GENERAL MANAGER'S MESSAGE

RESOURCES AVAILABLE TO RESIDENTS

Are You Receiving Community Updates?

The HOA Management Team sends weekly communications to the community regarding community events, Board of Directors activities, changes in Governing Documents, and even notifications and updates that may affect your property such as outages, etc. We encourage all residents to ensure they are receiving these communications by taking the following steps:

1. Log onto the HOA website (www.heritagehunt.net) to ensure that your email address is up to date.
2. We ask all homeowners who live off site, and rent their homes, to provide the HOA office in writing with a forwarding mailing address. This ensures that you will receive all written communications regarding your property.

The HOA Management team understands that matters tend to get overlooked when lines of communication are lost. Every effort is given to make sure that the information disseminated to the community is worthy of your attention.

Cable and Internet Services

The Association has negotiated a bulk rate contract with Comcast that provides residents with reduced pricing for their basic Comcast package; however, all additional services, to include service requests, extenders or trouble shooting for issues that are related to your home service should be directed to Comcast directly, so that they can assist you with resolving the issues you are facing. Comcast Bulk Account number is: (855) 638-2855. You can also find more information on the website under the "Utilities" tab.

Governing Documents (which includes your Association's adopted Policies)

To see the complete list of governing documents, that Heritage Hunt is governed by, click on the "HOA" tab, then click on the "Documents" sub-tab. The Association's Legal Documents including the Declaration, By-Laws, Policy and Administrative Resolutions, and more can be found here.

Your Board of Directors and Committees

Under the "Board & Committees" tab on the HOA website, you can find information regarding the Association's Board of Directors and its

Committees, meeting schedules and agendas, meeting minutes, and contact information.

Trash and Recycling Services (to include trash, recycling, yard waste and bulk-item pick up)

For residential questions or concerns regarding trash and recycling, bulk item pick-up, and yard waste or replacement of trash bins, click on the "Utilities" tab, then select the "American Disposal Services" sub-tab.

And of course, there is so much more on the website including information about the Golf and Dining amenities, upcoming community events, and even important updates of activities outside the gates. If you are having any trouble logging in, please contact us at 703-743-2000, option #4.

MARCH BOARD BRIEFS

One hopes we can skip the verse about March coming in like a Lion and hope for the Lamb all 31 days. We are all set for spring to start and daylight savings to return so we can get about all the outdoor activities available to us at Heritage Hunt.

We do thank all the Committee members and all interested residents that sat in on the HOA 101 that Board Vice President Jerry Fisher set up and ran on February 6. The session provided information about how the Association is run and where to find information on all our documents. The website also carries this information under HOA, just scroll down to HOA 101.

Between the Committees and the Board, we are busy with numerous projects. We are pleased that the acoustics project for the Red Oak Bar and Grill is moving along as it should help with noise levels in the bar area. We are also working on costs for the Clubhouse and Marsh Mansion parking lot expansions as well as monitoring the ongoing 24" force main line expansion and the new pump house installation.

Our new Point of Sale (POS) system is planned to go into operation in April. We moved the start date from February to allow for more training time for staff and management. The updated website should then be ready in May. We felt it was better to have all in place before we pushed forward on the new systems. In the meantime, the current POS system and Website will stay active; more details will follow.

AND Heritage Hunt is now 25 years old and we have residents who are very aware as they moved in at that time. The Board is planning a celebration for these residents on May 17 from 1-3 in the Clubhouse Ballroom. We are aware of some folks but anyone who is a 25 year resident, please contact our Lifestyle Director Janette Nash at lifestyle@heritagehunt.net by 4/30 so we can make sure you are included.

The following resolutions were reviewed at the January 25, 2024 Board meeting. Due to Horn publishing dates they are appearing a month late. For a quicker update, check the Board of Directors page on the website where the meeting minutes are posted within 2 weeks of the meeting date.

- Approved the reformation of the Advisory

Committee for Strategic Planning.

- Approved the purchase of a replacement fire wall for the Golf Maintenance Building.
- Approved repairs to the Clubhouse elevator.
- Approved the Golf Course maintenance schedule for the first half of 2024.
- Tabled a resolution dealing with the procurement of Golf Course Equipment to allow the Golf Committee time to provide more information to the Board.
- Approved allowing a 50% discount on August dues for existing golf members which includes no dues increases for them in 2024.

Stay safe and well,

Kathy Vergano, Board President

Mr. Crane, enjoying the
Spring-like Winter Weather

COMCAST TOWN HALL

A Comcast Town Hall meeting with residents is scheduled on March 20th, 2024, at 1:00 PM in the Clubhouse Ballroom. To adequately prepare, Comcast is requesting that any questions be submitted in advance. If you have any questions, concerns, or comments regarding your Comcast/Xfinity account, please email them to asstmgr@heritagehunt.net by Thursday, March 7th, 2024.

HERITAGE HUNT TURNS 25!

Heritage Hunt turns 25 this year and there are a number of residents who recall that as they moved in 25 years ago (1998/1999). The Board of Directors would like to honor those residents with a “coffee and cake” celebration on May 17th.

