, please contact Kathy at kvergano@aol.com or brooklynJoan@comcast.net

HAPPY 65TH ANNIVERSARY

STARON 65TH

Bonnie and Larry Staron recently celebrated their 65th wedding anniversary with a family vacation at Lake Anna. The celebration included their 3 children, their spouses, and 8 grandchildren. So much has happened in the 65 years since they took their vows at St. Camillus Church in

Chicago! They moved around a bit before settling down in Virginia where Larry worked for the Federal Highway Administration (and predecessor organization, Bureau of Public Roads) for over 30 years. After retiring in 1991, Larry and Bonnie often traveled abroad and enjoyed cruises with their ever-expanding family. They moved to Heritage Hunt in 2001 and between forging friendships with those in their new community for these past 22 years, they have also hosted all their children and grandchildren for countless Sunday dinners, birthday festivities, and holiday celebrations! If you see Larry and Bonnie out and about – be sure to wish them Happy Anniversary!

HAPPY 95TH BIRTHDAY

Birthday Wishes to One of a Kind, Art Moscatello!

Though humble beginnings, you never complained. With hard work and effort, successes you gained!

A talented artist, a dancer with flair, a wonderful father who showed us great care.

I fondly remember our neighborhood walks, the songs we made up, and our many talks...

Through the good times and bad, the fun that we've had, I am grateful and proud to call you my dad! - Lisa

HAPPY 95th!
YOUR FAMILY LOVES YOU VERY MUCH!

HH LITTLE THEATER

Welcome to 2024! We have said farewell to 2023 and are looking forward to a new and wonderful year. Who knows what the year will bring—if it is anything

like 2023 it'll be a mixed bag! But we know there are a few things we can count on and one of those is the joy of sharing fun with friends. That is exactly what Little Theater offers.

Medical experts believe that a good laugh can do great things for your health, like lower blood pressure and relieve anxiety. HHLT offers a lot of fun, enjoyable, and enriching programs from improv games to humorous skits to our twice-yearly productions. Come and join us for our monthly meetings on the third Friday of the month, at 7 pm, at the Marsh Mansion. Next meeting is Friday, January 19, 7 pm, at Marsh Mansion. We will learn all about our next production entitled Hogwash, a very funny play by Barbara Pease Weber. Auditions will be later in January. Contact Sally Peterson (scp211@aol.com) or Andy Mays (amays53@aol.com) if interested in auditioning.

AGING IN PLACE CONVERSATIONS...

with Wayne Mitchell

Managing Appetite Loss in Seniors

Have you noticed that your aging loved one doesn't seem to enjoy their favorite foods as much as they once did?

- **Are they turning into picky eaters?**
- **Maybe they've lost all interest in food**

Appetite loss is a common symptom of aging. However, a decreased appetite can lead to health problems and can even point to other health issues in older adults.

- **Causes of Appetite Loss in Seniors**

A lack of appetite can be different factors. Maintaining good nutrition is still crucial for overall health. So, it's important for you to help ensure your loved one receives proper nutrients.

- **Signs of Decreased Appetite**

At first, you may not notice changes in your loved one's eating habits. Managing appetite loss in seniors requires patience, creativity, and a personalized approach.

For more tips and detailed information on managing appetite visit us online at: www.caringseniorservice.com/blog/managing-appetite-loss or scan the QR Code below with your cellphone camera.

Wayne Mitchell is the co-author of Aging In Place Conversations, What industry experts have to say, available on Amazon, and Board of Directors member of the National Aging In Place Council. Wayne lives locally and is the owner of Caring Senior Service located in Gainesville. They provide award winning in-home senior support and voted "The Best" Senior Care Agency for 5 years in a row, and 5 Google Stars. If you have questions please reach out to Wayne at 571-222-5050.

LSTV

KEVIN CONNIFEY HIGHLIGHT

Before I start, I have to say that LSTV has some of the smartest, most educated people I have ever met. For that reason, there is some trepidation when Mary taps us on the shoulder and says, “you’re next”.

My wife and I arrived in HH in June of 2021. We lived in the same house in Chantilly Va. for 32 years.

