GENERAL MANAGER'S MESSAGE

MAINTAINING THE COMMUNITY IN 2024

Although the majority of the day-to-day operations are delegated to, and performed by, the management teams, the responsibility of oversight of all aspects of the operations of the community ultimately falls on the Board of Directors. This of course includes:

- Maintenance of the facilities
- Fiscal Management (including budget planning, collections, and investment planning)
- Risk Management and coverage
- Covenants and Rules Enforcement
- Reserve Planning
- Architectural Review and Compliance
- Resident Services

One of the most important responsibilities the Board has, in addition to providing services for the Residents, is ensuring the community is well maintained, which in turn can have a significant impact on property values. Deferring necessary maintenance and repairs will have an aesthetic effect on the beauty and curb appeal that attracts potential Buyers. In that effort, the Board of Directors has engaged the assistance of a professional engineer to recommend when major components should be addressed. Some of the projects on the approved schedule for 2024 include:

- Continued Clubhouse Interior Renovations (phased)
- Continued replacement of walking trails (phased over 3 years)
- Outdoor pool maintenance
- Golf Course turf renovations
- Indoor pool maintenance
- Pickleball courts coating
- Asphalt road maintenance (phased)
- Fitness Center exterior maintenance
- and much more!

Working together with Management and the volunteer committees, the Board will be making every effort to ensure the community is receiving the best value in services and goods, through close monitoring as well as careful spending, to ensure the money decisions being made will benefit the community in terms of property values and overall lifestyle, and that Heritage Hunt will continue to be a community that is in high demand so that

everyone can continue to enjoy the prosperous success that the community has achieved through the years.

JUNE BOARD BRIEFS

Welcome to summer!! We hope that June gives us the same great weather that May did and as we are really ½ way through 2024, let's review where we are and what's coming up.

First off, we did hire CulinArt as the new Food & Beverage Service Provider. The plan is for them to start 7/1 and we are all gearing up for that date. If there will be any delays in service or certain food/beverage areas we will notify the community and work toward a start date. CulinArt is very excited to be here and there will be a Community meeting to introduce them to Heritage Hunt residents.

As regards to the Golf amenity, the Board has a report from the Golf Course Consulting firm GGA and we are setting up an RFP to go to vendors that have been recommended to us. The current vendor UTP will be bidding but to ensure the regrassing project goes on as planned, we have set up a "bridge" contract with UTP for 6 months to make sure that the new grass, as well as all other needed golf course maintenance work and golf course play, is maintained. Updates on the golf amenity will be forthcoming as we have details to share with the community.

We did have two May focus group sessions on improving communications. We thank Mary Foster and all the volunteers for their work. A Town Hall on this topic with proposed action items is in the planning stage and a date will be announced. The meeting will be broadcast and recorded to allow more residents access to the information.

Master Plan Phase 1 parking lot expansion. We felt that we were moving along quite well on this project and could start some work this fall. However, PWC did change some guidelines within the last 2 months and if we could not start by June 30, which we were not prepared to do, then we have to go back, review what they want and see where we are. Therefore, the Board feels we should put off any start on parking lot expansion until 2025 and make sure that we comply totally with PWC codes and guidelines. What we will do as of now is, along with management and the Grounds Committee, start repaving our side roads. Our main roads will be worked on when PWCSA is totally finished with the new pump station and 24" force main work. Their plan (and our hope) is early to late August.

Also our new Point of Sales System is up and

running with the new Website coming along. Yes there have been hiccups but that can happen. Management, Virasec (our tech support), Jonas (POS provider) and Membersfirst (website provider) are all working and will be working on any issues that arise from a changeover of systems.

So all and all we are moving along almost exactly as planned. The Board and Management will make sure that the Community is advised on the status of all these projects promptly. Questions to the Board can be sent to boardofdirectors@heritagehunt.net or come to any Board meeting and speak to us in person.

The following resolutions were reviewed at the 4/25 Board Meeting. Due to Horn publication dates, they are appearing here a month late. For a faster update check the HH website as Board minutes as minutes are posted within 2 weeks of any meeting.

- Approved added funding in the amount of \$67,000 to allow the re-plastering and other needed repair work to the outdoor pool by Continental Pools.
- Approved the write off of an uncollectable Club account in the amount of \$210.51.
- Approved revisions to Administrative Policy # 9, Procedures relative to the use of Credit Accounts by Owners and Non-Owners.
- Approved maintenance contracts to LP Roofing to do needed work on the Marsh Mansion slate and flat roofs from reserves.
- Approved maintenance work (repairs and color coating) to the Marsh Mansion Pickle ball courts by Bishop Tennis from reserves.
- Approved adjustments to the Repair and Replacement Reserves and Road Infrastructure Reserve. The changes will be used in the level 2 reserve study scheduled for this summer.
- Approved the issuance of an RFP to purchase and install a shed for the storage of medical equipment at the Golf Maintenance Building.
- Approved issuance of an RFP for additional concrete and drainage repairs at the Bocce courts.
- Approved the use of a delineated map as a guideline for mowing operations and responsibilities by the Grounds and Golf contractors.

Kathy Vergano HOA Board President

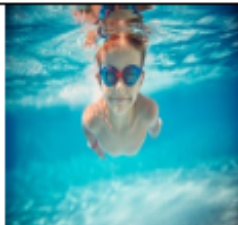

Pool updates from the Facilities Committee for 2024

We hope you will forgive us, but due to the repairs and confusion around the pools and timing of opening, etc., Facilities has decided that it is best to postpone the promised resident survey of hours and rules until 2025, when we will have two pools to consider! The situation with only one pool available has limited our options for hours for guests under 18, as well as for all of you, but we have tried our best! CAMP requested that we end the hours for guests under 18 on the half hour, because the new lifeguards will blow the whistle and empty the pool at 45 minutes after each hour. So, you will notice that in several situations, the hours for children under 18 do end on the half hour as requested.

Ordinarily, on Monday thru Saturday, guests under 18 are welcome between 10:00 and 1:30. The Special Event on the Sunday of Memorial Day weekend has a 2-hour break in the middle of the day to allow time for the those under 18 to eat lunch on the Knoll, and then have pool time again. Other Special Hours are for guests under 18 are listed for National Holidays and other unusual circumstances, and regular Sundays are 3-5:30.

Policy Resolution 10 is where you can find the rules for using the pool. We ask you to please read them and abide by them to make using the pool pleasant for all. Rules for Timing for **Music at the Pool** can be found in Appendix A, item #3. It states music hours as "4:00 until closing, Monday-Saturday." However, if enough residents request more hours, the time can be expanded. The Managing Agent (CAMP) is the responsible party, and the music itself will be turned on or off by whomever is designated as responsible, in this case, the lifeguards. Please remember that saving seats and tables is against the rules. First come, first served is the policy. **FINALLY: You must sign in all guests, and also remain with your guests under 18 at all times!**

COMMUNITY COMMUNICATIONS

NEW HERITAGE HUNT WEBSITE

On May 28, HH launched its new website.

