HOW TO STAY INFORMED

Heritage Hunt residents have many ways to stay up-to-date with what is happening in their community. Below are the most common and useful.

- **The Heritage Horn:** This one is easy. You're either holding the print version right now or viewing it on the Heritage Hunt website at: <https://www.heritagehunt.net/member-home/homeowners-association>. The Horn is a monthly publication mailed to all residents.
- **Heritage Hunt Website:** Accessible at: <https://www.heritagehunt.net/>. Our community website contains a wealth of information. To get log-in credentials or ask questions about website navigation, contact adminassistant@heritagehunt.net or call (703) 743-2000 ext. 4.
- **General Community Calendar:** On the Heritage Hunt website at: <https://www.heritagehunt.net/member-home/calendar>
- **E-Communicator E-mail:** The E-Communicator is an e-mail distribution (normally on Friday) that contains notices and information on upcoming events. Sign up at: <https://lp.constantcontactpages.com/su/rzqo49x> or email lifestyle@heritagehunt.net.
- **Dining E-mail:** This is an e-mail distribution that focuses on offerings by our dining facility, such as daily specials and special events. Its distribution has been currently suspended but is due to be resumed by our new food and beverage vendor, CulinArt. Sign-up details will be announced when this service resumes.
- **Hunt Happenings Email:** Hunt Happenings is an e-mail distribution that currently contains information pertaining to both Golf and Food & Beverage. Hunt Happenings will remain UpToPar's communication vessel for Golf once CulinArt begins its own email distribution. To receive Hunt Happenings to stay informed about Golf at Heritage Hunt, please contact the Pro-Shop at 703-743-2000, ext. 1
- **T-Communicator:** This is a telephone notification system to alert residents of short-notice items of community-wide importance. All residents have been registered for this service. To remove your number, add an additional number, or change your number, contact the CAMP at: adminassistant@heritagehunt.net.
- **Board of Directors and Committee Information:** Accessible via the Heritage Hunt website at: <https://www.heritagehunt.net/board-committees>. Informational notes also appear monthly in The Heritage Horn.
- **Heritage Hunt TV:** Heritage Hunt has its own television channels 971 and 972. HHTV channel 971 shows a recurring list of informational notices. These can also be displayed on computer at: <https://www.heritagehunt.net/member-home/hhtv>. Channel 972 may be used for live displays or rebroadcast of community meetings.
- **Heritage Hunt Community Bulletin Board:** This is a tool to allow residents to post notices or share information with each other (such as contractor information). The bulletin board is accessible via the Heritage Hunt website at: <https://www.heritagehunt.net/member-home/message-board>.
- **Community Directory:** This is a listing of residents and their street addresses, phone numbers and e-mail addresses. It is accessible via the Heritage Hunt website at: <https://www.heritagehunt.net/member-home/profiles>. There is also a print version that is provided to residents. Any resident may restrict or opt out of sharing their information by contacting the Lifestyle Director at lifestyle@heritagehunt.net or (703) 743-2000, ext. 4.
- **Management Team:** Our community is administered via a management contract which has been awarded to Community Association Management Professionals (CAMP).

NOVEMBER BOARD BRIEFS

Another year has zoomed by and the holidays are fast approaching. Your Board is hard at work to complete as many projects as we can before the end of 2024 to make sure we get off to a good start in 2025. This has been a very eventful year but we have accomplished a lot of what we had planned to get done.

We have a new Point of Sale (POS) system (Jonas) in place and our website has been updated to allow for better navigation of areas and topics. We had a few bumps in the road but we thank CAMP for their ongoing efforts to keep on top of all issues and resolve them.

We also changed out our Food/Beverage and Golf Club Service vendors. Our new Food/Beverage Vendor, CulinArt Group has been here since 7/1/24 and after some bumps in the road with equipment, exhaust hoods/fans and general maintenance, we are onto great meals and great customer service from their team. The new Golf Vendor, Landscape Golf Management, will soon start transition work from UTP and will be all set to take over golf operations on 1/1/25. A Community meeting to meet the Landscape Golf Management team will be planned and all residents are welcome to attend. Details to follow.

