GENERAL MANAGER'S MESSAGE

COMMUNICATION IS KEY!

Are you receiving important community updates? Heritage Hunt has numerous communication channels to keep you informed including the monthly newsletter (The Horn), community website (heritagehunt.net), Board and Committee meetings, the bulletin board in the Clubhouse (located on the wall outside of the Mt. View Room), HHTV (channels 971/972 on Comcast) and community wide e-mail blasts (The E-Communicator). The e-mail blasts are utilized for both updates and important announcements, however, recently we realize that sometimes so much information is sent out that Residents can begin to put communications on the shelf to read later or disregard as not pertaining to them. Often we hear that Residents did not read an important communication sent to them regarding services (trash, cable/internet, front gate operations, etc.), outages, facility closings or maintenance issues, or other important announcements. To assist you in keeping informed of the things you need to know, we are working hard to limit “informational” items/updates to our “Friday E-Comm” e-mail blast so that when important announcements/updates are sent out on other days during the week, you can generally assume that you are receiving important information that should be reviewed. If you are not signed up to receive the E-Communicator, we hope that you will take the time to sign up by going to the link on the Heritage Hunt website. The link can be found on the Member Home page. Look for **Weekly HOA Email Communications**.

HOW TO STAY INFORMED

Heritage Hunt residents have many ways to stay up-to-date with what is happening in their community. Below are the most common and useful.

- **The Heritage Horn:** This one is easy. You're either holding the print version right now or viewing it on the Heritage Hunt website at: <https://www.heritagehunt.net/member-home/homeowners-association>. The Horn is a monthly publication mailed to all residents.
- **Heritage Hunt Website:** Accessible at: <https://www.heritagehunt.net/>. Our community website contains a wealth of information. To get log-in credentials or ask questions about website navigation, contact adminassistant@heritagehunt.net or call (703) 743-2000 ext. 4.
- **General Community Calendar:** On the Heritage Hunt website at: <https://www.heritagehunt.net/member-home/calendar>
- **HOA Community E-mail:** The E-Communicator is an e-mail distribution (normally on Friday) that contains notices and information on upcoming events. Sign up at: <https://lp.constantcontactpages.com/su/rzqo49x> or email lifestyle@heritagehunt.net.
- **Dining E-mail:** "What's Cookin' at Heritage Hunt" is an e-mail distribution that focuses on offerings by our dining facility, such as daily specials and special events by our food and beverage vendor, CulinArt.
- **Golf E-mail:** Hunt Happenings is an e-mail distribution that currently contains information pertaining to Golf communication by our golf vendor, Landscapes Golf Management. To receive Hunt Happenings to stay informed about Golf at Heritage Hunt, please contact the Pro-Shop at 703-743-2000, ext. 1
- **T-Communicator:** This is a telephone notification system to alert residents of short-notice items of community-wide importance. All residents have been registered for this service. To remove your number, add an additional number, or change your number, contact the CAMP at: adminassistant@heritagehunt.net.
- **Board of Directors and Committee Information:** Accessible via the Heritage Hunt website at: <https://www.heritagehunt.net/board-committees>. Informational notes also appear monthly in The Heritage Horn.
- **Heritage Hunt TV:** Heritage Hunt has its own television channels 971 and 972. HHTV channel 971 shows a recurring list of informational notices. These can also be displayed on computer at: <https://www.heritagehunt.net/member-home/hhtv>. Channel 972 may be used for live displays or rebroadcast of community meetings.
- **Heritage Hunt Community Bulletin Board:** This is a tool to allow residents to post notices or share information with each other (such as contractor information). The bulletin board is accessible via the Heritage Hunt website at: <https://www.heritagehunt.net/member-home/message-board>.
- **Community Directory:** This is a listing of residents and their street addresses, phone numbers and e-mail addresses. It is accessible via the Heritage Hunt website at: <https://www.heritagehunt.net/member-home/profiles>. There is also a print version that is provided to residents. Any resident may restrict or opt out of sharing their information by contacting the Lifestyle Director at lifestyle@heritagehunt.net or (703) 743-2000, ext. 4.
- **Management Team:** Our community is administered via a management contract which has been awarded to Community Association Management Professionals (CAMP).
 - To reach a member of the staff during normal business hours, call the Heritage Hunt HOA Office at 703-743-2000, ext. 4
 - To contact CAMP for an after-hours common area emergency, call (855) 477-2267

MARCH BOARD BRIEFS

March and Its Madness Marches Along!

With March comes the excitement of spring and the hope of leaving winter behind us. This month features returning snowbirds and golf, gearing up for bocce and pickleball, rousing college basketball tournaments, and raising a glass of your favorite beverage in the Red Oak Bar and Grill (ROBG) on St. Patrick's Day.

Prince William Water is getting closer to completing the force main and pump station project. Many tests have been conducted and will continue before the final step of demolishing the old pump station. There are no new updates regarding the Civil Investigative Inquiry from the Department of Justice related to the Paycheck Protection Program loan.

The Board's Communications Work Group is planning a series of free tutorials to help residents navigate the website. If you're having trouble finding your way through it, be sure to bring your laptop, smartphone, or tablet and sign up for a class.

Now, on to the fun stuff!

The Community Relations Committee (CRC) and CAMP's Lifestyle Director Janette Nash have two great excursions planned for March. The excursion to Riverdance at the Kennedy Center on March 13 is already a sell-out. On March 26, the Cherry Blossom Cruise currently has a few seats available. The Resident Forum on March 4 features Charles Silver, who will present The Cherry Blossom Festival at the National Museum of Asian Art.

Welcome back to the links, Golfers! The Icebreaker Tournament is scheduled for March 15. Landscapes Golf Management (LGM) has many more tournaments in store this coming season. LGM introduced Bryce Juedes, Chief Financial Officer, Landscapes Unlimited (LU) Fleet Management, to the Board, Golf Committee, and other interested residents. LU Fleet Management offers options to lease rather than buy some of the larger pieces of golf maintenance equipment. Leasing some of the equipment will save money while preserving our capability of maintaining the golf course in tiptop condition.