Born in 1953 at Georgetown Hospital, Washington DC. (Yeah, I’m a local!) My father was a career State Department, I.E., CIA man. My four brothers and I had the incredible benefit of living overseas in places like Cypress, Okinawa and the Philippines. I like to think of that time as having to make friends fast, and then do it again every 2-3 years.

Growing up like I did gave me a penchant for being comfortable around people, which lent itself to an amazing sales career. Lots of highs and some lows, but many opportunities to see and do some incredible things. We didn’t really spoil our two wonderful kids, but they thought everyone flew first class and they had a chance to swim with the stingrays. My wife and I have had a wonderful 44 years together.

Kids. My son is project manager for a local company called Bowa that does high end renovations. He is the father of two of the smartest, most beautiful granddaughters in the universe. My incredible daughter is the General Manager for a Commercial Real Estate Owner and Operator called URG in Denver Co.

When I retired, a smart money guy told me I should find something bigger than myself going forward. I started Interview Practice Group, helping people get back on their paths after suffering through the, “crushing weight of unemployment”. Now after (7) years I have (376) notes, emails, texts and in person thank you’s from people for helping them regain the confidence to interview successfully. Outside of family, it is the most impactful thing I have done in my life.

I am now part of a wonderful community in general and LSTV in specific. I am constantly surprised that they allow me to come to their meetings. It is these 14 people that make sure every committee meeting and every concert and most events happen. We all get to be part of just about every meeting that happens in our community. For example, walking out of the last Golf Committee meeting, a man next to me said he wasn’t aware they were going to do that. I told him I knew it was going to happen 4 months ago. LSTV.

HH has some very smart people here from all walks of life, legal, finance, engineering, business. Sometimes sitting in the back of the room with LSTV, I wonder what these people are doing with their brilliance. We have a handful of issues at HH that could be resolved if some of these smart people lent their experience and broad scope of knowledge to solving “our” issues. For example, I know there are some resident businesspeople here that have dealt with “lagging sales” and fixed it.

LSTV is a little bit of work, but the benefit is we get to meet many members of our community and we are up to date with just about everything that happens in our wonderful community. And I can attest, you don’t have to be the sharpest knife in the drawer.

Mary Collins
Light, Sound and Television (LSTV)

Thank You

The Heritage Hunt Pickleball Club, on behalf of House of Mercy, would like to thank the entire Heritage Hunt Community for being so generous with your time and treasure to make the November 16th community-wide food drive a success. The residents of Heritage Hunt once again have shown how charitable they can be when it comes to helping those in need. A special thanks goes out to the selfless group of volunteers made up of Heritage Hunt Pickleball Club players and friends that ensured that the four hour donation process at the Marsh Mansion went flawlessly. House of Mercy was thrilled with the 2100 lbs. of food and \$4,700 that we delivered to their Director, Jessica Root. Your donations, both food and monetary, helped provide Thanksgiving Dinner to an average of 50 food insecure families (over 2000 individuals!) who visit the food pantry per day. House of Mercy provides food and clothing to our entire community regardless of location, religion, nationality etc. That's why they REALLY APPRECIATE the Heritage Hunt Community so much!

If you wanted to donate and couldn't make it on the 16th please feel free to deliver your food or monetary donation to 13955 Real Quite Court in HH. There's a storage box, used to collect empty egg cartons year round for HOM, on the porch for contact-less drop off. It is checked frequently. These additional donations would help House of Mercy meet their goal of providing holiday dinners to as many of their food insecure clients as possible.

THANKS AGAIN!!

Chris Bosco , November 16th Community-Wide Food Drive Organizer

A most heartfelt appreciation to our very kind Heritage Hunt neighbors from the HH Chapter of MOAA. The Toys for Tots campaign was a wonderful success as donation boxes overflowed with a variety of toys for all age groups. Because of your caring generosity, hundreds of area children experienced the loving joy and excitement of the holiday season. What a great thought to kick off the new year! Thanks again.

MUSIC CLUB

MUSICIANS WANTED

Currently there is a group within Heritage Hunt consisting of musicians (all levels) who meet quartely and perform for each other. This is an informal group which is looking for new members. We even have a spin off group now which has played at some HH events. If you have played an instrument in the past or are still playing at this time, we would love to have you join our group. Call or text if interested.