Prince William Water does seem on track to finish up the pump station/force main work in Heritage Hunt by the end of 1/25 and then we will see road work repairs on Heritage Hunt Drive, Fieldstone and Alderwood, as well as planned repairs on all our roads. The Board, CAMP and the Grounds Committee will be very involved in that work and the Community will be alerted every step of the way.

We have lingering issues with Master Plan projects. We need to resolve what we can complete and what maybe more of a priority to do such as trade out added parking spaces for connecting the Clubhouse or prioritize other needs that have come up since the master Plan Phase 1 was set up.

We also have the issue of the Paycheck Protection Plan and the Department of Justice's Civil Investigative Demand to us as regards to a loan we applied for in April 2020, did receive, used and was forgiven in May of 2021. We have complied with all DOJ requests and now it is a matter of waiting to see what comes next. CAMP, our HOA attorneys and our insurance companies are all aware of the issue and are keeping on top of it for and with us.

Immediate "to do's" are getting the budget done and out to the Community by the end of November. The Budget is set to be approved at the Thursday November 21st Board meeting. We will also have our annual meeting December 3rd. At that time we will wrap up the year and there will be in person voting at that meeting for declared candidates for the Board and Committees. Proxy and Electronic voting starts November 4th. We do thank all Homeowners who volunteered to run and serve. Our best to you all.

At the October 26 meeting, the Board reviewed the following resolutions. Due to Horn publishing dates these are being reported a month late. For a quicker review, please go to the Board page on the HH website as the meeting minutes will be there no later than 2 weeks after each meeting.

- Approved creating a new Administrative Resolution #36 creating a Surveillance Camera policy for all HH facilities.
- Approved creating a new Administrative Resolution #37 on authority and procedures for the Emergency Preparedness Committee to operate the T Communicator System.
- Approved termination of a contact with Exceptional Wildlife and initiating a new contract with Capital Goose for goose chasing on the golf course and common areas.
- Approved a food inventory write off of \$46421.40 due to the transition of a new food/beverage services provider.
- Approve a 5% increase in golf dues for new annual members and non-members paying daily green fees who join after 7/31/24 - 12/31/24.
- Approved awarding a contract to V. M. Drainage and Erosion Solutions NTE \$65,000 for new concrete and drainage Bocce court repairs as an unfunded item from Major Projects Reserves.
- Approved a contact to Special Services of Virginia NTE \$65,000 for renovation of the Clubhouse lower level bathrooms from the Repair and Replacement Reserves.
- Approved an unfunded budget item to replace the failing automatic door at the Fitness Center from Repair and Replacement Reserve NTE \$8,300.

We wish everyone a wonderful Thanksgiving! Stay safe and well!

HH CAR CLUB

On September 27th our Car Club members enjoyed a visit and dedicated tour of the world-renowned White Post Restorations <https://whitepost.com/#hometop> automotive restoration facility, located about an hour from Heritage Hunt in White Post Virginia. Founded in 1940, White Post is now its fourth generation of family ownership. Our tour was conducted by Bill Thompson IV, and we were privileged to meet his father, Bill Thompson, III and his grandson Bill Thompson V (or "Five" as he is known in shop), who is about the same age as my eight-year-old grandson Ethan. Not only are fabulous cars being restored, but the facility itself is a testament to the legacy of this family business. For example, the team is now restoring a unique Cadillac station wagon built by the Cadillac factory exclusively for the Rockefeller family and features a bubble top from a Pontiac Vista Cruiser wagon. As we moved from room to room, I noticed a newspaper article on the wall showcasing the beautiful and joyous actress, Stephanie Powers, of the "Hart to Hart" TV show. She was sitting on the top of her 1967 convertible Mercedes Benz, thanking White Post for such a terrific restoration of her favorite car. Member Rich Tricarico summed up what we were all feeling, "I would work here for nothing!"