Swimmers! The Board approved hiring Orr Partners as project manager for the repair and possible replacement of the indoor pool ceiling. The plan is to close the indoor pool after the outdoor pool opens on Memorial Day. Presuming all goes well, the indoor pool will re-open in late August before closing the outdoor pool on Labor Day.

Calling all crooners and warblers, CulinArt kicks off the month with the second Karaoke Night on Saturday, March 1 in the ROBG. To celebrate St. Patrick's Day, CulinArt is planning a party on Sunday, March 16. Raise a glass of Guinness or other beverage of your choice that makes your (Irish or not) eyes smile and steal your heart away. Slainte, everyone! Then we enter college basketball's March Madness. March 27 – 31 will be a major weekend featuring the Sweet 16 and Elite 8 NCAA men's and women's tournaments. Watch the games and cheer on your favorite teams in the ROBG. Or, if you're hosting or attending a watch party, order plenty of nibbles and noshes from Chef Ryan and the catering team.

Finally, for all of us, a wee Irish blessing with a slight variation... May the road rise to meet us, may the wind be always at our backs, may the warm rays of sun fall upon our faces and our homes, and may the land of our friends always be near.

Maureen Storey - Board President

HONORING OUR NEIGHBOR

JOHN LYVER

Neighbors--

On February 17th the Virginia State Legislative Information System (LIS) released a copy of the Senate Joint Resolution honoring the life of our neighbor, John Lyver. It's a wonderful tribute to John and his service to the Nation, the Commonwealth of Virginia, and the Prince William Community. John's accomplishments and service are well documented in this resolution.

2025 SESSION

INTRODUCED

25100099D

SENATE JOINT RESOLUTION NO. 440

Offered February 17, 2025

Celebrating the life of John William Lyver IV.

Patrons—Roem; Delegate: Thomas

WHEREAS, John William Lyver IV of Gainesville, a distinguished veteran of the United States Navy, former safety manager at the National Aeronautics and Space Administration, and passionate advocate for the well-being of the Prince William County community, died on June 16, 2024; and

WHEREAS, born in Drexel Hill, Pennsylvania, John Lyver graduated from the United States Naval Academy, where he sang in the choir and played trombone in the Drum & Bugle Corps; he went on to serve his country on active duty aboard the USS Du Pont and the USS Carl Vinson and later retired from the United States Navy Reserve with the rank of lieutenant commander; and

WHEREAS, in civilian life, John Lyver worked at the National Aeronautics and Space Administration for nearly 25 years; as the nuclear flight safety assurance manager in the Office of Safety and Mission Assurance, he led nuclear safety reviews of the Cassini-Huygens mission to Saturn, New Horizons mission to Pluto and the Kuiper Belt, and multiple missions to Mars before his well-earned retirement in 2012; and

WHEREAS, John Lyver furthered his education with two masters degrees and a doctorate from George Mason University, and after his retirement, he inspired students as an adjunct professor of computational data sciences at his alma mater, earning the Teacher of Distinction award for his outstanding online instruction; and

WHEREAS, John Lyver also taught at Northern Virginia Community College and was involved with many civic and service organizations, including the National Society, Sons of the American Revolution, and American Legion Post 1799; and

WHEREAS, an Eagle Scout, John Lyver founded Boy Scouts of America Troop 1577 in Herndon and was a volunteer leader for many years; he was also a longtime elder and deacon in the Presbyterian Church; and

WHEREAS, John Lyver was well-known in the region for his tenacity and intellectual prowess as a volunteer member of the Prince William Data Center Ordinance Advisory Group, where he developed detailed analyses on data center noise, power consumption, financial impact, and other effects on the community; and

WHEREAS, John Lyver had recently been appointed to the Prince William County Planning Commission and was proud to use his technical expertise to help county officials make well-informed decisions on land use and zoning; and

WHEREAS, John Lyver will be fondly remembered and greatly missed by his wife of nearly 16 years, Sally; his sons, John V and Thomas; his stepchildren, Stephanie and Andrew; and numerous other family members and friends; now, therefore, be it

RESOLVED by the Senate, the House of Delegates concurring, That the General Assembly hereby note with great sadness the loss of John William Lyver IV, a distinguished veteran, respected scientist, and highly admired member of the Prince William County community; and, be it

RESOLVED FURTHER, That the Clerk of the Senate prepare a copy of this resolution for presentation to the family of John William Lyver IV as an expression of the General Assembly's respect for his memory.

ANNUAL INSPECTIONS

The Annual Inspections will resume in April 2025. Heritage Hunt remains very desirable in the real estate market in good part from the care and attention that you give to your property. Below are the most predominant courtesy notices associated with home exteriors. You can avoid receiving an inspection courtesy notice if these items are addressed prior to your inspection.

CLEANING (Design Guidelines Maintenance Standards page 3-9 Owners/Residents, General Rules, & Quick Reference Guide)

Check your siding, gutters, deck/porch, patio, stairwells, foundation, driveway, walkway and roof shingles of your home. These are all susceptible to **dark sediment and mold growth** and just need to be cleaned. These affected areas of your home should be cleaned PRIOR to your inspection month.

RUST & TARNISH (Design Guidelines Maintenance Standards page 4-General Rules)

The metal on your light fixtures, railings and AC units can **rust** over time.

This can be cured with rust-free exterior paint or for the lights, replacement of the fixtures. Check for rust or tarnish and have it taken care of PRIOR to your inspection.