We are very excited about this new initiative and encourage you to take a moment to look around the site and get familiar with its many valuable features and functions by visiting <https://www.heritagehunt.net>

In order to login to the website for the first time, please follow these steps:

- The first step will be to obtain your username. In order to do so, please be prepared with your member number and email address tied to your member account. Should you have any questions on your member number or email address, please contact the HOA 703-743-2000 opt. #4 or email adminassistant@heritagehunt.net

Some of the things you can expect to find online on the new website include:

- Timely news and announcements about meetings, developments, and planned activities.
- A community calendar that will allow you to register for special events and programs that have been developed for your enjoyment.
- Your club account statements.
- The member directory.
- Online dining reservations, to include curbside and takeout.
- Online Bocce reservations.
- The ability to update your profile in order to receive timely information.
- Contacts for CAMP, Golf Management and Food & Beverage Management.
- Important HOA documents.

The launch of the new website demonstrates the Board's belief and commitment to communication as a key to developing strong member relationships and continuing to building a vibrant member community at Heritage Hunt.

ATTENTION NEWCOMERS

All residents are invited to this casual social gathering at the Blue Ridge Room in the Clubhouse, June 19th, 5:00-6:30 p.m. and we're especially calling out to Newcomers to Heritage Hunt!

Get to know your neighbors, make new friends, and hear about activities in our wonderful community. Want to know more about bocce, pickleball or golf here in HH? What about the Little Theatre group? There are so many activities to enjoy here at HH and this is a great opportunity to either share your knowledge with a newcomer or to learn about them.

Drinks will be available for purchase with your HH account or a credit card. You can also join some of us afterwards for dinner at the clubhouse restaurant...no reservations needed.

If you can't make it this time, join us on the third Wednesday next month.

RESIDENT FORUM

Monday, June 4th. 7:00pm
Clubhouse Ballroom

On November 10th 1943 on a small farm in Northern Virginia, a series of events started which would change the course of World War II and world history.

Did you know that the US had a “LISTENING STATION” during WWII and the Cold War right here in our backyard? That women and men were both stationed here to intercept enemy communications?

Find out how a simple barn on a farm in Fauquier County, Virginia, thousands of miles from the front lines, played a secret role in the Allied victories on battlefields around the world. Learn how the road to the Operation OVERLORD D-Day invasion in Normandy actually began 7 months earlier here in Virginia

Signal Intelligence, Codebreaking and Deception come together to allow the Allies to mount a successful amphibious invasion against a numerically superior enemy in defensive positions on D-Day, June 6th, 1944.

Mike Washvill was a US Army Electronic Warfare Technician. He attended the US Army Intelligence School at Fort Devens, Massachusetts. He was assigned to the First Armored Division in Europe. In 1998 he received a BS from George Mason University in Electrical Engineering. Mr. Washvill is a volunteer in the Cold War Museum in Vint Hill. He lives in Springfield, VA.

BLOOD DRIVES

The blood drives for 2024 have been very successful. It seems that both we in HH and the Red Cross have ironed out all the kinks and our blood drives are running very smoothly now. The April 8, 2024 drive was very well run, no long waits, and awesome staff. We had a goal of 44 for this drive, with 40 donors signed up.

As of April 30, 2024 our community has held 51 total drives, collected 1,556 units of blood, registered 234 first time donors and currently have 1,740 donors in our HH database. Our average goal is 39. Goals are set by the Red Cross according to staff available for each drive. Thank you so much to our generous HH donors who always exceed the goals for each drive. Our community is beyond generous and very much appreciated by the Red Cross.

I look forward to seeing all of you at our upcoming drive on Monday, June 19, Noon to 5 pm. I urge those of you who have not donated before to join us this year. It is a most rewarding experience to know that you are actually saving lives. Please schedule an appointment now. Call or text: Pat Phillips at 571-236-8260, email patphillips642@comcast.net or Willard Scott at 703-483-1915, email willardscott@comcast.net.

HH CAR CLUB NEWS

Cars give us a sense of freedom and adventure on the open road. Quotes from car pioneers, Henry Ford, Enzo Ferrari, Sir William Lyons, showcase the innovation, passion, and elegance that continues to drive the automotive industry forward.

The Heritage Hunt Car Club is a fun and dynamic organization. Our club does not have a focus on classic cars nor any specific make or model. If you like cars, you will like our club as we welcome all car (and truck) enthusiasts! Mark Hopkins, the Club's President says, "If you have 4 tires and a steering wheel, join us, and rev up your engine." The CC meetings are the second Thursday of each month from March through September in the Mountain View Room of the Clubhouse from 5:30 p.m.-6:30 p.m.

At our meetings, we discuss the upcoming events each month and also identify the Car of the Month. The May Car of the Month was Mary Beth and Alan Hemer's indigo blue XF Jaguar. The Hemers' are consummate Jag lovers. As Alan remarked at the meeting, "from our first 1986 well-used Vanden Plas, we have moved with the Mark. Over the years, we have had car show winners, as well as commuting to work Jags. Through the years, we have defied the European Ban on hood ornaments by installing a 'Leaper,' as a birthday present to Mary Beth. Another birthday present for Mary Beth was having body stripes complete with a 'Leaper' on the rear shoulders of this head turner Jag that is Concourse d'elegance ready." Each Car of the Month owner receives a certificate and a gorgeous framed oil painting from the most talented artist, Kerin Vark, the wife of CC's Vice President Doug Vark.

The annual HHCC Residents' Car Show at the Marsh Mansion parking lot is set for Saturday, June 1st. At the Show, we will also use this as an opportunity to collect can goods and other non-perishable items for the Haymarket Regional Food Pantry. On June 23rd, the CC is planning an excursion to the Bealeton Flying Circus. For more info see: <https://heritagehuntcar.club/>

The sound of my purring Jaguar engine beneath me is truly invigorating!

COMMUNITY ADVOCACY GROUP

June 27th at 4 PM in the Clubhouse Craft Room.

The mission of the group is "to inform and interact with Heritage Hunt residents on issues where civic engagement is essential." If you've got an issue that pertains to the betterment of our community, come and leverage the voices of sympathetic residents to elicit positive action. Opinions expressed will represent those of individual residents and do not reflect the views of the Heritage Hunt Homeowners Association.

Stop by for a lively discussion.

CROSSROADS CONNECTION

Crossroads, founded in 2010 in Heritage Hunt, has successfully supported 390 local students at elementary, middle, and high schools for many months now, up from 300 in January 2024. The weekend food ties the kids over until Monday's school breakfast is served. It's hard to conceive of food insecurity when we ourselves have our pantries, refrigerators and freezers well stocked! The food insecure families may be limited to one earner as daycare costs can far exceed the additional potential pay for a second adult. It's a struggle to make ends meet and having enough to eat is critical to a child's health and future.