Members also gathered at the new Lark Brewery <https://www.larkbrewingco.com/located> in Aldie on October 3rd to sample their wares and enjoy the autumn weather.

Another planned trip for October is our annual Skyline Drive Cruise held this year on October 25th. We make their way to the Apple House Restaurant in Linden and then head to the Skyline Drive entrance at Front Royal. We cruise the parkway, stop to see the views and meet up at Skyland on the parkway for lunch or hang out at the Mountain Taproom.

The HHCC is an exciting, friendly and dynamic organization. The club meets on the second Thursday of each month from March through October in the Mountain View Room of the HH Clubhouse from 5:30 p.m. to 6:30 p.m. For the latest information and schedule of events, check out our website, <http://heritagehuntcar.club> and/or our Facebook page, <https://www.facebook.com/groups/454914907420192>. Come join us for fun and adventures!

2024 HERITAGE CHARITY CLASSIC CANCER WALK

This year's Walk was held on Saturday, September 28, and to everyone's relief, the weather was FANTASTIC, to say the least. After days of rain, the forecast for Saturday was spot on and could not have been better. Not a cloud in the sky. WOW!!!

Special thanks to the 166 walkers, 13 bikers, and one intrepid runner who took to the course and to the additional 68 who registered simply to donate to the cause. Total registrations received was 248.

Financial details from the event will be in the December HORN.

Please note our sponsors and donors. As best you can, please consider supporting them as they have generously supported our event.

Many thanks go to members of the Walk Committee who planned this event, to members of LSTV who provided the sound, the interviews conducted, and the upcoming video of the event, to the members of the Photography Club who took the pictures, and to the various volunteers who patrolled the course and were stationed on the course to ensure our safety.

We meet four times a year with each couple taking a turn as host and hostess. If you are hosting, the other guests will bring an appetizer, salad or dessert.

Your groups are picked randomly. (Picking the Guest out of the Hat.) Each group will set up their own schedule for dates to Dine together. One member will be assigned to head their dining group.

If this sounds like something you would like to participate in, then all you need to do is contact Mary or Donna and provide them with the following information.

CROSSROADS CONNECTION

Crossroads keeps growing! Food costs continue to soar and families are asking their schools' social workers for more support. We now reach out to 18 schools by adding two additional ones, Alvey Elementary and Haymarket Elementary. We are assisting almost 400 students in our Haymarket-Gainesville public school system.

This growth is only possible with help from each of you in the way of food contributions or cash donations. We thank you so much for participating in our recent food drive in Heritage Hunt on October 26th!

You can easily scan the QR Code below (open your camera and hover over the code) and you will see a website name appear for a secure donation that is tax deductible. If you missed the food drive or cannot shop, this is a great way to contribute.

Why are your contributions so important? Crossroads' food costs rose 8.4% over the past two years for the items we serve the students.

Crossroads is now entering a STATE-WIDE initiative to increase awareness of food insecurity. We will join in supporting Virginia legislative efforts and programs to end hunger. The Virginia Commission to End Hunger intends to develop an action plan every two years to end hunger in the Commonwealth, review the progress of such a plan, and ensure cross-collaboration among government entities and community partners, with one goal:

END HUNGER IN THE COMMONWEALTH

The Commission's themes will focus on:

From Birth to Death - provide equitable access to nutritious food for everyone regardless of dietary, cultural and religious preferences.

Food is Medicine - recognizing the connection between nutritious food and good health.

Meeting Families Where They Are

Funding - identifying new funding options and working to achieve greater consensus on budgetary/funding options.

To join others across our state will shed light on the growing problem of feeding everyone in need. Today's students are tomorrow's adults and they will present as a strong generation with basic food needs being met. In strength lies our state's and country's future!