REPAIR & PAINT (Design Guidelines Maintenance Standards page 4-9 Owners/Residents, General Rules, & Quick Reference Guide)

Check your home for **wood rot** and **chipped or worn** paint on exterior areas of the home, such as window and door trim, foundations, driveways, and stairwells. This notice requires more attention as it will include repair and/or re-painting. Please think ahead with your month of Annual Inspections and have the necessary work completed in advance.

LAWN & LANDSCAPE (Design Guidelines Maintenance Standards page 3, 5-9 Owners/Residents, & Quick Reference Guide)

All yards need to have some type of weed control. It does not matter whether the weeds are in the rear, or in the landscape beds, or if you have a very small lot, you still need to have control over weeds on your property.

- Any lawn growth **above 6 inches** is a violation and this violation uniquely requires a speedy 10-day remediation.
- When mowing, please remember to trim all grass that is missed from the mower.
- Please keep trees and shrubs trimmed back to your property line. If you have a tree at the sidewalk, remember to keep the height of the branches trimmed up for walking clearance. Winter is a good time for trimming the trees & shrubs.

MAILBOXES (Design Guidelines Maintenance Standards page 7 Quick Reference Guide)

Check your mailbox for numbers on both sides and for faded or peeling numbers that need to be replaced. If your mailbox post has faded stain or paint, or if it has mold, please clean and freshen up the paint or stain on your post. Also please keep your white Washington Post box clean or remove it if it is cracked and broken.

LIFE LINE SCREENING

The CRC members are excited to bring Life Line Screening to our Heritage Hunt Clubhouse.

80% of strokes are preventable according to the American Heart Association.

Life Line Screening is a series of 5 medical tests that provides painless and non-invasive ultrasound screenings that can reveal dangerous plaque buildup or blockages and detect the risk of stroke and cardiovascular disease. One appointment: 5 critical screenings provided right here in our community.

Life Line Screening will be at Heritage Hunt Golf and Country Club on Monday, April 21, 2025 and are offering a special screening package for our residents.

Information to sign up is on page 11 of this edition of the Horn.

The Cherry Blossom Festival at the National Museum of Asian Art (NMAA)

Every year since 1935, the National Cherry Blossom Festival has been held on the National Mall. This year, the 2025 National Cherry Blossom Festival is scheduled for March 20 to April 13. The NMAA has tried to supplement the natural beauty of the blossoms with their representation in the art of Asia through virtual tours of the objects in our galleries. This tour will look at the origin of the practice of viewing these blossoms as we welcome the arrival of spring, discuss how the practice moved from China to Japan and is celebrated today, look at paintings and ceramics with this theme in our collection and discuss the history of how the Cherry Blossoms came to be a wonderful part of our National Mall.

Charles Silver is a retired Foreign Service officer whose career in the State Department enabled him to live and work in many countries in East Asia. Since 2018 he has been a volunteer docent at the NMAA where he and his more than 70 colleagues lead in-person visitor tours in the museum as well as offering virtual tours on line tours. We hope this presentation will wet your appetite for our collection of over 40,000 objects and encourage you to visit the museum in person. Information about the museum, its collection, hours, and tours can be found at the museum website: Homepage – National Museum of Asian Art.

EMERGENCY PREPAREDNESS COMMITTEE

HOW CAN WE PREPARE TO HELP OURSELVES AND OUR NEIGHBORS IN AN EMERGENCY

March in some areas of our country is referred to as a transition time between winter and spring. The old saying I remember from my childhood; March comes in like a lion and goes out like a lamb. I am beginning to believe with all the snow we have had, it came in like a lion.

This month marks many important social, cultural, global challenges, events, and inventions:

- New beginnings: March is often seen as a time for new growth and renewal in nature. Before digging up your yard and planting the garden you always wanted. Make an appointment with your medical provider to ensure any new physical springtime activities are safe. And call Miss Utility before you dig.
- Saint Patrick's Day
- International Women's Day: Highlights women's achievements and advocates for gender equality.
- In sports, NCAA basketball tournament, often referred to as "March Madness" (This is my favorite.)
- Telephone: March 7th 1876, Alexander Graham Bell patented the first telephone.

March celebrates many events and people. If I have failed to mention an event or holiday that is your favorite, please do not be offended. I just read about two more days that were new to me; 'National Learn about Butterflies Day' and 'International Forest Day'. If you plan to visit one of our area forests. Do you know the correct driving procedure when coming up to a pedestrian cross walk? If you are in your car approaching a crosswalk and your neighbor is in or approaching the crosswalk. Do you, as a driver, know what you should do? The February Horn has an article about crosswalks.

Springtime is just around the corner. Before beginning any physical springtime activities consult first with your health care provider. We have waited all winter for this time of year. A medical checkup is always wise, let's ensure we are physically ready with doctors' approval.

A safety suggestion for Spring time 2025, install a Knox Box on the front of your house. The Knox Box contains your front door house key. The Knox Box can only be opened by the local fire/rescue department, as shown by Lt Culbertson from Prince William County Fire

Marshall Office, locking the newly installed Knox Box with our North-West Zone Director Kreykenbohm. There is a cost for the Knox Box, but will save your front door in case of an emergency when rescue people are called.

You can contact the Emergency Preparedness Committee for details on the safety and health programs just listed at emergencypreparedness@heritagehunt.net. As always, we need volunteers so we can be ready when an emergency occurs to protect the health and safety of our neighbors.

So, until next month: Be Safe – Be Prepared – Be Vigilant.

*Bob Stepien, Member
Emergency Preparedness Committee*

BRUNCH - WITH THE FIRST RESPONDERS

Heritage Hunt is hosting our annual Brunches for Fire station 4 again. This is just one way we as a community can say thank you to our wonderful first responders. We will be hosting Shift C at 11am on Sunday, March 9 and Shift A at 11am on Sunday, March 23rd. Shift B enjoyed their brunch on February 23rd. Feel free to drop by, or join us (at your own expense), to express your gratitude for their services to our neighborhood.