We know who some of these residents are, however, we do not want to leave anyone out, so please contact Janette Nash our Lifestyle Director at lifestyle@heritagehunt.net and give us your name, date you moved in, as well as your email and/or a phone number by April 30, 2024 so we can invite you all to this event.

AMERICAN DISPOSAL - RECYCLE BIN EXCHANGE

If you would like to swap your 64-gallon recycling cart or 16-gallon recycling bin for one 32-gallon recycling cart, please contact American Disposal at 703-368-0500. This request is on a first come first serve

basis, while supplies lasts or until March 31, 2024, whichever comes first.

NOTARY SERVICES

Need Notary Services? The HOA office at the Marsh Mansion has Notaries on staff. These services are provided by appointment only. If you need to make an appointment, please call the

HOA office at 703-743-2000, option #4. There is a fee of \$5 per document, which is payable by check or club account. No walk-ins please.

BE MY VALETINE

VALENTINE LOVE SHARING BOX

The Community Relations Committee wishes to thank all who participated in the Valentine Sharing Box in our Clubhouse Lobby. Each month we will try to publish some of these sweet and wonderful stories. Thank you!

I PULLED HIM OUT OF A DITCH... at Virginia Beach.

Rand's story---In June 1971 my fraternity brothers and I went to the KOA Campground near Virginia Beach to meet with college friends. Upon arriving, we were directed to the overflow campground, which was nothing but a big field. Driving toward the camping area, we didn't notice the 5 foot deep drainage ditch directly in our path. We drove head first into the ditch. (For the record I was not driving).

Mary's story---Home from college my friends and I were looking forward to our trip to Virginia Beach. My friend's father had converted a bread truck into a classy camper. We had just settled in at the campground when we saw a car heading straight for us and wondered if they saw the ditch. We couldn't believe our eyes as they drove straight into it. Feeling sorry for them, we graciously used our camper to pull the car out of the ditch. Rand and I were married 2 years later and just celebrated 50 more together!

HH CAR CLUB

Heritage Hunt Car Club

We had a great beginning to the 2024 Car Club season. Meetings are held on the 2nd

Thursday of each month from March through October 5:30pm to 6:30pm, in the Clubhouse Mountain View Room.

Remember: Rich Tricarico has club merchandise for sale! Don't forget to put your club sticker on your car to let everyone know about our community club.

These are some of the current and planned events for 2024.

- January: Group members attended the Washington Auto Show seeing all the new models. Traveled there via Metro and a good time was had by all. This was a great

opportunity for the members to see what is new for 2024 model year and beyond.

- May or June: Annual Marsh Mansion Car Show.
- Visiting various local wineries, breweries and car club friendly restaurants.
- July: Vets for Vettes show.
- September/October: Our annual Skyline Drive cruise in the Fall.
- Flying Circus Air Show in Bealeton, etc.

Don't miss the first meeting of the year on March 14, 2024. We plan on having guest speakers throughout the year. We will also be accepting our annual \$20 dues and offering our new club coffee cups for 2024. There will be some extra bling for the club being offered as well. These annual dues help cover club administrative costs, promotion, charitable and participation activities as a not-for-profit group.

The Heritage Hunt Car Club has a dedicated Website: <https://heritagehuntcar.club>.

CROSSROADS CONNECTION

Crossroads continues to serve children with food insecurity in our western PWC public schools. We collect non-perishable products through food drives and donations from individuals and businesses, and also

purchase food with grant monies received from our local partners. This food is delivered to the schools by Crossroads volunteers. The last meal kids will partake of is lunch at school on Friday. The next meal is scheduled on Monday morning when schools serve the children breakfast. During Saturday and Sunday the children's parents often work more than one job, and nutritious snacks are not necessarily available. Crossroads aims to bridge the gap and prevent childhood hunger!

Through last month Crossroads served 15 schools to include elementary, middle and high school students. We are now adding our 16th school, Reagan Middle School. The total number of students served is expected to swell to 390. In 2023 we expanded our reach to 350 children. Why is there such a great demand? Food costs continue to be expensive...western Prince William County continues to grow...government subsidies continue to shrink...refugees continue to arrive.

If you would like a copy of the 2023 Annual Report which gives you an easy-to-read overview of our challenges and successes during 2023, please email info@crossroads-connection.org.

Our latest success was a January food drive at St. Michael's Academy in Warrenton. The third, fourth and fifth grade classes collected 2,500 food items. The students were eager to help kids in need! Crossroads-Connection is grateful for its support from young students who also volunteer to pack bags right here in Gainesville. All ages are welcome to help with packing and delivery!

ATTENTION NEWCOMERS

All residents are invited to this casual social gathering at the Blue Ridge Room in the Clubhouse, March 20th, 5:00-6:30 p.m. and we're especially calling out to Newcomers to Heritage Hunt!

Get to know your neighbors, make new friends, and hear about activities in our wonderful community. Want to know more about bocce, pickleball or golf here in HH? What about the Little Theater group? There are so many activities to enjoy here at HH and this is a great opportunity to either share your knowledge with a newcomer or to learn about them.