Thanks to grants, donations, food drives and the support of Shepherd of the Hills Lutheran Church plus other churches in our area, Crossroads continues to provide food relief. The Church of the Latter Day Saints has just completed a large food drive but exact donations have not been quantified as of this article. The April 2024 Regency Women's Club Charity Golf Outing has committed funds to both Crossroads and Willing Warriors.

Not only have churches and community organizations supported Crossroads. We also have individual who have volunteered their efforts at seeking grants. Additionally, professionals who have employment ties to local publications like magazines, have offered to write about Crossroads and provide visibility to the non-profit. These are both great ways to support Crossroads!

If you have time to volunteer, or wish to donate, please log onto our website—and thank you!

EMERGENCY PREPAREDNESS COMMITTEE

HOW DO WE BEAT THE HEAT SAFELY?

We begin with safety and safety begins at home. First, as you head into the heat to grill, take a few minutes to check that those fire extinguishers for your grill and in your kitchen are still in the green range. Second, as you look around outside, do you see a Knox Box mounted on your garage or front door? No, been putting off getting a Knox Box. Now's the time to grab that Knox Box flier at the front desk and learn how to order one so that First Responders can reach you quickly when a heat related medical emergency leaves you incapacitated.

Speaking of our First Responders, how do we thank them? By inviting all three shifts to join us for brunch. Heritage Hunt was able to show our appreciation to each of the shifts during the last few months. So once again we got to view their respond equipment without it being a "Life or Death" situation.

So how do we beat the heat safely? Heat waves occur every summer, but an extreme heat event happens when the temperature is more than 90 degrees and there is high humidity for at least two or three days. That kind of heat can be dangerous, particularly for us older adults here in Heritage Hunt. In fact, extreme heat is responsible for the highest number of annual deaths among all weather-related hazards. So, how do you stay cool when the heat is on?

Try these tips:

- Do not use electric fans when the temperature outside is more than 95 degrees. You could increase the risk of heat-related illness. Fans create air flow and a false sense of comfort, but do not reduce body temperature.
- Find an air-conditioned location, like the Clubhouse or Marsh Mansion, to cool off especially when engaging in outdoor activities like Golf, Pickleball, Tennis or Bocce.
- Check on yourself, family members, and neighbors for signs of heat-related illness.
- Never leave a child, adult, or animal alone inside a vehicle on a warm day.
- Wear loose, lightweight, light-colored clothing.
- Drink plenty of fluids to stay hydrated.
- Avoid high-energy activities.

Extreme heat exposure can cause severe illnesses. Here's what to you need to know:

Heat cramps. Signs of heat cramps include muscle pains or spasms in the stomach, arms, or legs. If you see signs of heat cramps, go to a cooler location.

Remove excess clothing. Take sips of cool sports drinks with salt and sugar. Get medical help if cramps last more than an hour.

Heat exhaustion. Symptoms include heavy sweating, paleness, muscle cramps, tiredness, weakness, dizziness, headache, fainting, nausea, and vomiting. If you have signs of heat exhaustion, go to an air-conditioned place, and lie down. Loosen or remove clothing. Take a cool bath. Take sips of cool sports drinks with salt and sugar. Call your health care provider if symptoms get worse or last more than an hour.

Heat stroke. This condition is more severe than heat exhaustion and is life threatening. Call 911 or get the person to the hospital immediately if they show these signs: body temperature over 103 degrees, red, hot, and dry skin with no sweat, rapid pulse, dizziness, confusion, or unconsciousness. Visit ready.gov/heat for more information on keeping cool during hot summer months.

FINE ARTS GROUP

CALLING ALL CRAFTERS/ARTISTS

The Heritage Hunt Day of Arts & Crafts on Saturday, July 13, 2024 from 10 a.m. to 2 p.m. is an opportunity for our talented neighbors to showcase their designs from: artists, crafters, quilters, photographers, woodworkers, knitters, crocheters, woodcarvers and more. For those who sign up to participate, they can display and sell their creations at their homes in the location of their choice—driveway, garage, sidewalk or home.

Very important.....All items displayed must be the original work of the resident.

If you wish to display and sell your ORIGINAL art simply fill out a form, available in the Clubhouse. If you have a question, contact Barbara Goldman, chair of the event at: goldmanbs@gmail.com or call 412.805.6888.

Signups end on July 10th. A list of participant's homes will be available, in the Clubhouse, a few days before the event.

FACILITIES COMMITTEE

FINISHING TOUCHES

So many things to enjoy in our (almost) finished lobby! Beautiful furnishings, all coordinated.. and VERY comfortable, plus lamps, tables, and accessories make it feel just like home!

The centerpiece of the sitting area is a canvas watercolor triptych with soft touches of blue, orange, red, and yellow in a natural floating frame chosen by Joy Procopio and Jane Kaufmann. Thank you both for hanging in there! (And thank you to Terrance from CAMP for so patiently hanging the panels!)

Facilities has a \$2000 budget for Seasonal Decorations set aside to provide fresh flower arrangements every few weeks. Doug Burroughs at the Flower Gallery has created some beautiful arrangements for us and this last is an exquisite bird house on the Woodworkers' Table to greet us on Mothers' Day. I can't wait to see what he creates next! Thank you, Doug, for making our Clubhouse even lovelier!

FOOD & BEVERAGE COMMITTEE

IN THE GOOD OLD SUMMERTIME!

With June, the official opening of summer has begun. Bountiful sunshine, warm nights, and great fun make for wonderful times. There are so many wonderful things to do here in Heritage Hunt during the summer season. Many residents enjoy a variety of summertime activities like golf, bocce, pickleball, tennis, or a refreshing dip in the outdoor pool. Do not forget the Father's Day BBQ on June 16th!

However, while we are having fun and enjoying the delights that summertime brings, the Food & Beverage Committee would like to remind residents that according to Policy Resolution #18, no alcoholic beverages of any kind are to be brought into the Clubhouse (a bottle of wine can be brought into the restaurant for a meal or event to be uncorked by the Club Services Vendor), Marsh Mansion, the outdoor pool area and adjacent patio, tennis courts, pickleball courts, bocce ball courts, the golf course, or golf cart paths. Residents may bring non-alcoholic beverages and light snacks to common ground areas, including the pool. Any alcoholic products brought into common areas are contrary to the ABC liquor license issued to Heritage Hunt by the State of Virginia.

There is always fun in the summer and all year long in Heritage Hunt. The Food and Beverage Committee wants residents to enjoy all our wonderful amenities while remembering a few rules to help us be responsible members of the Heritage Hunt Community!

GARDEN CLUB

GREETINGS, GARDENERS!

Garden Club has been bursting at the seams with speakers on interesting topics this year! We have learned about gardening with

succulents, the importance of planting natives, the marvelous benefits of honey, helping local bluebirds with safe nesting, and about a local (Gainesville) home-based flower farm and design studio. Coming up we have a tea party, and on July 25, Valerie Huelsman will present a talk on Plant NOVA Natives and Trees. Here is their website to identify the best planting options for our area: plantnovanatives.org.