FACILITIES COMMITTEE

The Facilities Committee is extremely excited to be serving you in 2025. We are initially focused on transitioning existing Facilities projects as not to miss a beat with our highest priority to building a team and supporting processes that best meets the needs of our most important customer, you the Heritage Hunt Homeowner! Today we will explain what we do, who we are, how you can help us, our goals and in subsequent articles, we continue to fill you in on our project status, etc., to keep you advised as we continue our transparency in our efforts. If you would like to contact us with suggestions, concerns or observations, please do not send emails to our personal email addresses, rather for general info use: FacilitiesCommittee@heritagehunt.net, and requests for action, please use: facilitieschair@heritagehunt.net. These email addresses are constantly monitored, and our responses will be expeditious.

Our key responsibilities as well as our new and exciting Goals for 2025 are:

1. Periodic inspection and oversight of the HOA-owned facilities: basically, buildings with a roof and walls inclusive of tennis, pickle ball, outdoor pool and bocce courts,
2. Advise the Board of Directors on any recommendations that we have on operation, maintenance, improvements, and enhancements of the HH Facilities,
3. Coordinate with the HOA Managing Agent on the initiation and execution of contracts,
4. Provide input to the Budget and Finance Committee and the Managing Agent for preparation of the annual operating budget and the annual reserve study review or updates,
5. Provide responses as appropriate to requests from residents regarding facilities related enhancements, questions, and community services,
6. Provide relevant status and updates on Facilities committee related projects by placing articles in the Heritage Horn or via an e-communicator as warranted by the issue.

Our enhanced and newly determined goals as we move forward will focus on:

- o Improving the community
- o Ensuring active participation of this committee and others who can support us

o Improving and focusing on Communications and transparency

o Understanding how we can best use our budget and other resources to support Heritage Hunt

*Thank you – your Facilities Committee members
Nancy Langley (Chair,) Ira Arbus (Vice-chair,)
Laurie Bright (Secretary,) Jane Kaufman, Bill
Wright and Dermot Callan*

FOOD & BEVERAGE COMMITTEE

MARCH - THE MONTH TO THINK SPRING!

Hopefully, March will bring us good weather and an opportunity to be outside more. We have so many activities to enjoy here in Heritage Hunt. While you are out and about, stop for lunch with your friends at our wonderful Red Oak Bar and Grill. What a convenient and great place to meet.

St. Patrick's Day will be here soon. Plan to attend the St. Patrick's Day Party on Sunday, March 16th, 2025, in the Great Oak Ballroom from 5 pm to 9 pm. You will enjoy Celtic music by fiddler Donna Elanor Smith. There will be open seating. Be sure to wear leprechaun green! You will be entered into the St.Patrick's Day Raffle!

Sign up using the HH Blue Forms or through the Heritage Hunt Catering Office.

The Food and Beverage Committee continues to be busy throughout the year planning ahead for new events and making sure our community has the activities they desire. We try to listen to the community and make recommendations to the Board of Directors as we receive your input.

We meet on the third Wednesday of every month at 10 a.m. in the Mt. View Room. We welcome residents to join us and give us input. We encourage your suggestions.

It is exciting to experience some of the new ideas Culinary is bringing to our dining room. Have you tried the new menu for Brunch on Sunday? Brunch is served from 10:30 am to 3 pm. Check it out. I think you will be pleasantly surprised.

Save The Date:

Casino Night - April 5th
Easter Brunch - April 20th

HH CAR CLUB

Hello! A new year is upon us and the Car Club is warming up their engines for another year of fun on the run. We are planning various tours, our annual car show, attending charity events and exploring the surrounding area all while enjoying the fun and comradery of our fellow automobile

enthusiasts. Recently, member Jan Blue and I paid a visit to the Washington DC Car Show to view the latest makes and models (See picture). We also feature displaying our car club bumper sticker in faraway places!

The Heritage Hunt Car Club is truly a fun and exciting group of like-minded residents right here in Heritage Hunt. Anyone who loves the joy of driving a vehicle may join the club and annual dues to support our activities are very minimal. You do not need to own a unique, expensive or rare vehicle and all makes and models are welcome. The Club meetings are held the second Thursday of each month from March through October at 5:30 p.m. to 6:30 p.m. in the Clubhouse Mountain View Room. Our first meeting of the year is Thursday, March 13th in the Clubhouse Mountain View room. At our meetings, we discuss upcoming and past events, have guest speakers, and select and present to a select member their vehicle as the "Car of the Month." Please join us! BTW check out our website, <http://heritagehuntcar.club>, and our Facebook page, <https://www.facebook.com/groups/4549814907420192>.

COMMUNITY ADVOCACY GROUP

The Community Advocacy Group (CAG) will meet on Thursday, March 27th at 4 PM in the Clubhouse Craft Room (lower level).

CAG was established in May, 2024 "to inform and interact with Heritage Hunt residents on issues where civic engagement is essential." CAG provides a means to promote awareness of neighborhood issues and implement constructive change.

Here are a few of the ideas CAG has discussed at recent meetings:

- Ways to encourage volunteer participation
- Improving the Board and Committee nomination and election process
- Ways to improve neighborhood communications
- Establishing a computer club to assist technically challenged residents
- Ideas to improve the quality and efficiency of community amenities (e.g.; clubhouse restaurant, front gate security)
- Ways to ensure environmentally responsible HOA practices

CAG intends to work with existing Committees, working groups, interest groups and the Board of Directors to obtain consensus and buy-in on suggested improvements. CAG will establish liaisons with these organizations to help build a supportable business case before moving forward with any particular recommendation.

Additionally, CAG supports "outside the gates" efforts to protect our community. CAG will sponsor another Bingo fundraiser (to support the legal defense fund challenging the Prince William Digital Gateway) on March 26th at 1 PM in the Clubhouse Ballroom. Show your support, have some fun, and win cash prizes.