Drinks will be available for purchase with your HH account or a credit card. You can also join some of us afterwards for dinner at the clubhouse restaurant...no reservations needed.

If you can't make it this time, join us on the third Wednesday next month.

Friday, March 22nd. 7:30pm
Clubhouse Ballroom

Join the Cinema Sisters in the Great Oak Ballroom on Friday, March 22, at 7:30 p.m. This month's feature will be "Delicieux."

"In 1789 France, gifted chef Manceron is dismissed by his noble employer for serving an unapproved dish of his own creation at a dinner of aristocrats. He swears off his culinary passion, retreating to a remote regional travellers' inn, serving the common meal of vegetable soup. When a mysterious woman arrives, offering to pay to become his apprentice, the stage is set for a tale of reignited passion, mentorship, and revenge—and the creation of France's very first restaurant. This film is in French with English subtitles."

Free popcorn and cash bar will be available in the ballroom. Carry out food is available from the dining room and is permissible in the ballroom. There is no wait staff service available in the ballroom.

To order carryout food, the phone number is 703-743-2021.

RESERVATIONS FOR THE MOVIE are required to ensure adequate seating and popcorn. Call Dianne @ 703-743-1453 or Darlene @ 703-743-2291, or email HHMovie@aol.com, stating name and number attending.

THE NUREMBERG TRIALS

The Nuremberg trials of prominent Nazi war criminals were the first international war crimes ever held. This lecture traces the history of the laws of war; the organization of the Nuremberg Tribunal, and actions of the prosecutors, judges, defense counsel, and defendants. Psychiatric evaluations of some defendants are included, along with indictments, verdicts and sentences handed out. The details of the substantial and far-reaching legacy of Nuremberg are discussed. Twelve subsequent trials of Nazi war criminals were also held in Nuremberg. Nuremberg's precedents let to the establishment of the International Criminal Court.

The Nuremberg trials gave the leaders of a defeated nation, the benefit of the rule of law and due process with the presumption of innocence, something the defendants denied their millions of victims.

Steve Greenhouse received his PhD in Electrical Engineering from the Catholic University of America. He retired after working in the space communications field for 35 years. Steve has long held an acute interest in the Nuremberg trials and its legacy, the crimes that precipitated the trials, the perpetrators, and their motivation.

WILDLIFE CENTER

Have you ever seen an injured turtle, bird, or other wildlife and not known what action to take? Now you do! You have a source of information and help for the animal! I have saved an injured turtle and a tiny, young Kingfisher here in HH

by calling Blue Ridge Wildlife Center. An injured deer needed assistance on Pageland Lane, and I was able to notify a volunteer for help.

They are open every day including holidays, and their services are free. Being the only wildlife teaching hospital in Northern Virginia, they offer tours and events throughout the year. We can learn more about our native species here in Virginia and see their wonderful support in action. Help protect our wildlife!

FACILITIES COMMITTEE

FACILITIES WANTS TO KNOW WHAT YOU WANT TO KNOW!

The Facilities Committee is compiling a list of ideas for informational articles for the Horn and think that you might be able to help. What interests you? Would you like to learn how certain things operate in our buildings or led lighting? Would you like to know about the actual buildings themselves? For instance, when was the MM built, or who designed the fitness center, or what is a cooling tower; or why did you do it that way? Perhaps you are curious about how we decide which new project gets scheduled first, or how contractors are selected. Feel free to ask and we will answer as best we can.

Suggestions are welcome, too! Do you have an idea for an unusual use for the golf lobby? Is there some great new machine you would love to see in the fitness center? What are we missing that would improve our facilities and your lives here in HH? I bet you have ideas that we never thought of! Please share your suggestions with us, and ask questions, too!

WHAT COMES NEXT?

Residents always ask what Facilities is currently working on or planning. You can be sure that we are always working and always planning the next project! Remodel work and finishings are almost complete. Artwork and accessories are in the works...we are planning bathroom remodels and hoping for new clubhouse doors for both the entry and ballroom. We are thinking about possible artwork for the Fitness Center and how to hang it, and preparing for a new roof on the Marsh Mansion, and how to somehow find more space in the CH coat closets! We are also planning a last furniture sale! It is going to be a very busy year! We meet on the 1st Thursday of every month in the Mt. View Room at 1:00. Join us to learn more!

WHAT NEEDS FIXING?

Feel free to contact us if you see something in HH that needs fixing, like a cracked window, or shutter that is not attached correctly, or loose boards in the gazebo. Are there things that need repair, or a good coat of paint or maybe to simply be replaced? Please help us by passing it on to us and we will be happy to pass on the request to CAMP.

To reach the committee, please email: facilitiescommittee@heritagehunt.net. We will get back to you as soon as we are able. In the meantime, we thank you for your help in keeping our facilities beautiful!