Here are some garden tips for June: Take advantage of any dry, cooler days to stay ahead of your gardening chores, the heat will be upon us soon. Divide Spring-flowering bulbs while you can still tell where they are. Mark the location of any that you may be dividing in Fall, before their foliage dies back. Fertilize and deadhead roses. Late-blooming perennials can get so tall that they may need to be staked. If it will not interrupt their blooming, you could also trim them back instead.

Come join us for a fun garden talk and bring your garden questions or ideas.

We meet the 4th Thursday of the month at 10 am in Marsh Mansion.

THE GIVING CIRCLE

“Art washes from the soul the dust of everyday life”

- Pablo Picasso

The **ARTfactory** of Manassas is one of the seventeen charities that received a grant from **The Giving Circle** in 2023. It provides a wide array of art therapies to children and adults. As a valuable support to those with mental health problems, these activities reduce conflicts and distress, improve cognitive functions, foster self-esteem, and build emotional resilience and social skills. These life skills are vitally important for the disadvantaged in our broader community.

The **ARTfactory** was founded in 1984 by a group of artists and art lovers with the goal of enriching the quality of life in the Northern Virginia region. Currently, they offer an art gallery, theatre arts, visual arts education, dance classes, Arts on the Go™, summer camps and SummerSounds Concert Series.

Studies have shown that the arts can activate pathways in the brain to reduce stress, lower anxiety, and improve mood.

This past year the **Giving Circle** grant was awarded to provide an “ARTfulWellness” series designed to assist those dealing with serious mental health issues. One participant noted that they learned tools to apply at home to “assist in their journey of mental wellness.” In addition, last year’s grant to the **ARTfactory** provided an opportunity for individuals to take visual and performing arts classes free of charge.

Over the next several months, the Grants Committee will be carefully vetting all applications for this year’s grants to be awarded in October. All approved grants will support charities in the local Prince William community focused on mental and physical health, housing, food, clothing, and literacy.

Your “dollar a day” (or more) pledge makes a difference! Your donation, no matter how small, goes towards helping others. Unlike other charities, **THE GIVING CIRCLE** has no administration fees.

If you are already a **Giving Circle** member, Thank You for your continued support. If you are not yet a **Giving Circle** member, and want to be a part of our charitable community, joining is quite simple. All you have to do is contact Joanne Forrester (703-743-2579) or jmbforrester@comcast.net.

GENEALOGY CLUB

The Genealogy Club will meet on Monday, June 24, at 2 PM in the Mt. View Room. We will learn how to create a “substitute” 1890 census for our American ancestors. The U.S. census for that year was mostly destroyed by fire, leaving a gap in the decennial censuses that are so essential to family historians’ research.

As we enter the summer months, give some thought to treating your family members, especially grandchildren, to visiting places where our history began, such as Plymouth, Massachusetts. The incredible “Plimoth Plantation” is a superb way to see how the Pilgrims and the Wampanoag Indians lived in 1627. You’ll see role-players replicating in the Wampanoag Homesite and the English Village the activities that were carried out back then. You can even have a conversation with the actors, who will respond to you in the context of that era. The Crafts Center is also fun to explore, and you’ll be able to chat with modern-day artisans as they reproduce common 17th-century items.

In nearby Plymouth Harbor rests the Mayflower II, a replica of the original. Walking around that ship is a stunning experience, making you aware of how cramped, tough, and difficult the conditions while the original ship crossed the Atlantic. Seeing is believing and realizing! The famous Plymouth Rock is close by. The town of Plymouth is replete with places to stay and eat, as well as to shop.

On the same trip, you can visit Boston’s 2.5-mile Freedom Trail, which passes 17 historical locations, and Salem, the well-known site of the witch trials.

Our club is willing to provide a “Genealogy Beginners Session” on an individual basis if you give us 4-5 days’ notice and can take that session right after a regular club meeting in the Mt. View Room at approximately 3:30 on the 4th Monday of the month (not in July or August). Give some thought to embarking on an exploration of the lives of those who came before you and coming across unexpected and fascinating discoveries in your family history.

UPDATE ON THE TAHOMA 31 GRASS INSTALLATION PROJECT AND COURSE MAINTENANCE

When you go to the web address below, on the tee sheet you will find the latest news on course maintenance, and soon you will be able to track the progress of the installation of the Tahoma 31 grass. A link can be found at the top of the HH web page sign-in tee sheet. <https://rb.gy/gfn6cv>

BULLETIN BOARD INFORMATION

Current Heritage Hunt (HH) local rules. Golfers can find the active HH local course rules posted on the Bulletin Board. The rules have been revised to reflect current course conditions and recent updates to the USGA Rules of Golf.

Reciprocal information. In early June, information regarding Reciprocal Play at neighboring golf courses during the Tahoma 31 installation will be posted on the Bulletin Board. The information lists the participating neighboring golf courses and explains how eligible golf members should request to play at a participating course.

SOLHEIM CUP COMPETITION

The Golf Committee is pleased to share the exciting news that the premier International Professional Women's Golf Competition, the Solheim Cup, will be contested at Robert Trent Jones Golf Club in Gainesville, Virginia, from September 10-15 this year. The competition pits the best professional women golfers from the United States against the best professional women golfers from continental Europe and the United Kingdom. The United States will be looking to win its first Cup since 2017 after tying with Europe at Finca Cortesin in Andalucia, Spain last September, and Europe will be working to retain the Cup for a fourth consecutive year, something that has never been done in Solheim Cup history.

For more information about the Cup competition and how to purchase tickets, go to the Cup website at <https://www.solheimcupusa.com/overview>. Current and former military members are eligible for free admission on practice days and discounted tickets on days of competition. The Solheim Cup hosts are still looking for volunteers to assist during the competition and volunteer information can be found at the website provided. If you have any questions about the competition, email the Golf Committee.

GOLF SCHOLARSHIP

Due to the generosity of the residents of Heritage Hunt, the Golf Scholarship Committee is able to award two \$1,000 scholarships this year, one to a female golfer, Cassie Sengul and

one to a male golfer, Chris Carroll. Both of these seniors attend Gainesville High School and signed their college commitment letters on the same day. Cassie is going to attend Drew University in Madison, New Jersey. Chris is going to attend Bridgewater College in Bridgewater, Virginia.

Chris currently works for Heritage Hunt in outside golf operations. He is the son of Ginger and Jeff Carroll.

He is a familiar face to the Sunday Golf Couples Group as he is always there to load their bags onto carts. During the week he is also working this year at Piedmont Golf Course. Chris is going to be swimming for Bridgewater as well as playing golf. He plans to study business while in college. He is always pleasant face to see on Sunday afternoons.

Cassie has been on the golf team for her four years in high school. She's the daughter of Kristina Peterman and Taner Sengul.