EMERGENCY PREPAREDNESS COMMITTEE

EPC EMERGENCY VOLUNTEER EXERCISE 2024 (EVX24)

You may have noticed some of our emergency volunteers walking the streets recently in their stunning yellow vests. The annual exercise for

Emergency Volunteers (EVs) was held on the morning of October 9, 2024, simulating response to a hurricane passing directly over Northern Virginia. Overall, EVX24 successfully exercised the Heritage Hunt (HH) Emergency Coordination System (HHECS) as being discussed in this photo from our debrief. The Emergency Coordination Center (ECC) and all three Community Information Points (CIPs) were established and 23 EVs and Hams participated in the exercise. You may also have noticed pink plastic folders taped to many electrical/cable boxes throughout the community. These had simulated issues or emergency for the EVs to report. The EVs, conducted survey patrols, found all of these issues and responded appropriately. With many people so busy on weekends, this exercise was held on a weekday.

You may have noticed our new maps of the community in the Clubhouse, and these were a great help in visualizing what and where some of the damage was located

throughout HH. As shown in the photo from the South Zone CIP, the new map appears in the background as two EVs report to the Zone Director. The combination of using ham radios and walkie talkies between EVs and the different command posts improved communications from previous years. The hams also provide the

capability to talk to support/response agencies outside of Heritage Hunt. This is important as we have seen in recent hurricanes around the country where the 911 system and cell phone towers and service have gone down.

Some areas need improvement, and the Emergency Preparedness Committee will be working on these. Heritage Hunt has a T-communicator system to send recorded messages to groups of people via telephones. Groups can be specific such as only EVs or can be to all residents for an impending emergency. This did not perform as expected and you will hear more about this in future Horn articles and system tests.

The biggest problem we had was the limited number of EVs available to survey the streets for damages to houses, facilities, or injuries to residents. The overall survey effort is the same but more EVs means the workload is more evenly distributed. We would ask everyone to look on the HOA website and see what EVs do for the community and consider signing up to be a volunteer. As our EV residents become older, we need new residents to help take their place and continue our potentially lifesaving work.

Call anyone from the committee listed on our website or email emergencypreparedness@heritagehunt.net giving your email address and someone from the committee will talk to you.

So, until next month: BE PREPARED and STAY SAFE

FACILITIES COMMITTEE

WHAT'S UP WITH FACILITIES?

Bocce players will be thankful to hear this GREAT NEWS! Facilities is pleased to announce that the Board of Directors has approved the contract for the work which will increase the size of the walkways around the Bocce Courts! Soon you will be able to enjoy the safe access connecting all of the courts and be able to actually sit and watch what goes on! Thank you to the Grounds Committee for its advice and help with this project.

Also, a contract has been awarded for the remodel of the lower-level bathrooms, which will update those tired spaces. They have really needed a shot of new life for a long time! Plans include a brightly painted ladies' room with new tile and counters, and best of all, we hope, better arranged stalls! The men's room is also receiving several updates and of course new paint. Both will have new entry doors with push button handicap access.

Many thanks to the BOD and B&F and to CAMP for their help getting these projects going!

Though we had planned to get the upper-level bathroom project started in late 2024, the Facilities Committee has decided to postpone planning for this work until 2025. Though the funds for those restrooms are in the reserves, there is a process that must be followed. We have recently started on the lower-level bathrooms and are just now working out the details of that, which is time consuming for sure. We want to get that lower-level project finished and make sure it is well done before starting the next. So, one thing at a time is the best plan!

The new Facilities Committee will be able to work cooperatively with the new board, CulinArt and CAMP to schedule the upper-level work to be done at the time that they think is best. They can take their time to make those important decisions and create spaces that are new and fresh and beautiful improvements to our Clubhouse.

HAPPY THANKSGIVING TO
OUR NEIGHBORS IN
HERITAGE HUNT!

The Facilities Committee

FOOD & BEVERAGE COMMITTEE

IT IS ALMOST CHRISTMAS, SO SAVE THESE DATES

The leaves are falling, there is a chill in the air, and it is getting closer to Christmas. With just two months left 'til the end of the year, CulinArt has several notable events for residents to attend.