FLEXIBILITY CLASS HELPING RESIDENTS REDUCE PAIN AND BE MORE ACTIVE

Modifying a flexibility/mobility curriculum for an active older adult population took time, but it was worth the effort as your neighbors can attest to:

Ann: "This class has helped me immensely to manage my neck pain and my aching lower back. Huge improvement! Debbie will adjust and modify stretches to fit your needs."

Bob: "This is the class I need the most because I was stiff as a board. Now when I exercise after class, my knees do not hurt at all."

Jean: "Despite having four joint replacements, my range of motion is much better now and my husband can stand up much straighter."

Pete: "I always feel much better and more energetic after the class."

Debbie: "I started in the very beginning last fall. I've found that I am more flexible and can do my daily activities and yard work much more easily. My body is not perfect, but it has definitely improved with less pain. I highly recommend it to my friends and neighbors."

After considerable input from class participants, the class continues to evolve to best meet HH residents' needs. At both classes, balls and stick rollers are now used instead of foam rollers because they are easier to maneuver. At Tuesday's 11:15am class, participants never go down to the floor. All movements are done seated or standing. At Thursday's 10:10 class, a short period of stretching on the floor is optional with alternative chair stretches available. Reduce your muscular and joint pain and improve your quality of life with increased flexibility and mobility. Classes are in Fitness Center Room A and your first class is always free.

FOOD & BEVERAGE COMMITTEE

SPRING IS IN THE AIR

March is here, will it come in like a lion and out like a lamb? What is certain is that with March comes the beginning of spring, warmer weather, St. Patty's Day, March Madness, and in 2024, Easter. Come and join your friends and neighbors at the Red Oak Bar & Grill to welcome the month of March. Please check out all the events happening this month, including the St. Patty's Day Dinner on March 17th and the Easter buffet on March 31st.

The Food & Beverage Committee is always busy at work on many things throughout the year. New draft beers, new wines, and recommendations for resident events. The committee meets on the third Wednesday of every month at 10 am in the Mountain View Room. So please join us, as we welcome resident input at every meeting.

One of our new recommendations is the birthday discount. Each resident, in their birthday month, will receive 50% off their entrée. It can be in the restaurant or at curbside. The discount applies only to an entrée and not the entire bill. If you had a January birthday, the discount is retroactive to January 1st. So, enjoy your birthday in the Red Oak Bar & Grill with your friends or family.

We also have other recommendations we are working on with UTP. This includes "Street Dinners." Some residents of the streets in Heritage Hunt already meet weekly or monthly in the ROB&G for lunch or dinner to socialize. We would like to expand this program to offer all streets the opportunity to organize a get-together in the restaurant for dinner. We are still in the planning stages but hope to kick-off this program soon.

The Food & Beverage Committee enjoys decorating the ROB&G during the different seasons. All decorations were purchased by and belong to members of the Food & Beverage Committee. The decorations are provided for the enjoyment of everyone, so the committee asks that residents do not take the decorations off the tables.

GENEALOGY CLUB

Are you curious about your family history but don't know where to begin? Our club is holding a special "Beginning Steps in Family Research" workshop from 1:00 to 3:00 PM on Monday, March 11, in the

Board Room (next to the Ballroom) where you will meet experienced club members who will assist you in getting started.

If you are interested, please email our president, Bob Gawrelski, at bobgski@gmail.com and let him know you want to attend. He will then provide you with a form for entering what you already know about your ancestors, starting with your parents. You will bring this form with you to the workshop, where it will be the basis for starting your ancestral research.

Our club's regular monthly meeting will be on Monday, March 25, at 2 PM in the Mountain View Room. Members will watch a video titled "The Internet Archive: 10 Amazing Genealogy Finds You Need," by well-known genealogist Lisa Louise Cooke. The video will introduce us to or update us on how to use the famous Internet Archive for ancestral research.

Genealogy research opens up a whole new world for those of us who are curious about our family backgrounds. Every family on "Planet Earth" has a history and is populated with relatives, regardless of the passage of generations, who did interesting, unusual, historic, humorous – you name it – things. These "things," upon discovery, illuminate the years, decades, centuries before your arrival in your immediate family.

Avid family historians cannot imagine not wanting to know whose genes are in them. As we research, we may discover a connection to former U.S. presidents or heads of state, royalty, Mayflower passengers, Revolutionary and Civil War veterans, inventors, distant cousins. The possibilities as we part the curtains of our families' past are endless.

Join us and discover a new hobby!

THE GIVING CIRCLE

"It's not how much we give, but how much we put into giving."

Mother Teresa

Mother Teresa would applaud how much THE GIVING CIRCLE puts into giving grants to charities in the Prince William County area. The committees of the GIVING CIRCLE work diligently for many hours to assure that each dollar given goes directly to the clients of the charities we support. Of most importance is selecting charities that focus on providing food, clothing, shelter, literacy, and mental and physical health to those in need.

The effort starts early in the calendar year when members are asked to renew their annual pledges and to actively recruit new members within the community. A "dollar a day" pledge gives a member voting privilege and the assurance that their money, along with others, will go wholly to the charities without any being used for administrative costs. Every dollar goes towards helping others.