We welcome your voice and your ideas for community improvement. If you'd like to suggest something, join us to leverage the voices of sympathetic residents and take positive action. Choose to make a difference!

When Your Kids Are Old Enough to Move Back Home!

Well, folks, it's official—Candace's daughter, Chelle, just had a milestone birthday (we won't give away ages), and is now old enough to move back "home" to this incredible 55+ active adult community!

Candace and Chelle, The Girls of Real Estate, have been a mother-daughter team in the DMV area for 20 years. Candace, an active resident of Heritage Hunt, has helped over 60 families buy and sell in the neighborhood. From finding the perfect home to competing on the pickleball courts, Candace knows this community inside and out.

Whether you're moving in or just curious about the perks of Heritage Hunt living, look no further—contact Candace **TODAY!**

CROSSROADS CONNECTION

Food costs are still high, and we don't like egg prices in particular. However, we can afford to shop for food, and we are able to cover other expenses as well. Those less fortunate, however, need to choose cheaper cuts of meat, and even eat meatless meals. Parents of children who are food insecure, are very thankful for Crossroads as it supplements the federal breakfast and lunch meals during the school day, and also eliminates the scarcity of weekend food.

Crossroads has engaged in a rigorous review of grant opportunities and will pursue those that it qualifies for. As it waits out the process of application and subsequent awards, Crossroads will pilot a direct mail campaign to solicit monetary donations.

If you wish to make a secure donation, you can do so by opening the website shown below, hit the red menu button at the top right of your screen, and scan the QR code to DONATE MONEY ONLINE. You can also help by purchasing food and that's just as easy. While you navigate the DONATE options, select "Donate Food" below the former donate option. This will open the Amazon Wishlist. However you choose to help out, Crossroads thanks you!

The 2024 Annual Report is now available. Some important stats for Prince William County:

- 400 STUDENTS
- 18 SCHOOLS
- 14,400 BAGS OF FOOD
- \$250 COST PER CHILD

If you would like to get a copy of the Annual Report 2024, please contact Andy Zembower, azembower@gmail.com.

FINE ARTS CLUB

Ever thought about starting a sketchbook? Interested in travel or nature journaling? Come join us Thursday,

March 20 at 9:30 in the Craft Room in the lower level of the Clubhouse as the art group will explore the many ways to start or maintain a sketchbook. If you have one, bring it and any art supplies you want. We can share some of ours and consider the many methods and materials used in sketchbooks and journals. Don't have one? No worries. We will share some of our supplies. Just bring some paper and pen and or pencil to take some notes. With spring on the horizon this is a perfect time to continue or begin a new sketchbook. For more information, feel free to contact Kathy Webber at kathywebber3@gmail.com or by phone at 703-901-6882 or Ann Lesciotto at annlesciotto@gmail.com or by phone at 571-248-2799. Hope to see you there.

GARDEN CLUB

Our Heritage Hunt Garden Club continues to gather excitement for 2025. Four new guests attended our February meeting, joined, and we all enjoyed Sally Peterson's presentation on "Winter Sowing." Amazing things can happen in an empty milk container!

On March 27 at 10:00 in the Marsh Mansion we look forward to hosting Shelly Gaskins from Smithsonian Gardens coming to present "How Companion Plants Support an Earth-Friendly Rose Garden." There is good news on the front with Rose Rosette Disease. Dr. John Hammond of Cambridge, England reports promising developments in resistance breeding and other strategies for combating Rose Rosette Disease.

See you soon. Guests are always welcome.

GENEALOGY CLUB

The Genealogy Club will meet on Monday, March 24, at 2 PM in the Mountain View Room of our Clubhouse. Well known genealogist Thomas MacEntee will give a must-see webinar about AI (artificial

intelligence) via Zoom. With the media talking incessantly about this suddenly prevalent technology, we genealogists need to become more familiar with it. As Thomas MacEntee says, it will be in almost every aspect of business and society within five years, and that includes our family history research.

This webinar will focus on how AI can be used to help us find answers to vexing problems we all have encountered as we try to part the curtains of time separating us from our forebears. It discusses the basics of AI and goes on to explain how we can apply this technology to our genealogy research. Don't miss this Zoom presentation!

Meanwhile, the three sites listed below (there are many on the internet) can help us expand our knowledge and perhaps impress our children and grandchildren with what we've learned.

- Cyndi's List (<https://www.cyndislist.com/ai/>) currently has 12 items about artificial intelligence to explore.
- A Facebook group (<https://www.facebook.com/groups/genealogyandai/>) focuses on genealogists and artificial intelligence.
- Legacy Tree offers <https://www.legacytree.com/blog/using-ai-for-genealogy-research>.

Readers who are interested in learning about who is in our genes are welcome to come to our meetings, See "Fill Your Calendar" in The Heritage Horn for information about the Genealogy Club's meeting date and program title. We can help you get started on shedding light on the lives of your ancestors!

For more information, contact club president Bob Gawreski at bobgski@gmail.com.

THE GIVING CIRCLE

In the midst of plenty, hunger and malnutrition remain a persistent problem in Prince William County. Food insecurity is in focus this month, as March is National Nutrition month.

Food insecurity is more than just empty plates - it's lacking reliable access to nutritious food for a healthy life. It affects more than a child's education: it impairs their cognitive and physical development and can harm their mental health.

Food insecurity also affects an adult's ability to work, increases homelessness, and harms our community's overall health and well-being.

A 2023 Capital Area Food Bank study estimated that a staggering 36% of Prince William County is food insecure - affecting many of our community's most vulnerable children.