PHOTOGRAPHY CLUB

WINTER PHOTOGRAPHY

Photographing winter scenes can be a breathtaking and rewarding experience. The cold and crisp air, the glistening snow and ice covered objects create

endless opportunities to capture stunning images. Whether you're in a snowy forest, a frozen lake, or a charming winter village, there are several key tips and techniques to keep in mind.

First, it's important to properly prepare yourself and your camera for the cold. Winter photography spending longer periods of time outside, so make sure to dress warmly and in layers. Remember to protect your camera too; cold temperatures can drain the battery quickly, so always carry spare batteries and keep them warm in your pockets. Additionally, condensation can occur when moving your camera between the cold outdoor and warm indoor temperatures.

To prevent this, seal your camera in a plastic bag before moving indoors, allowing it to slowly adapt to the warmer temperature.

When photographing winter scenes, it's essential to pay attention to the lighting conditions. Winter light can be soft and diffused, especially during overcast days. Take advantage of this gentle light by photographing landscapes, trees, and other natural elements. Golden hours, the moments just after sunrise and before sunset, are particularly stunning during winter, as the low angle of the sun casts long and warm hues across the snow. Be ready to capture these moments, as they offer eye-catching compositions.

Contrast is another key aspect of winter photography. The bright white snow against darker elements, such as trees or buildings, can create a striking contrast that adds depth and visual interest to your images. Look for areas where the sunlight casts shadows or where the light hits the snow in unique ways. These contrasting elements can make for captivating scenes.

Composition plays a crucial role in any photograph, and winter scenes are no exception. Explore different angles and perspectives. Experiment with leading lines, such as a winding snowy road or a row of trees, to guide the viewer's eye. Incorporate elements of scale by including a person or object in the frame, emphasizing the vastness of the winter landscape. If you have an ice storm, look for the reflections and refraction of light in the ice, especially at night. Additionally, look for patterns and textures in the snow or ice, such as footprints or frost on a window.

Lastly, experiment with different camera settings and techniques. Shooting in manual mode allows you to have full control over the exposure, giving you the flexibility to capture your intent. Additionally, try using a slower shutter speed to capture falling snowflakes or ice crystals, creating a sense of motion. Alternatively, a faster shutter speed can freeze action and capture minute details in the snow or ice.

Heritage Hunt Photography Club (HHPC) is a group that love learning about taking, processing and appreciating photographs. We range in skills from phone camera snappers to professional photographers. All are welcome. Check the Horn for info about meetings and events.

HH CHAPTER OF THE AMERICAN WINE SOCIETY

Happy 2024! We're kicking off the wine club new year with an important update – in 2024 our meetings are moving to the third Tuesday allowing for easier staffing of our events. Other event details, including program start time, remain the same.

We closed out 2023 with a very well attended November annual meeting where members reelected the current slate of board officers for the 2024 term. President: Bill Hoyle, Vice President: Tony Grayson, Secretary: Maxine Sachs and Treasurer: Mary Dellinger. Anne Burns and Bob Moe lead Programs, Amy Howard and Candace Moe lead Membership and Jacki Tessmer will manage Communications. Anne and Rob Coulter have generously volunteered to continue coordination of member post-event wine orders.

An excellent six course Austrian themed food and wine pairing followed the November business meeting, with an informative presentation provided by Austrian Sommelier and Importer Klaus Wittauer. The Austrian wines were exceptional, and the Grüner Veltliner Sekt is likely the sparkling wine poured at many member's holiday celebrations!

Our next event is on Tuesday, January 16 and will feature owner/winemaker Jason Murray of Arterra Wines in Delaplane. Jason is known for his exceptional attention in the vineyard, the use of only native yeast for fermentation, neutral oak, and no additives. Arterra produces clean wines that are a true expression of their Virginia terroir. Membership will email registration information in early January. If you do not currently receive our emails, drop a note to HeritageHuntWineClub@gmail.com and we'll be sure to get you on our list. Non-members can attend up to three meetings before being required to join AWS, providing a great opportunity to learn more about our club.