Before grantees are selected, members are asked to suggest charities to be considered for grants. The Grants Committee will review these recommendations and decide whether or not to send an application.

Previous grantees are also asked to submit a grant request. Once the requests have been submitted to the committee, they begin a vigorous review of the applicants to ensure that the funds are targeted to the stated need.

During the months of July through September, the Grants Committee, consisting of GIVING CIRCLE members, reviews, and vets the requests. All members are then asked to vote on the recommendations of the committee. In October a reception is held in the ballroom where the recipient charities are presented with grant checks that support their goals. This is one of the favorite GIVING CIRCLE meetings of the year as we get to meet some of the groups that make our gifts so worthwhile and where we hear how our gifts have helped those in need over the past year.

The residents of HH have and will continue to be known as those who care and show that by supporting many worthwhile causes in our broader community. By joining others in THE GIVING CIRCLE, we can have a greater impact by combining our gifts of "a dollar a day" or more with others. In 2023, \$91,700 was granted to seventeen organizations supporting the goals of THE GIVING CIRCLE. Please JOIN us today, by contacting Joanne Forrester at 703-743-2579 or jmbforrester@comcast.net, to help make 2024 our best year ever!

GOLF COMMITTEE NEWS

TO STAY OR NOT TO STAY . . .

Does the thought of not being able to golf on the Heritage Hunt (HH) course for 6 -8 weeks this summer have you wondering whether to cancel your membership and play elsewhere? Unsure of what other nearby golf courses charge and what services are included in membership fees? Is HH truly the “bargain” that some say it is?

I was curious and examined the fees of 13 non-public courses within a 25-mile radius of HH. I compared memberships similar to HH’s 18-Hole Resident Golf Membership. 8 courses are private; 5 are semi-private. This survey was informal and not all inclusive of the Northern Virginia area courses. However, I think their fees are representational of fees at many local courses.

Of the 13 courses reviewed, all 8 wholly private clubs have initiation fees ranging from \$2,500 to \$12,000. HH has no initiation fee. In 2023, the lowest monthly dues rate for the private courses was \$350; the highest was \$625. The median monthly dues rate was \$515. The HH resident rate will remain at \$282 per month through 2024. I did not have the 2024 fee schedules for the reviewed courses.

Of the 5 semi-private clubs, none charged an initiation fee. Two have monthly fee rates within \$10 of HH. The semi-private course closely located near HH has a monthly fee of over \$200 more per month than HH, but golfers pay the entire annual fee of over \$5500 at a one-time billing as opposed to HH which has a monthly billing. The 2 semi-private clubs charging similar fees to HH received overall golfer ratings of 3.5 and 4.0 compared to HH’s rating of 4.5 on Trip Advisor. Comments indicate that the other courses may not be comparable to the well-manicured and playable HH standards.

During consideration of changing golf membership, have you also considered potential non-fee related intangibles inherent when golfing elsewhere. For example, are you willing to spend time and energy to find other groups with which to play at a new course? Will you miss the foursome you tee it up with weekly? What about the inconvenience of traveling to other courses for the rest of your playing days?

And one final notable consideration: In recognition of the interruption of play in August and September, the HH HOA at its January meeting agreed to hold the monthly rates in 2024 at the 2023 rates for current resident members and to reduce the August 2024 fees by 50%.

HH HIKING CLUB

Now that we've had our Artic chill and a beautiful snowfall, it's time to start thinking of spring and getting back out on the trail. Hiking with a group gives you the benefits of

cardio exercise in a social setting with members of the HH community. Spring is a beautiful season in Virginia as bluebells and other wildflowers bloom and the trees gradually turn green.

Come join us and experience spring on some of the scenic trails in the area. We are fortunate to have so many hiking options in our area including local trails in Prince William and Fairfax counties, as well as more challenging trails in Sky Meadows State Park in Delaplane, and along Skyline Drive near Front Royal. We try to plan a hiking schedule that can be enjoyed by the new as well as the experienced hiker. You may hike next to a meandering stream, see a waterfall, or glimpse some reminders of our area's past such as an old mill, cabin or pyrite mine. For a peek at some of our past hikes, join the Heritage Hunt Hiking Group Facebook page at <https://www.facebook.com/groups/hhhikingclub>.

Interested in suggesting hikes for the group and/or leading your favorite hike in the area, then plan to join us for our planning meeting on March 5, Clubhouse Craft Room, at 7pm to build the spring schedule. We usually hike on alternate Wednesday mornings departing from the Clubhouse parking lot at 9 or 9:30 am depending on the hike location. We frequently make an optional stop at a winery or restaurant after the hike.

Our first hike will take place on March 20, 2024. More information about this hike and our Spring Hiking schedule will be sent to those on our HH Hiking Club email list. To be added to the hiking contact list, please email pthompson892@gmail.com. This will keep you informed of when and where we plan to hike this spring as well as cancellations due to weather issues.

LSTV

BOB COGGAN HIGHLIGHT

Ever since I was a kid growing up in Dallas, Texas, I was fascinated by the theater, not just the talent of the actors but the technical aspects of the production like the lights, audio, and scenery. In high school, I got involved with the light crew for assemblies and musical productions that our choir put on each year. My senior year, I became the head of the light crew.