As well as playing golf, Cassie plans to study psychology at Drew University. She volunteers for the First Tee Program of Prince William County. This summer she will be working as a Golf camp counselor at River Creek Golf Course. She is also involved in the Best Buddies program at her high school. Cassie is helping to grow the game of golf by working with the youngest players.

The Scholarship Committee thanks the residents of Heritage Hunt for helping us support the young golfers of our community living outside the gate.

HHWGA-18 LADIES OF LINKS NEWS

April showers did indeed bring May flowers, and lots of great days to play golf! Our 18-Hole Ladies' League started off the month of May with a beautiful day of golf on May 1st. It was almost a perfect day. We wish every League Day could be as beautiful.

This month I wanted to share a bit about unplayable lies. Below is a photo of an unplayable lie I experienced on Hole #16.

My advice...take the one stroke penalty and choose from these options...per the USGA: Your three options include going back to the point where you played your previous stroke, taking a drop within two club lengths, or moving straight back anywhere along an extension of a line between the flagstick and where your ball originally came to rest.

Remember to sign up for our League play each week no later than the Monday prior to our weekly League event

If you are new to Heritage Hunt, or if you have been a resident for some time and would be interested in playing golf with our 18-Hole Ladies' League please contact me (mdierdorff@comcast.net, 703-743-2067) or learn more about the League by checking out our page on the HH Website: www.heritagehunt.net site, click on Golf Central; then League; then Ladies 18 Hole.

Margaret Dierdorff, 18-Hole League President

LADIES 9-HOLE GOLF LEAGUE NEWS

On Wednesday the 17th of April, the 9-Holers had a shotgun start on a chilly morning; and then it was wet and chilly...but later the bad weather cleared. We finished golfing in under 3 hours, however we all know that speed of play is very important, so we definitely will continue to work on improving that.

As golfers, we know how to dress for the colder weather and take it in stride; however I would prefer to golf in the warm sunny weather. (I am probably not the only one who was hoping for warm sunshine in the month of April, especially on Wednesdays!)

We played the back nine on Wednesday, April 24 and it was a good turnout, plus the weather was actually decent. There were some very low scores that day, one birdie, and one chip in, both of which were then posted on our "Birdie Tree" in the Pro Shop.

On Wednesday the 1st of May, the weather was good and lots of ladies showed up to play! There was a low score of 49 and one chip-in on that day.

The second week of May was very rainy and warm. Wednesday the 8th turned out to be a partially sunny day and attendance was good. Six of us nine-holer's gathered in the dining room after golf for lunch and some great conversation. I enjoyed that and it made me almost forget about how badly I personally golfed earlier that day!

So, as I complete this article in time for the June Horn, I would just like to point out that we wished for warmer weather and we certainly got it. It seems summer has arrived!? Now it's really time for light colored clothing, sunscreen and sun hats, and...bug spray!

Hit them straight and long ladies, and above all else, have a great time out there!

TRACE ZERO WASTE

Thursday, June 13th 10:00 – 11:30 am
Clubhouse Mt View Room

Save the date and come hear Mala Persaud speak to us on the concept of zero waste products that are sustainable, plastic free and bulk goods items. Ms.

Persaud owns Trace - The Zero Waste Store in Vienna. She will review with us how her shop came to be and the benefits of Trace Zero Waste. Ms. Persaud is a former journalist and communication consultant. She has lived in Fairfax for 15 years and has owned Trace for 3 years. This will be an informative session and we hope all interested residents will join us.

Questions on this program or to suggest future programs for the Green Neighborhood Group, please contact Kathy at kvergano@aol.com or Joan at brooklynjoan@comcast.net

HH HAMS

FIELD DAY EXERCISE

On June 22-23 the Emergency Preparedness Committee will be supporting the HH Hams in their nationwide Field Day Exercise. The Ham Radio Operators not only make hundreds of contacts with each other during this time frame but do so using only our

EPC emergency generators to run all their equipment and test our generators for 24 hours straight. So, join them under the big tent on Heritage Hunt Drive to learn how you too can be prepared for any eventuality. Remember, you can contact the Emergency Preparedness Committee for details using the following email address: emergencypreparedness@heritagehunt.net. We always need more Emergency Volunteers.

HERITAGE HUNT LITTLE THEATER (HHLT)

Heritage Hunt Little Theater completed its 40th consecutive production with the comedy Hogwash, directed by Sally Peterson and produced by Andy Mays. The play was a rousing

success with plenty of laughter and fun. An enormous round of applause and thanks to everyone who worked on the production which included over 30 HHLT members as well as the fine cast. LSTV contributed untold hours of work enhancing the lighting, sound, and images. And to all our HH friends, neighbors, and family our heartfelt appreciation! We couldn't do it without your decades of support!

LSTV CORNER

For the most part LSTV are those people at the back of the room making the technology perform to each group's needs and requirements. One of our newer members suggested that when people rent the room that LSTV is included. It's not quite like that but we do our best.

A good part of our community's audio/video equipment is 10 years old. In terms of technology, that is getting close to the stone age. LSTV is embarking on keeping everything not just going, but still providing a world class performance. We are adding pieces to make this happen. Last month we mentioned the new console at the back of the Ball Room, managed by Tony Gato and Audio/Video editing managed by the inimitable Ralph Pugh.

Heritage Hunt Little Theater is a tremendous partner to LSTV. We get to experiment and stretch our boundaries supporting their activities. If Sally doesn't like what we've done, she will let us know. It is through their enormous generosity that we were able to purchase this latest product.

This month Robert Pourciau put his thoughts together on our newest piece of technology, a video switcher/mixer. This is one of those products that the average viewer might not see what it does, but you will absolutely feel what it does by enhancing your experience.

Due to a generous donation from the Heritage Hunt Little Theater group, LSTV purchased a new Roland video switcher/mixer for use in the ballroom. This device will be used to enhance the stage back wall projection of video images for supporting HHLT and Concert events. With this device, LSTV will be able to add multiple images to the projection. This could include pre-recorded animated views outside windows or images of actors speaking off stage for HHLT. For Concerts, images of multiple performers or instruments could be projected. LSTV is continuing to improve its ability to provide support and enjoyment for Heritage Hunt groups and residents.

For the LSTV operator in the ballroom, this unit gives us the ability to do many tasks previously performed by operators who were in the downstairs control room. A small LSTV team can resolve issues face-to-face more efficiently and observe the event better in the room (getting the big picture). This results in a better show or meeting for residents and a better event recording using less manpower. Switching between images used to require operators to be in many places behind the console at the same time with dead time (frozen images with a delay) between operator commands. The Roland unit is now at our fingertips with instantaneous switching.

We can always use help. If you are curious or just want to take a look, we meet on Monday mornings from 9:30 to 11:00 in the Mountain View Room.