The Giving Circle of Heritage Hunt's mission is to support those in need by providing grants to local charities that provide food, clothing, shelter, literacy, and physical and mental health. Last year, we made grants supporting community food security to:

- The Assistance League of Northern Virginia for the "Weekend Food for Kids"
- Crossroads Connection for their 400 student "Weekend Food Program"
- The Haymarket Regional Food Pantry to provide milk and eggs for Jan. & Feb. 2025
- The House of Mercy food pantry to provide food to Manassas residents in need

When we contacted the Crossroads Connection food charity recently for an update regarding food insecurity, they responded, "The increase we see is in the elementary schools. It certainly is not getting any better."

Become part of the solution by joining the fellowship of The Giving Circle of Heritage Hunt - a 501(c)(3) charity. By pooling member deductible donations, we help feed the children and food insecure of Prince William County. This collective support enables The Giving Circle to make a significant difference in the lives of those in need within our community.

Anyone can become a full voting member by making an annual donation of \$365 or more. Full membership allows you to nominate and vote on grant recommendations to local charities. As a member, you'll meet other members at our events and can join visits to grant recipient charities to see first-hand how your donation is helping. Perhaps most important, you can give with the confidence that your donation will go to carefully considered charities and programs that help your local community.

If you are not currently a member, please consider joining us in providing food, clothing, literacy, and supporting physical and mental health in our community. It's easy. Simply email us at: TheGivingCircleHH@gmail.com to join.

GOLF - TOURNAMENTS

HH GOLF 25TH ANNIVERSARY YEAR TOURNAMENTS

Exciting Events and Key Dates

Golf Tournaments are just around the corner as we kick off the 25th Anniversary Year of Heritage Hunt Golf. As in years past, the Tournament Subcommittee has presented a variety of both fun and challenging events. These tournaments vary in format, allowing for both individual and team games monthly from March to October. The schedule is not only published in the Horn but is also posted on the Bulletin Board in the Golfers Lounge. Sign-up sheets are available at the Pro Shop Desk.

Key Tournaments and Dates

The Icebreaker Tournament

The Icebreaker Tournament, appropriately named, is scheduled for the 15th of this month, with a snow date set for the following Saturday if needed. This tournament is a Florida scramble with 4-person teams of mixed A-B-C-D handicaps assigned by the Pro Shop. As always, we ask that you sign up early, but at least no later than Wednesday before the event. This is an ideal time for new members to meet people and get involved.

Member-Guest Tournament

On June 21st, the Member-Guest Tournament will take place, and it does not require a handicap as the Calloway format is used. You may bring up to three guests, and it is a special opportunity to bring friends and family to play on our new turf at a substantially reduced fee. If you haven't participated in the past, consider giving this event special consideration this year.

September Scramble

A new event this year, the September Scramble, is scheduled for the 20th. It follows the same A-B-C-D format as the Icebreaker, encouraging maximum participation by new members who may have joined over the summer.

Club Championship and Member-Member Tournament

The Club Championship is now scheduled for August. The Member-Member Tournament in

October will be our final tournament, culminating in the Top Gun Shoot Out as the grand finale.

Women's Flight and Awards

A major change this year is that all tournaments will have a women's flight regardless of the number of participants. Top Gun points and Pro Shop credit will be awarded for the top three places in each flight.

Participation and Feedback

Ideas are always welcome on how we may improve our golf experience. We encourage all members to take part in these events and share their suggestions to enhance our golfing community.

GOLF - CART PATHS

WALKERS, WATCH OUT FOR THAT GOLF BALL!!....THUNK!! (OOPS, TOO LATE)

For many of us, the beauty of the community, including the golf course, was a major factor in our decision to purchase a home in

Heritage Hunt. And there is a temptation to get closer to that beauty by taking a walk or jog on the golf course cart paths. BUT, BEWARE!! Danger is lurking for walkers anytime golfers are on the golf course!

As a golfer, I am quite aware that golfers spray their golf shots in all directions! I am always vigilant of who is getting ready to hit their ball and where I am positioned with respect to this golfer. I am especially observant if I am on the cart path within 200 yards of golfers hitting from the teebox. I have had several playing partners struck by golf balls, in the arm, leg, torso, and even the head. It is very dangerous, given the speed that the ball is traveling, and it is not a pretty sight to be struck! And some of these injuries have required medical treatment and/ or kept the injured party from being able to perform normal activities for several weeks. The concern about non-golfers being on the course with golfers is that the non-golfer would not be as observant as to where the golfers are and whether or not the non-golfer is in the potential line of flight of the golf ball.

As a non-golfer, you may have wondered: "When can I use the golf course cart paths?" Many private golf clubs (similar to ours) do not allow use

of any part of the golf course (including cart paths) by non-golfers at any time! The Heritage Hunt policy, written in the Heritage Hunt Golf Rules and Regulations is as follows:

“During operating hours, only Golfers, persons authorized by the HOA, or persons authorized by the Golf Services Vendor, may be on or use the golf course, including cart paths. Non-golfers are prohibited from access to the golf course during golf course operating hours.”

Golf course operating hours vary throughout the year. In general, this is defined as sunrise to sunset, as that is when golfers or golf maintenance personnel may be on the golf course, including using cart paths. If you want to walk on the cart paths, but are unsure if golfers are on the course, contact the Heritage Hunt Pro Shop (703-743-1000).

So, the rule of thumb for non-golfers is, if you see golfers on the golf course, please stay off of the course and cart paths, for your own safety!

A Look Behind the Curtain

I asked some of our technically gifted people to explain some of the things we do that this community never sees. If we/our community can hear the band or the microphones work, everybody goes home happy.

The equipment that LSTV supports belongs to this community, so when I say we, I mean all of us, not just LSTV.

We just went through a significant equipment upgrade in the MVR and Ballroom. We successfully replaced (2) sound mixers. There were so many intermittent failures of the mixers, they were degrading the quality of the events. What does a “sound mixer” do? When there is a Board of Directors (BOD) meeting, there are 12 microphones that need to be balanced by LSTV volunteers, using the sound mixers. This balancing makes sure that each BOD member and the resident mic can be heard at the optimum level, both in the room as well as out to the community via the HHTV broadcast. LSTV needs a minimum of (6) people to support a BOD meeting.