And mark your calendars now for our February 20th event, our popular Tuscan wine tasting with Tenuta Torciano. This event always "sells out" and is only open to members of the American Wine Society who have renewed their membership and paid the local chapter dues. If your membership hasn't auto renewed or you have not yet joined visit <https://members.americanwinesociety.org/page/joinnow> to renew.

Ring in the New Year with the HHWO

Business Meeting, Program & Luncheon
Tuesday, January 9th at 10:00 am in the
Clubhouse Ballroom

Do you know

- That the US had a "Listening Station" during WWII and the Cold War right here in our backyard?
- That women and men were both stationed there to intercept enemy communications?

Mike Washwill, who was stationed there from 1983 to 1984 and currently volunteers for the Cold War Museum will share the fascinating history of the Vint Hill Farm Station and the role it played in signal intelligence and electronic warfare.

HERITAGE HUNT WOMEN'S ORGANIZATION (HHWO)

The Christmas season is so fleeting; however, everyone admits that it is so beautiful and magical while it lasts! The month of January is named after the Roman god, Janus, who had two heads – one looking backward and the other head looking forward to the New Year! January 31st was added to this month by none other than Julius Caesar.

JANUARY PROGRAM

Our January speaker is Mike Washvill, the Executive Director of the Cold War Museum in Warrenton, Virginia. In 1996, Frances Gary Powers, Jr. and John C. Welch founded the Cold War Museum to preserve the Cold War history, honor Cold War Veterans, and educate today's students about this tumultuous time period. There are two fascinating books to read, *The Woman Who Smashed Codes*, by Jason Fagone, and/or *Code Girls* by Lisa Mundy, providing a wealth of information on women codebreakers serving in WWII. Do you think any of them ran into James Bond????

The Lunch Ladies have started the New Year with a delicious lunch. The appetizer is a mini quiche, followed by a buffet of icebox salad, biscuits, meat-loaf, and mashed potatoes with gravy, peas, and carrots. The dessert is a blondie brownie Napoleon with chocolate mouse and whipped cream.

COMMUNITY DONATIONS

During this past holiday season, the HHWO was able to support fourteen families in our local area who were in need of our help. These families received gifts of clothes, toys, and Walmart gift cards making their holiday very special.

Last month Sue Hamilton working with Sarah Tyndall, Executive Director of Boxes of Basics, delivered over 1,000 articles of clothes donated by our HHWO members and others in the community for disadvantaged children who are now able to attend school without being ridiculed for their clothing.

I hope you and yours have a very happy and prosperous New Year!

FINANCE Q&A:

Sponsored by: Godsey & Gibb Wealth Management

Q: HOW DO I AVOID FALLING VICTIM TO FINANCIAL SCAMS?

A: Financial scams are on the rise each year, with the holiday season being one of the most active times.

WHAT ARE 5 OF THE MOST COMMON SCAMS?

Government Impersonation Scams: These scams often involve a scammer contacting you by phone, text message, or email and claiming to be from a government agency such as the IRS, Social Security, Medicare, or the FBI.

Sweepstakes/Lottery Scams: In these scams, you will be contacted and told that you won a prize, but there is a catch. In order to claim your prize, you may be asked to provide financial information or payment under the guise of taxes and other fees.

Robocall/Phone Scams: Robocalls take advantage of technology to call thousands of phone numbers at one time, often using local area codes. These calls may sound realistic, like claiming to be from your car "warranty department" or from Amazon.

Computer Tech Support Scams: In these scams, scammers will call claiming you have a problem with your computer and ask you to pay for a solution. They will then ask to gain remote access to your computer to resolve the problem and try to steal your personal and financial information.

The Grandparent Scam: In this scam, a criminal will call a victim and pretend to be their grandchild needing help. They will then pass the phone to another scammer posing as a lawyer or police officer demanding immediate payment.

ANITA ARLENE DENGER

Anita Arlene Denger (Christie) of 13668 Heritage Valley Way passed away on November 27th after a long illness.

Anita was born on December 7, 1943, to Alvan and Lillian Christie in Brooklyn, NY.