Kevin Connify - LSTV

DEBBIE VICKERS

Debbie and her husband, Jim, reaped the benefits of a strong real estate market when they placed their home up for sale. They arrived in Heritage Hunt as renters but after just 6-8 months, they knew they had found their new home. Their son and his family and their daughter live close by. They have 3 grandchildren. Debbie and Jim look forward to celebrating their 44th anniversary in June.

Debbie's professional career really took off when she accepted a Legal Assistant position with a DC Tax Law firm. Fast forward 40 years and Debbie is the Firm's Manager.

Jim's work career afforded them the opportunity to travel to many areas of the world including trips to Hawaii, most of Europe, and numerous cruises. Personal favorites were trips to Switzerland, Germany, Italy, and Ireland. Zip-lining in St Maarten turned into quite a life experience. After a quick lesson on how to attach the harness to the zip line and how to use gloves for breaking, they were on their own on a 16-run obstacle course! Debbie had the unfortunate experience of a last-minute break sending her into the trunk of a very large tree.

Debbie and Jim are golf members and both compete in our bocce league under the team name, "Bocce Ninjas". Outside of our gates, Debbie is a member of Park Valley Church where she attends Ladies Bible Study and volunteers in the First Impressions Group, greeting all who pass through the church doors.

Last spring, Debbie took advantage of the beginner lessons and states she is now "officially addicted" to the sport and pickleball paddles accompany their golf clubs on travel out of town.

LAWRENCE ANTHONY STARON

Lawrence (Larry) Anthony Staron, 90, formerly of Stanley, Wisconsin, peacefully passed away at his home in Heritage Hunt surrounded by family on April 30.

Larry was born and raised on his parent's dairy farm in the Junction area, northeast of Stanley. He was the youngest of 11 children and his family were active members of St. Mary Czeszochowa Catholic Church. He attended the area's two-room schoolhouse and the local high school before being the first of his siblings to attend college at the University of Wisconsin (Madison). After graduation, Larry served two years in the army before joining the U.S Department of Transportation in the Federal Highway Administration (previously known as the Bureau of Public Roads).

He worked in several field offices before being assigned to FHWA's headquarters in Washington, DC. While there, he advanced to the rank of Senior Executive Service and became Chief in the FHWA's Federal Aid and Design Division. In that capacity, he worked closely with Congressional Committees in the development and implementation of highway legislation.

He met his future bride, Bonnie Potaczek, in Stanley when they were just children. Bonnie lived in Chicago but traveled to Stanley often to visit her family in the Junction area. One summer night they both attended a dance at Rainbow Gardens where they began their relationship and fell in love. They were married on October 11, 1958. Their first daughter, Debbie, was born in Tucson, Arizona. The family relocated to Springfield, Illinois and had two more children, daughter Diane and son Dan.

Despite leaving Wisconsin more than 50 years ago, Larry remained a steadfast fan of the Green Bay Packers. He enjoyed traveling with Bonnie, his

children, grandchildren, and close friends to beaches, ski slopes, and amusement parks and experienced several Caribbean cruises. Larry always had time to spend with family, attending numerous Sunday dinners, birthday celebrations, and holiday gatherings with a glass of good gin and a smile. He also loved to fish with his grandchildren at Lake Anna and taught them how to bait a hook, reel in a keeper, and entertained them with his amazing fish-cleaning skills.

Larry is survived by his wife of 65 years, Bonnie, whom he often referred to as "his angel", son Daniel (Eileen) Staron of Fairfax, VA, daughter Deborah (Rich) Guarrasi of Fairfax, VA, daughter Diane (Art) Symmes of Charlottesville, VA and eight grandchildren: Melissa, Michael, Matthew, Shelly, Bonnie, Luke, Jenny and Jimmy.

Larry and Bonnie moved to Heritage Hunt in 2002 after living in Annandale since the mid-1960's. Larry enjoyed walking with his grandchildren along the paths and went with them to feed fish in the various ponds in the neighborhood. On these outings, they searched for lost golf balls and visited a friendly horse at the farm which used to be located near the intersection of Arthur Hills and Bonfire Dr. During these outings Larry reminisced on his childhood and shared stories about his experiences growing up on the farm. The kids especially loved stories about Larry's beloved cow Chester, and the family's numerous pets.

Larry and Bonnie frequently took the kids to the local club house where they learned to play billiards. They somehow always managed to win when they played against grandpa!

As a family, they attended many events in Heritage Hunt, including a fireworks show in front of the Marsh Mansion, numerous Grandparent Day celebrations, New Years Eve and summer pool parties. The happy couple enjoyed "sipping parties" on Everbreeze and Crabtree Way and developed many close friendships with their neighbors.

Larry was a faithful Catholic and loved his family and friends dearly. He nurtured a loving family and showed them the kindness and beauty of each day. He lived each day with a special kind of warmth and dignity that only he could ever capture. His kind, gentle demeanor, generosity, dry sense of humor, and warm smile are all things that we will remember him by.

ALAN DARRELL MYERS

Alan Darrell Myers, 77, of Gainesville, VA, passed on May 3, 2024, due to complications after surgery. He was born in Washington, DC to Martha Carol Stanton Myers and Harold Elbert Myers. Through his mother's

membership, he became a member of the Mayflower Society, along with his brother Wayne (wife Lisa, sons: James wife Cassandra; and Gregory wife Marie)

Alan grew up in the Pinecrest neighborhood in Alexandria, VA and attended W.T. Woodson High School in Fairfax, VA. He enjoyed playing baseball (nickname: Turtle) and football, as the kicker. During his time growing up and at Woodson, he developed wonderful friendships that lasted until his death.

Alan attended Greensboro College in NC. It was in college that he discovered his love of golf and participated on the college golf team. It was also at Greensboro College that he met his first wife, Elizabeth (Betty) Waller. After his graduation they married.

Alan continued his education by earning a Master's Degree in Business from American University in Washington, DC.

Alan and Betty had two sons, Bradford Thomas Myers and Christopher Alden Myers. Sadly, Betty died of cancer, in her early 30s.

Alan was a former partner with the Washington Service (Institutional Investments) for 17 years. Later he joined Morgan Stanley as a Financial Advisor. He enjoyed the relationships he developed at work and with his many clients.

In 1986, Alan married Susan Weathers Myers. Together they blended their two families. Susan

had two children, James Lee Strickland and Susan Amanda Strickland Smith. The six of them became close and faced the many blessings and challenges of family life together.

At Alan's death, he and Susan were the proud grandparents of nine grandchildren: Caleb (22), Ella (20), Hadley (19), Reece (18), Malayna (17), Emma (17), Rhett (16), Ezra (13) and Foster (8).

In addition to his grandchildren, brother and his family, Alan is survived by wife, Susan; children: James (Stacie), Susie (Jonathan), Brad (Bentley) and Chris (Rachel); Susan's sister Mary Ann Weathers, sister Nancy Weathers Simpson and her husband Robert (Bobby) Simpson; nephews: Kevin (Ama), Eric (Katherine), Ryan (Ashley); and many wonderful great nieces & great nephews.