To replace those mixers, the old mixers had to be removed from the rack, the new mixers physically installed, configured and integrated into the LSTV system. This engagement took 7 LSTV volunteers and (5) days to complete. This is why January events in the MVR and the Ballroom had to be juggled and coordinated.

After the physical installation, there was a period of verification, testing and training to confirm our expectations were met. The good news is that because of the dedication and teamwork of your LSTV team, the new equipment performed flawlessly at our last BOD meeting to the point that nobody was able to tell that a significant change had taken place, and the community received a better-quality experience.

Once again, we could hear the band, and the microphones worked and everyone went home happy.

Most of the sound and light equipment here at HH is 10-15 years old and is failing intermittently. Our community as well as LSTV has a level of expectation for shows and committee meetings. When the equipment can no longer perform to its expected level, it's the brilliant volunteers at LSTV saying, “The Show must go on!”

PHOTOGRAPHY CLUB

HH Photo Club is a forum where members of all experience levels are inspired to enhance their photographic skills. We meet the 4th Tuesday of the month at 7PM in the HH Ballroom. Join us.

Our theme for the 2024-25 club year is New Ideas, and our members continue exploring the many aspects of photography. Our current exhibition, **That Wintery Feeling**, hangs in the Red Oak Bar & Grill and the Ballroom Hallway. We'll hang a second tranche of photos in the

hallway mid-March, so if you looked once, look again! Planning for our next exhibition, **Buildings & Bridges**, is underway. We'll have a photography workshop and an associated photo safari. Look for further information.

In February we continued our presentation series with the renowned Charles Needle who gave a fascinating presentation, *Impressionistic Photography: How to use your camera (or smartphone) as a paintbrush*. Members were introduced to techniques to transform everyday scenes into visual wonders.

Our next General Meeting is 3/25/25. Our guest speaker will be Mikhail Bahl, landscape photographer. Mikhail will present *Dynamic View: Energize your landscape photograph*. This presentation will explore techniques and concepts that breathe new life into traditional landscape photography.

Whether an experienced photographer or new to the craft there is a place for you in the club. Join us at our monthly meeting. If you are not a member, we will delightedly welcome you as our guest and give you the opportunity to see that HH Photo Club is a great fit for you. For information visit heritagehuntphotoclub.org, or contact our President, Ken_Lyons@comcast.net.

PICKLEBALL CLUB

MEET STEVE YOUNG

Eight years ago, Steve and his wife of 50 years, Marianne, relocated from Skaneateles, NY to be closer to their two daughters and four grandchildren. They also have 1 son and 2 grandchildren who live in Central, NY. He is an active member of the HH Woodworkers Club. As a member of the original pickleball planning committee,

Steve contributed to the overall design of our current, state-of-the-art courts and covered pavilion space.

The majority of Steve's work career was spent teaching engineering courses at the high school level. He also spent many of his summers teaching Driver's Ed. After retiring from teaching, both Steve and Marianne wanted to make up for lost time and began travel on both riverboat and ocean cruises. A Mediterranean cruise was the backdrop for their 50th wedding anniversary celebration. A vacation highlight in Mexico afforded them the unique opportunity to lean over the side of a boat and pet gray whales!

Steve had never played a racquet sport until after retirement. He decided to explore tennis. Unfortunately, after sustaining a serious wrist injury, he decided he might try pickleball. He never looked back. Years ago, Steve and Marianne invested in a condo close by to his son and growing family in Central, NY. They visit on a regular basis and Steve always brings his paddle and has secured places to play nearby both indoors and out. Prior to moving into HH, he made it a point to check out our pickleball courts. Steve has been playing and enjoying the sport for 9 years and tries to hit the courts at least twice a week.

Steve's encouraging words to new players, "Welcome to the best sport in the world! PB people are good people who will help you along. All of us were beginners at one time, so stay with it. I look forward to seeing new players on the courts!"

See you on the courts!

WOODWORKING CLUB

As noted in the February HORN, the Woodworking Group has undertaken to position a woodworker in the woodshop each Wednesday afternoon from 1:00 to 5:00 PM to aid and support woodworkers who currently have active key card access to the woodshop. One woodworker who has taken

advantage of this assistance is Steve Crandall. Steve is displaying a cherry, walnut, and maple cutting board he made at the woodshop. Below, Phil Sparta is displaying a beautiful ambrosia maple guitar he made using machines at the woodshop and tools he has at home. Andy Johnson is displaying a clock he made from a black locust log given to him by his daughter at Christmas. Ted Bowlds has provided pictures of a serving tray and a coffee table he made using machines at the woodshop and his home.

HERITAGE HUNT WOMEN'S ORGANIZATION (HHWO)

We are finally marching into the month of March. Hopefully, we will not have any more snow storms. I have noticed that the daylight is longer every day and the temperature is also getting warmer. It is almost time for my daily "walks" and Bocce practice!

Just like you, I am tired of those annoying telephone calls about the fantastic savings I could earn during the Medicare enrollment period. Our program in March hits the spot. We will hear from a representative of the American Association of Retired Persons (AARP) who will provide us with excellent information on avoiding this and all scams. AARP is also working to enact laws to hold criminals accountable. AARP's efforts are more important than ever as we encounter the force of rapidly increasing technological threats.

Our wonderful Lunch Ladies, Lynn Dosey and Harolyn Small, are magically working to provide a delicious luncheon menu. The appetizer will be pretzels with beer cheese. The buffet will be corned beef and cabbage, roasted red bliss potatoes, and a house salad.