Imagine my surprise when almost 45 years later I was asked to assist in the technical aspects of Heritage Hunt Little Theater's spring production of "Carol Burnett and Friends" last year. This is how I became involved with the LSTV Committee. At first, I was only assisting LSTV members in operating the audio portion of that production as they were seeking interested people to assist in their support of HHLT. I began attending meetings as a liaison from HHLT but have since been honored to support the entire community.

After graduating from high school in 1978, I attended The Citadel where I received a degree in Math in 1983. I returned to Texas after graduating from college to attend seminary in Ft. Worth. I have a diverse work history where I have experience working in churches, warehouses, lumber mills, packing plants, state government, defense contracting, logistics services and retail organizations. While I retired in 2022, I currently work for SAIC as a TSA K9 decoy on an on-call, part-time basis.

In addition to my civilian work experience, I served 22 years in the Army Reserve. I was commissioned in 1989 and served on Battalion staffs and ultimately attained the rank of

Lieutenant Colonel. I had 3 years of active-duty service including a combat deployment to Iraq in 2005-2006. My last assignment was a Battalion Commander of a logistics unit in Rockville, MD.

In my varied background, I have lived in Texas, SC, Michigan, and Wisconsin before coming to the Northern Virginia area in 2008 with a defense contractor in the area. I moved to Gainesville in 2017, then met my current wife, Andrea, on Match.com in 2018. I moved to HH in 2020. We were married this past Nov 11. I have three daughters of my own and inherited two stepsons, a stepdaughter and four step granddaughters.

When not busy with LSTV and my part-time job, I like to play golf, volunteer with the USO and my church, and see new places.

I have been honored to serve the HH community as a member of LSTV. I am grateful to be associated with a group of people who are very attentive to the needs of the community and who have welcomed me even with my limited technical experience. I encourage anyone who utilizes LSTV support to join our service to the community in this very vital way.

PICKLEBALL CLUB

ROGER YACKEL

Meet Roger Yackel. While the woods and wildlife close by were attractors to the community for Roger and his wife, Sue, having their two children and four grandchildren residing in nearby Bristow made the decision easy for them to move to Heritage Hunt 7 years ago. They share their home with their cat, Musetta Lucia (Mu).

Roger held Director positions in both Manufacturing as well as Health, Safety and Environment in the chemical business field. His work career was largely dedicated to one company which was bought and sold over a dozen times. He still provides consulting support to the company.

A cherished family experience occurred when Roger's wife, Sue, organized a trip to Scotland for their church choir. Roger and their two children were thrilled to join Sue, travel to Scotland, and sing in the choir. As luck would have it, a warm friendship was created with a Scottish Minister who later traveled to America to officiate at Roger's daughter's wedding which took place on a farm owned by George Washington.

Roger was an active member of the former Data Center Work Group. His commitment to this effort over the last two years continues and has greatly reduced his play time on the courts. He always has his finger on the pulse with latest developments and is happy to update anyone interested.

Roger generally plays twice a week, has found it to be an easy game to learn, and our players to be very welcoming. He thoroughly enjoys the challenge of "singles" play with his son, which he tries to do whenever the opportunity presents. Over the last two years, Roger has competed in the Singles category at the Northern Virginia Senior Olympics, taking home a medal in his first year of competition. During late December, Roger was able to sneak in a number of pickleball games on their cruise ship as they sailed around Australia and New Zealand.

HH CHAPTER OF THE AMERICAN WINE SOCIETY

Yay! March and the beginning of meteorological spring has arrived! Sunset is clearly after 6pm and we should not experience a significant snow that causes cancellation of our monthly wine club meeting like we did in January!

In March, we also see more of our snowbird wine club members return, just in time for the rescheduling of our Arterra Wines event on Tuesday, March 19th. A

new registration email for the Arterra Wine event will be sent out by our membership team in early March, so watch for that sign up link and grab your spot. The March event is open to wine club members as well as guests, and the March event price remains \$30 per person, making it a great month to learn more about our wine club and how we combine wine education with a fun, sociable evening.

Members who ordered wines at our February event should see them arriving soon, shipped directly from Tenuta Torciano. This was the meeting to celebrate Sangiovese, the iconic Tuscan wine grape with its cherry notes and subtle aromas of tomato and Mediterranean spice. Sangiovese is the common denominator across most of the red wines experienced. We learned that Chianti, Vino Nobile di Montepulciano and Brunello di Montalcino are predominantly (often all) Sangiovese, and are wine region named, made under the Italian wine laws defining quality levels.

The Super Tuscans differ, as they feature international grapes that grow well in the Tuscan climate, such as Cabernet Sauvignon, Merlot (and sometimes Syrah or Cabernet Franc.) Torciano blends native Sangiovese with international grapes to create some super (as in great) wines!

A reminder, at our February event we announced a planned increase to \$35 per person, beginning with our April event. This increase tracks with our rising costs to host the event and April's event sign up will reflect this new per person price.