The family would like to thank all the wonderful friends who shared their stories, cards and true friendship, during his life and during Alan's last days at the hospital.

June 17th at 4:00 p.m. a celebration of life will be held at Gainesville United Methodist Church, 13710 Milestone Court, Gainesville, VA 20155.

In lieu of flowers, please consider making a donation to Alan's passion project: Plant for Harvest at Gainesville, United Methodist Church. Checks may be written to: Gainesville United Methodist Church with 'Plant for Harvest' on the memo line, or you may donate online: <https://www.gumchurch.com/plant-for-harvest>

HH CHAPTER OF THE AMERICAN WINE SOCIETY

It's been a busy few months for our Wine Club members. April saw us enjoying a wonderful sip and mingle event featuring wines from women winemakers. But dare I say that the delicious wine was almost eclipsed by the flat bread pizzas and veggie platter that was featured that evening. All agreed it was a great change of pace! Kudos to the HH chefs and kitchen staff - it was delicious!

In May we were introduced to a fairly new vineyard - Williams Gap Vineyard in Round Hill, Loudoun County. General manager Bridgette Smith brought great wines and great energy to the evening as we began with a perfect summer porch wine - William Gap's 2022 Verano. We then made our way through a Petit Manseng, a Rose, a red blend and a Merlot finishing with the Governor's Cup Gold Medal winning Cabernet Franc. Two of us had the opportunity to visit the vineyard and all we can say is GET THERE. It's worth the trip. The vineyard is gorgeous as is the tasting room, outside deck and patio.

In June we will be moving south - to South America, tasting the wines of Argentina, Uruguay and Chile. One of our favorite distributors, Phil Pinckney from Kysela Pere et Fils in Winchester will help us explore this amazing wine region. It's not too late to sign up and join us for the evening (June 18). You can come as a guest three times before committing to membership. This event is a great way to try us out! You can reach us at heritagehuntwineclub@gmail.com. We're friendly, especially after the third pour!

Cheers!

Anne Burns

HERITAGE HUNT WOMEN'S ORGANIZATION (HHWO)

We are finally entering the month of June. Summer is truly with us. It is the end of our HHWO season and the beginning of great summer vacations and sojourns with wonderful family and good friends. My family had a home at Cape Cod for over 30 years. We had glorious vacations once we got there. Through the years, no matter what time we left from the DC area to get to the bridge at the Cape, we were never able to make the trip in less than 12 hours.

JUNE PROGRAM

Our final program for HHWO is one not to be missed. We will be able to join former First Lady Eleanor Roosevelt for tea and her recollection of her adventures in the White House and her amazing career after leaving Washington, D.C. This powerful program will be presented by Kate Campbell-Stevenson, who has over 25 years of experience in music, theatre, and education. She has starred in over 30 Broadway Musicals, and she also performed in radio and TV commercials. Kate will use songs, monologues and poetry to showcase this afternoon with Eleanor. Eleanor dedicated her life to championing the well-being of others. As she once proclaimed, "It is better to light a candle than to curse the darkness."

Our wonderful, retiring Lunch Ladies, Rosemary Wright and Jane Alger, are bringing us a delicious meal in June, starting with fried green tomatoes with arugula. This will be followed with a deli buffet of turkey, ham, toppings, bread, cheeses, fruit salad, and pasta salad. And of course, no summer is complete without Strawberry Short Cake for dessert!

SPECIAL ANNOUNCEMENTS

At our June meeting, we will coordinate with the Haymarket Regional Food Pantry to sponsor a Monetary Food Drive. Please make checks out to Haymarket Regional Food Pantry or HRFP. Collection boxes will also be on the front porch of Dianne Leone (13014 Triple Crown Loop) and/or Anne Shanahan (6564 Everbreeze Lane) from June 11th through June 15th.

WOODSHOP NEWS

During the period October 19, 2019, through March 6, 2024, Bob Rogers conducted fourteen "Basic Woodworking" classes for 50 HH residents. Bob was assisted by Andy Johnson and J.C. Evans. All 50 of the HH residents who took the course completed a cutting/charcuterie board like the one pictured below. The classes were offered to HH residents free of charge for the instruction. They only paid for materials, which were selected and provided by Bob. Classes were held on Wednesday afternoons. Each session lasted five weeks.

Bob has determined that his busy schedule will no longer allow him to keep teaching these classes and no other HH woodworker has volunteered to take Bob's place as the lead instructor.

One of the HH residents who took the "Basic Woodworking" class is Lucille Marciano. Subsequently, she worked with Bob Rogers to learn how to make woven cutting boards. Lucille now teaches this process. Her two most recent class graduates are Steve Crandall and Barbara Bernard pictured below.

Lucille restricts her class size to two people at a time. Her students are required to have already acquired and demonstrated basic woodworking skills. Want to learn this process? Contact Lucille at 704-453-9221 or Lucillemarciano@yahoo.com.

The HH WWG meets the second Thursday of the month at 2:30 PM in the Clubhouse Mountain View Room. All HH residents are welcome to attend and learn more about woodworking and use of the HH woodshop.

The HH WWG was established in 2016 and the woodshop was moved from the Clubhouse lower level to the Golf Maintenance Building. Since then, members of the WWG have been instrumental in community projects such as the beautiful octagonal table in the clubhouse lobby, the amazing bowl at the left end of the Red Oak Bar and Grill bar, the frame around the Old Oak Tree at the left end of the bar, the lectern in the clubhouse ballroom, the LSTV console/platform in the Clubhouse ballroom, production of bluebird houses, and assistance to numerous residents with their woodworking issues.

If there are HH residents who have demonstrable woodworking experience and would like to learn more about using the woodshop, they may contact Andy Johnson at 703-743-5181 or johnsonathh@comcast.net.

► **HH HIGH STEPPERS** meets on Tues & Thurs 1 PM - 3:30 PM in the Fitness Center. HH High Steppers provide entertainment for HH Events, Senior Communities, and Community Centers throughout Fairfax, Prince William, and Fauquier Counties. The Group performs all year and at many different venues. It is our way of giving back to our wonderful community. Contact Anthony Gatto, anthony.gatto@comcast.net or Sue Anderson, onegreyhoundlover@yahoo.com.

► **HH HIKING GROUP** provides an organized forum for HH residents who enjoy hiking. Hikes are usually scheduled twice monthly to locations in the NoVa and Piedmont area. We try to vary the location and difficulty of the hikes so that people of different hiking abilities can participate. To be added to the HH Hiking Club email list, please email Pat Thompson at pthompson892@gmail.com.

► **HH LITTLE THEATER (HHLT)** is dedicated to the promotion of theater arts through the production of plays, the support of local theaters and theater students, the enhancement of our own theater craft, and the entertainment of our community. Regardless of your skills and talent there is a place for you in HHLT from acting and directing and backstage support, to the technical side of theater. We meet monthly except in August and December and produce two plays a year. Contact Valerie Morris, Membership Chair, at taftmorris@aol.com or 571-447-0978.