Boxes to Basics is just weeks away from their Dueling Piano Gala. This unforgettable evening of music, laughter, and community will help then continue making a meaningful impact on the lives of children in need. This event is scheduled for March 8th in the Ballroom of our Clubhouse from 6:00 p.m. to 11:00 p.m. and tickets are \$150.00.

This spring our Community Donations Committee will award funds raised during this year to local charities. This Committee will accept applications from any HH resident to identify potential recipients from March 1st through March 31st.

Due to inclement weather which cancelled the February Meeting, our Monetary Food Drive was postponed until the March Meeting. Please see the Friday E-Comm for full details.

WADE NAJJUM

Wade T. Najjum, age 74, of Gainesville, VA, passed away peacefully on February 3rd after a courageous battle with leukemia. Born on November 6, 1950, in Washington, D.C., Wade was a devoted husband, father, grandfather, brother, and friend.

He shared 48 wonderful years of marriage with his beloved wife, June Najjum.

Wade dedicated his career to public service, evaluating the effectiveness and efficiency of government offices and programs. He began his career as an auditor with the Defense Audit Service (now the Department of Defense Office of Inspector General). He then served as a Division Director at the Department of the Navy's Naval Audit Service, where his knowledge, proficiency, and leadership earned him the respect of senior management and his team. In 2005, Wade was appointed to the Senior Executive Service. He concluded his distinguished career in 2012 as the Assistant Inspector General for Program Evaluation at the U.S. Environmental Protection Agency, a position he held since 2007. Throughout his career, Wade was a respected leader, mentor, and teacher. He was proud of positively impacting the lives of his colleagues.

Wade was a man of loyalty, integrity, and kindness, known for his quick wit. He enjoyed the camaraderie of "Beer & BS" gatherings with his friends at Smith Mountain Lake, where he also volunteered with Joyous Junque. A keen traveler, Wade loved exploring the world, always on the lookout for a great cruise deal. His other passions included target shooting, cooking, spending time with his family, driving his Mercedes, shopping at Costco and enjoying the companionship of his dog, Suzy. He also appreciated a well-made martini.

Wade contributed his management expertise by serving on the Budget and Finance Committee at Heritage Hunt. Wade also enjoyed the Grapenuts

Wine Club, Mix & Mingle and driving a golf cart around the course. He also enjoyed working out at the gym.

Wade will be deeply missed by his wife, June; his son, Dan (Lidia) Najjum; his daughter, Karen (Graham) Najjum; his brother, Michael (Pam) Najjum; nieces and nephews, and his cherished grandchildren, James, Colin, and Caroline, who brought him immense joy.

In lieu of flowers, memorial contributions may be made to Lab Rescue LRCP or St. Jude Children's Research Hospital in Wade's memory.

PAT RUSCH

Caroline Patricia Rusch, known by all as Pat, was born on February 12, 1939, in Honolulu, Hawaii to Herman and Hazel Hull. Herman was in the Navy, resulting in Pat moving frequently while growing up. She loved to dance ballet and tap in her younger years. She met Don in 1958 at a ship's cocktail

party at the Officers Club in Coronado, California, while Don was stationed aboard the USS Lexington. They had a military wedding on June 25, 1960, and soon after, were transferred to Guam, where they lived for two years, surviving typhoons, with winds up to 210 mph. Following their time in Guam, they transferred back to the United States for three years before returning to the Pacific. Don and Pat moved to Saigon, but because of the war, Pat was evacuated early, returning to San Diego while Don stayed for an additional 13 months. In 1966, they moved back to the United States permanently and while living in Arlington, VA, adopted their first child, David in 1968, followed by the adoption of their second child, Donna, in 1971. Don retired from the Navy in 1976 and the family settled in Chantilly, Virginia. When her children were younger, Pat most enjoyed helping out in the office and classrooms at their schools. Later, when the kids were in middle and high school, she loved to help with their drama clubs.

With more free time, they decided to follow their love of travel, and purchased an RV. They spent a month in the summer of 1985 with their kids journeying across the country, visiting family in California, and seeing many scenic sights along the way. The family enjoyed spending time together on the weekends at Aquia Creek – camping, boating, and water skiing until their children went to college. After the kids moved away, Pat took a job with the First Marine

Division Association in Chantilly. In 2003, Don and Pat moved to Heritage Hunt, where they made many friends. Pat enjoyed playing Bunco and going to wineries. Sadly, Pat passed away on January 27, 2025, after a series of complications stemming from a fall in November 2024. She is survived by her husband, Don; her son, David, his wife, Gretchen, and two children, Kaitlin and Henry; and her daughter Donna, her husband, Steve, and three children, Courtney, Kyle and Jack; and her great-grandson, Russell. She will be greatly missed.

► **HH WOODCARVERS** meet every Tuesday in the Clubhouse Craft Room from 12:30 PM to 3:30 PM. If you would like to try something to do that is different from what you tried before, try woodcarving. You don't need to go to a wood supply store and pay \$85 dollars for the basic instructions. We do it here at Heritage Hunt at no cost to you to try and learn. Beginning and experienced carvers, women, and men are welcome. There is no cost to you as we provide the knife, glove, wood, and lessons for your first project which is usually a dog or stylized duck. You may see some of the carvings completed by carvers here at HH in the display case in the lower lobby next to the UTP office downstairs. Contact J.C. Evans, 703-743-1321 or Jon Crissey, 703-743-1317.

► **HH WOODWORKERS** meets 2:30-4:00 PM the 2nd Thursday of each month, usually in the Clubhouse Mt.View Room. The purpose of the Group is to assist the community in maintaining and operating the woodshop so residents have a place to work on personal projects, on projects for the HH community, and for local charities. The Group also provides a forum where residents can increase their woodworking knowledge and skills. Contact Ross Kerr at 860-508-0652 or Lucille Marciano at 704-453-9221 about joining the WWG. Contact Bob Rogers at 703-609-2924 about classes.