Anita graduated from John Adams High school in 1961 where she met her husband, Robert. Anita continued her studies at Long Island College Hospital (LICH) to achieve her nursing degree. After graduating as an RN, Anita worked at Johnson City Hospital in upstate New York. She later moved to Seaford, Long Island where she enjoyed boating, water skiing and evening dinners on the boat watching the planes land at JFK airport. Anita then became a school nurse at a local elementary school where she retired from after 30+ years.

Anita is survived by her husband, Robert L. of 59 years of marriage; son, Robert (Stacy) Denger; daughter Lynn (Dan) Heick; 5 grandchildren, Jeffrey, Amanda, Meghan, Ryan, and Kayla; 1 great grandchild, Cooper, and brother Warren (Dorothea) Christie.

In 2006 Anita moved to Gainesville, VA to be closer to her grandchildren. Anita enjoyed socialization and was part of the Heritage Hunt Women's Organization as well as a Couples Club on Long Island NY. She especially enjoyed spoiling her grandchildren, shopping, reading, and traveling. May she now rest in peace.

LINDA T. MILLER

Linda T. Miller, 83, passed away peacefully at her home on November 28, 2023. She was born on June 24, 1940, to the late Aubrey and Marie Thomas.

Linda, also lovingly known as "Grannie" by her 8 grandchildren, was predeceased by her parents, her older sister and brother-in-law (Betty and Pete Ellis), her youngest brother (Aubrey Thomas, Jr.) and her niece (Vicki Ellis Trevillian).

She is survived by her loving husband of 64 years, Larry Miller; her younger brother, James Thomas; her children, Katherine Eppley (Eric), Karen Campbell (Richard) and Jennifer Showalter (Sheldon); and her grandchildren, Brett Eppley (Brooks), Carter Eppley (Emily), Elizabeth Campbell, Clara Campbell, Alice Campbell, Sydney Showalter, Logan Showalter and Mason Showalter. She is also survived by many nieces and nephews and extended family members.

Linda was both fierce and gentle. She fiercely loved the Lord Jesus and her family, devoting herself to serving the Lord, her church and family – both immediate and extended. Helping others with her God-given gifts of hospitality and a servant's heart filled Linda with joy. She was known for her cooking and baking skills and for hosting wonderful events. Sending plates of cookies and baked goods at holiday times to neighbors was one of her favorite things to do. She loved selecting and growing flowers. Seasonal decorating was another fun-filled hobby which resulted in beautiful floral arrangements and landscaping. Linda was a caring friend and neighbor. She was known by

many for her generosity and support in difficult times. Any time she could see a way to help someone, she did her very best to jump right in and do what she could. "Prayer warrior" is another way to describe Linda. She prayed often for every member of the family, her friends and community.

Linda and Larry first met in 1956 at a church youth event. She was 16 years old when they started dating shortly after that first meeting. By the spring of 1958 they were engaged and married on October 17, 1959. Their first home was in Richmond, VA. Soon afterwards, they moved to Blacksburg where Linda earned what Larry calls a "PHD" (Putting Hubby through college Degree). Linda worked as a secretary until Larry graduated from VT in 1962. Then they moved 27 times in 21 years in the US Air Force, retiring in Fairfax, VA. Later on, in December 1999, they settled in the Heritage Hunt community in Gainesville, VA, where they actively served their church and spent time with their children and grandchildren.

Linda enjoyed the Clubhouse and Marsh Mansion and having family join in the events/special meals at the main Clubhouse. She delighted in the special music when having dinner at the Clubhouse and also was a member of the Bible study which met at the Marsh Mansion. She and Larry participated often in the block parties/picnics in the summer time.

In lieu of flowers, donations may be made to Samaritan's Purse, which was one of Linda's favorite programs to support.

FEELING DIZZY? YOU'RE NOT ALONE!

Do you ever feel like the room is spinning even when it's not? Well, you might be experiencing something called benign paroxysmal positional vertigo, or BPPV for short. It's actually the most common cause of vertigo.

And here's a surprising fact: In people over 65 years of age, BPPV is responsible for an estimated 30% of cases of dizziness.

But, there's good news! Our physical therapists are experts in BPPV, resolving 90% of cases in 1-3 treatments.

If you've been experiencing brief episodes of vertigo associated with change of head or body position, there's a good chance you have BPPV. And, there's a good chance we can help!