► **HH WOMEN'S ORGANIZATION (HHWO)** is the largest club in Heritage Hunt. We gather for meetings, programs, and luncheons in the Great Oak Ballroom on the second Tuesday of the month, September through June, at 10AM. All female residents are welcome to join. For more information and to view the organization's news-letter, The Acorn Report, log in on the HH website

heritagehunt.net and go to Activities & Amenities/Clubs & Programs/Other/Women's Organization. For additional information, contact Harolyn Small at 703-380-5399.

► **INVESTMENT CLUB** - Informal "Better Investing" investment club founded in 1995. Meets the 3rd Friday of the month at 7:00PM in homes (w/wine and cheese). Investing in quality growth stocks and beating the S&P 500. No minimum investment required. Ongoing investment education of members a benefit and emphasis. Visit www.betterinvesting.org or call Gene Close 703-743-1062 closegen@gmail.com or Dave Davis 703-753-0694 ddavis60@comcast.net.

► **KNITTING GROUP** meets Monday 1:00-3:00PM in the Clubhouse Craft Room. Knitting Group welcomes you, no matter your level of experience. We will help you learn to knit and to finish a project. Knitters may work on individual projects or projects to be donated to charities. Contact Mary Ellen Conley 781-424-5017/mec0918@yahoo.com or Barbara Lyders 703-743-5118.

► **LIBRARY COMMITTEE** sorts and shelves donated books. Please remember to sign out and sign in your borrowed books and only borrow up to five books at one time. Large-print books are available in the closet at the back of the Clubhouse library. Leave donations on the lower shelf of the book cart in the Library. Only fiction and non-fiction books concentrating in biography, current affairs, and history published since 2012. Questions call Annette at 703-743-5181.

► **LINE DANCING** meets every Tuesday, September thre June, from 5-6 PM in the Fitness Center Aerobics Room. Open dance with some instruction provided. No experience necessary. Please come and join our fun, enthusiastic group of dancers. Contact Lynn Staymates at lcstaymates@gmail.com, or Lynn Levvis at blevvis@comcast.net.

► **LSTV (LIGHTS, SOUND, TELEVISION) COMMITTEE** meets every Monday from 9:30-11:00 AM in the Mt View Room. We review the upcoming schedule for the next 2 weeks for routine events and make sure we have qualified volunteers to cover those events for our community. We have a longer advanced planning timeline for more complex support for Little Theater, Concerts, etc. We discuss any challenges or issues experienced in the last week. We may also provide some training during this time. Please join us to learn more! Contact Larry Alger at lalger@comcast.net.

► **MAH-JONGG** Tuesday group meets every week, 10 AM - 12 PM in the Clubhouse Blue Ridge Room. Please contact Barbara Boezi 703-743-1953.

► **MOAA (MILITARY OFFICERS**

ASSOCIATION OF AMERICA) supports 4 local Junior ROTC programs, the Wounded Warrior program and other local causes. The chapter hosts social events in April, September and December. Membership is open to all retired, active, and former officers of the 7 uniformed services and their Guard and Reserve components. The chapter is an IRS-approved 501(C)(19) War Veterans organization. All donations to the chapter are tax deductible. For more information and application call Mary Jo Howarth, 703-899-1582, mjhowarth4@comcast.net. Our website is www.hhmoaa.org.

► **MOTORCYCLE ENTHUSIAST CLUB** - meets at 5 PM the 3rd Wednesday of the month in the CH Board Room. From 2 wheels or 3 wheels, what-ever revs your engine and brings out the spirit of riding a motorcycle. Looking for you to hit the road and enjoy the ride. No commitments, just to be part of an environment for fun and casual conversation. Contact either Ron Grabowski 203-767-6083 / ronel5673@aol.com or Rob Lillard 610-209-2373 / robert.e.lillard@gmail.com.

► **MUSIC CLUB** Musicians get together at intervals to perform. All musicians, vocalists and genres are welcome. Members are encouraged to play with others as well as to perform solo. Our group provides motivation for members and opportunities to develop different skills by performing with others. It also helps to overcome performance shyness and increases social interaction. Interested: call Eve Brandon at 914-456-2537.

► **ON OUR OWN** plans activities for men and women who are living alone. The following activities are coordinated by volunteers and are on-going: Dinner at a local restaurant every Thursday; Game Night at 7PM in the Clubhouse Craft Room on the 1st Friday of each month; Summer Social held in June and Holiday Party in December; Dine-around groups of 6 form in September and set their own schedule. ► **HH WOODCARVERS** meet every Tuesday in the Clubhouse Craft Room from 12:30 PM to 3:30 PM. If you would like to try something to do that is different from what you tried before, try woodcarving. You don't need to go to a wood supply store and pay \$85 dollars for the basic instructions. We do it here at Heritage Hunt at no cost to you to try and learn. Beginning and experienced carvers, women, and men are welcome. There is no cost to you as we provide the knife, glove, wood, and lessons for your first project which is usually a dog or stylized duck. You may see some of the carvings completed by carvers here at HH in the display case in the lower lobby next to the UTP office downstairs. Contact J.C. Evans, 703-743-1321 or Jon Crissey, 703-743-1317.

► **HH WOODWORKERS** meets 2:30-4:00 PM the 2nd Thursday of each month, usually in the Clubhouse Mt. View Room. The purpose of the Group is to assist the community in maintaining and operating the woodshop so residents have a place to work on personal projects, on projects for the HH community, and for local charities. The Group also provides a forum where residents can increase their woodworking knowledge and skills. Contact Andy Johnson at 703-743-5181 or Ross Kerr at 860-508-0652 about joining the WWG. Contact Bob Rogers at 703-609-2924 about classes.

FEELING DIZZY? YOU'RE NOT ALONE!

Do you ever feel like the room is spinning even when it's not? Well, you might be experiencing something called benign paroxysmal positional vertigo, or BPPV for short. It's actually the most common cause of vertigo.

And here's a surprising fact: In people over 65 years of age, BPPV is responsible for an estimated 30% of cases of dizziness.

But, there's good news! Our physical therapists are experts in BPPV, resolving 90% of cases in 1-3 treatments.

If you've been experiencing brief episodes of vertigo associated with change of head or body position, there's a good chance you have BPPV. And, there's a good chance we can help!

ENGEL & VÖLKERS

Happy Father's Day.

To all of the extraordinary dads and father figures, Happy Father's Day.

These incredible men fill our home with fond memories, boisterous laughter, life lessons, and, most importantly, abounding love.

I am committed to finding the perfect home for you and your loved ones, so that every milestone, every laugh, and every shared moment is anchored in a place you can call your own.

Here's to celebrating dads everywhere from Engel & Völkers Tysons Lansdowne.