HERITAGE HUNT WOMEN'S ORGANIZATION (HHWO)

Have you noticed that there is a little bit more daylight each evening as we slowly move toward spring? I was thrilled to see so many of our lovely ladies wearing red and pink for St. Valentine's Day at our February meeting. Now, the challenge is to search closets for green for St. Patrick's Day for our March meeting. I will be checking!!!!

MARCH PROGRAM

As the song goes, "April showers bring May flowers." We are so lucky to have our wonderful and creative friend, Doug Burrows, from the fabulous Flower Galley, to dazzle and entertain us with incredible flower arrangements during our March meeting. All of our members will have the chance to win one of these fabulous creations. In 2021, Flower Galley was recognized by Teleflora, the world's leading flower service, as a President's Club "Top 100" Florists. Our members have also been asked to bring to the meeting any old vases that they are no longer using. Doug repurposes these vases and provides flower arrangements to residents of local nursing homes.

Our wonderful Lunch Ladies are embracing the St. Patrick's Day theme with the March Menu of Irish beer cheese and soft pretzels to start and a buffet of beef Shepherd's pie, braised red cabbage, and a mixed green salad. There will be a decadent Irish cheesecake for dessert.

HHWO COMMUNITY DONATIONS COMMITTEE

In the month of March, this committee will be asking HHWO members, as well as residents of HH, to submit funding applications for local charitable organizations that could benefit from HHWO financial assistance. Instructions for applications will be published in the March Acorn and this issue of the Horn, on page 47.

Can't wait to wear green!!!!

Business Meeting, Program & Luncheon
Tuesday, March 12th at 10:00 am in the Clubhouse Ballroom

Program Featuring: Doug Burroughs

Spring Flowers

Doug returns by popular demand. As lyricist W. S. Gilbert says in the Mikado: "The flowers that bloom in spring, Ta La...breathe promise of merry sunshine, Tr la... [and] we welcome the hope that they bring, Ta la." In the same vein, Doug will present a look at spring blooming plants in two-three different arrangements to help us look forward to warmer days and colorful blossoms. Doug never fails to provide an entertaining and informative program.

Lunch begins at noon. Reservations are online only. Contact Jane Alger jalger12@comcast.net or Rosemary Wright rjvbrown1@comcast.net. Program only seating is available for HHWO Members not stayin for lunch.

TEARS

JOSEPH PETER GANEY

Joseph Peter Ganey, a loving husband, dedicated father and cherished member of the Northern Virginia community, passed away peacefully on December 14, 2023.

Born on May 25, 1943 in Buffalo, New York to a devout Catholic family. Joe was number nine of ten

siblings and his upbringing instilled values of faith, commitment and family, shaping his remarkable life.

From an early age, Joe displayed a devoted commitment to his faith, serving as an altar boy and faithfully attended church every Sunday. His high school years were marked by his passion for sports, where he proudly carried the banner of a self proclaimed athlete, leaving a trail of spirited competition and unrelenting drive.

Upon graduating from St. Bonaventure University in 1965, Joe embarked on a professional journey leading him to the Eastman Kodak Company where he found his life long career. From 1966 to 1972, Joe also served honorably in the United States Army Reserve. While at Kodak, he steadily ascended the corporate ladder through his dedication and resilience, devoting 31 years of unwavering service until an unforeseen stroke in 1994 that eventually led to his sudden retirement, significantly altering his life.

During his career, Joe crossed paths with Peggy on an airplane, (Peggy was a former flight attendant with TWA) and their meeting blossomed into a beautiful union. On May 29, 1971 at Quantico Marine Corps Base, they exchanged vows beginning a journey of love, partnership and unbreakable companionship that spanned 52 remarkable years.

Joe's legacy lives on through the love and memories he shared with his loyal and devoted

wife, Peggy, and his three beloved children. He was not just a father, but a guiding light, shaping their lives with wisdom, love and unwavering support.

Joe is survived by his loving wife, Peggy, daughters Patricia (John) Smith, Carolyn (Peter) Wambach, son Brian (Christine) Ganey, 6 grandchildren, Mitchell, Brady, Kelsey, Ryan, Connor and Jack; sister Judith Charters, brother Michael (Toni) Ganey and many nieces and nephews.

Joseph Peter Ganey will be remembered for his unyielding faith, dedication to family and resilience in the face of adversity. His legacy echoes through the lives he touched, leaving an indelible mark for all who had the privilege of knowing him.

A resident of Heritage Hunt since 2008, Joe was involved in many activities such as the Tuesday men's golf, Bocce, Little Theatre Group and especially enjoyed swimming and sunning at the pool. When able, he participated in the annual Cancer Walk riding his tricycle, as well as, participating in several excursions to Nats Park and the National Theatre.

JOSEPH DAVID ROTE

Joseph David Rote was born on March 9, 1943 in Baltimore, MD. Joe attended Mount Saint Joseph College and University of Baltimore where he received the Who's Who In American Colleges award. After college Joe worked for the IRS until he enlisted in the Army National

Guard where he served eight years.

Joe and Dianne met in 1962 when Di was 16 and Joe 19. From the time of their first date they only dated each other until they married in 1967. They have two daughters, Kelly and Kimberly and four grandchildren, all local.

Joe worked for Martin Marietta (Lockheed Martin) who's corporate offices were in New York so the family moved to New York until Martin's moved their headquarters to Bethesda and the family moved back to Baltimore where Joe accepted the position of Controller, the youngest Controller Martin Marietta had ever had. The family moved from Baltimore to Tampa, to Northern Virginia to Michigan and then back to Virginia. While in Tampa, Martin Marietta sold off Joe's division to LaFarge Corporation from where Joe eventually retired. During this time Joe went back to school and earned his MBA in Finance, graduating Summa cum laude.

Joe's main joy in life were his children and he oh so adored his grandkids and they oh so adored him. He played with them like he was a kid himself. It was special to watch. Joe also used his retirement years to volunteer at his grandchildren's elementary school teaching Passport Club, interesting facts about different countries around the world. Joe kept his kids engaged and excited about learning. The children loved this and gave up their lunch period (a sandwich was eaten in class) to participate. He did this until both of the older ones graduated 6th grade. He connected

so well and had a tremendous impact on these kids. Joe took great pride in that. He also ran a boys book club. Joe missed his calling - he should have gone into teaching. He also belonged to The Lion's Club and was a member for years.

Joe was preceded in death by his parents and is survived by his wife Dianne, married 56 years, his two daughters & son-in-laws, his grandchildren Ryan, Emily, Jack & Shea, his two brothers & nieces & nephews. He will be missed & loved by so many, both family & friends alike.

Joe loved living in Heritage Hunt. In fact he loved it so much he took an early retirement. He said he just couldn't stand leaving for work and seeing all the golfers already on the course!

YOU WILL BE
missed.

► **THE THRILL OF THE HUNT QUILTERS** meets from 1-4 PM, the 2nd & 4th Thursday, in the Craft Room. If you can thread a needle, you can learn to quilt. Call Joan Gifford at 703-743-2109 or Dava Burke at 703-743-1770.

► **HH WOODCARVERS** meet every Tuesday in the Clubhouse Craft Room from 12:30 PM to 3:30 PM. If you would like to try something to do that is different from what you tried before, try woodcarving. You don't need to go to a wood supply store and pay \$85 dollars for the basic instructions. We do it here at Heritage Hunt at no cost to you to try and learn. Beginning and experienced

carvers, women, and men are welcome. There is no cost to you as we provide the knife, glove, wood, and lessons for your first project which is usually a dog or stylized duck. You may see some of the carvings completed by carvers here at HH in the display case in the lower lobby next to the UTP office downstairs. Contact J.C. Evans, 703-743-1321 or Jon Crissey, 703-743-1317.

► **HH WOODWORKERS** meets 2:30-4:00 PM the 2nd Thursday of each month, usually in the Clubhouse Mt.View Room. The purpose of the Group is to assist the community in maintaining and operating the woodshop so residents have a place to work on personal projects, on projects for the HH community, and for local charities. The Group also provides a forum where residents can increase their woodworking knowledge and skills. Basic woodworking classes are offered at various times during the year. Contact Andy Johnson at 703-743-5181 or Ross Kerr at 860-508-0652 about joining the WWG. Contact Bob Rogers at 703-609-2924 about classes.

MEDICAL SUPPLY DISTRIBUTOR HELP NEEDED

For many years we have had the gift of two wonderful residents who have dutifully distributed the loaning of medical equipment in our Community. Mary Kay and Bob Dunn have provided a wonderful service to

our residents. It is time for the Dunns to step down and a new helper to emerge. If you can volunteer for this position, it would be very helpful!
WE NEED YOU!

All medical supplies are donated and you would have all the equipment in your basement or garage. As the need arises, people would call you to borrow items such as walkers, canes, diapers, shower chairs, heating pads etc..

This loaning of medical equipment is such a wonderful gift for our community. We never know when we may have the need to borrow something even temporarily.

PLEASE CONSIDER VOLUNTEERING FOR THIS POSITION!

Call Elaine Romanias, Community Relations Committee (703-472-9145) if you are interested in volunteering for this very needed position!

Now is always the best time to buy cemetery property.

Purchasing cemetery property today is your best protection against rising prices and limited inventory. Whether you choose burial or cremation, we have options for every belief at any budget. Contact us today to learn more.

FEELING DIZZY? YOU'RE NOT ALONE!

Do you ever feel like the room is spinning even when it's not? Well, you might be experiencing something called benign paroxysmal positional vertigo, or BPPV for short. It's actually the most common cause of vertigo.

And here's a surprising fact: In people over 65 years of age, BPPV is responsible for an estimated 30% of cases of dizziness.

But, there's good news! Our physical therapists are experts in BPPV, resolving 90% of cases in 1-3 treatments.

If you've been experiencing brief episodes of vertigo associated with change of head or body position, there's a good chance you have BPPV. And, there's a good chance we can help!