On November 10th, Heritage Hunt will celebrate our veterans with a special Salute to Veterans. This event, hosted by Nancy Langley, will celebrate all veterans here in our community. There will be a buffet dinner full of good comfort foods like the ever-popular meatloaf, and a Heritage Hunt favorite, the White House Band, who will play favorite tunes for this event. Come enjoy the camaraderie of fellow residents as we show our support for our veterans. All residents are welcome to attend.

Thanksgiving is on November 28th. CulinArt has planned a great buffet of all our favorites, including turkey, mashed potatoes, gravy, and yams. Do not forget the cranberry and pumpkin pie! Curbside, of course, will be offered.

As December rolls around, it is time for Breakfast with Santa on December 14th. Bring your

grandkids out for a wonderful brunch with Santa Claus and his elves. The elves will be making crafts with the little ones. This promises to be a memory-filled morning for children of all ages. Come bring your grandchildren and have their picture taken with the Jolly Old Saint Nick!

Finally, December 31st, New Year's Eve ends with a bang, as we celebrate the end of 2024 and the beginning of the new year. Residents will dance the night away to the sound of the 70's. There will be great food, fun, vibrations, and libations to help us rock in 2025. Please join your Heritage Hunt neighbors for a fun night.

So, save those dates! We look forward to seeing you at our next Heritage Hunt event.

GARDEN CLUB

GARDEN CLUB WILL BE BUSY IN NOVEMBER!

GARDEN CLUB will have a table at the Fine Art and Crafts Show on Thursday, November 7!!

We will have for sale potted plants, cuttings with roots in fancy jars, plant pots of all sizes, and fine gardening items. Come visit our little garden corner and find a gift or two and a fun plant of your own!

GARDEN CLUB will again host one of our favorite guests - Doug Burroughs of Flower Gallery of Manassas - on November 21 at 10:00 in Marsh Mansion! Doug gives a fun and entertaining demo of several seasonal arrangements. We will sell chances to win one of his arrangements - plus, last year he threw in a grand prize of a fresh arrangement delivered to your home each month!! Chances sell for \$5 for 6 tickets and it is mandatory to purchase at least 6 tickets. Doug's arrangements are worth far more than a few dollars and proceeds go toward local charities, as well as the garden renovation at the Paddock Pond - managed by Sally Peterson of Garden Club + Little Theater. So join us for the fun and a chance to win one of Doug's creations!

When the November leaves start falling, remember it is better to mow them into bits to feed the lawn instead of raking and bagging. Leaves left on garden beds can protect pollinators like butterflies from the cold. Leaves could also be raked from beds and then mowed into bits to be fed back to the beds. Either way, the leaves are valuable to soil, lawns, and wildlife.

Thinking of planting a new shrub this Fall? Beautyberry (*Callicarpa americana*) is a shrub that is native to our area and adapts well to growing conditions from part shade to full sun, from moist soil to dry. It reaches 4-6 feet in height and width and produces beautiful clusters of berries. Just make sure you have the plant tagged with the above name and not the Japanese version! Join us at Garden Club to learn about more native plants and shrubs and get to know your fellow gardeners!

Happy Fall and Happy Gardening!

GENEALOGY CLUB

The Genealogy Club will meet on Monday, Nov. 18, at 2 PM in the Mountain View Room. Nationally acclaimed genealogist Shannon Combs-Bennett will return to give us a DNA follow-up program to the one she gave

on basic DNA information at our October meeting. We welcome anyone who is interested in learning more about how knowledge of their DNA helps in discovering new relatives who share common ancestors with them. This in turn can help solve family “puzzles.”

Learning about what our ancestors went through gives us a greater appreciation of how much more comfortable our lives are today compared to what they went through. As we read about their struggles with major events such as changes in their home countries, King Philip’s War, the American Revolution, the Civil War, and we gain a greater appreciation of today’s world, even with all its blemishes and climatic events.

Since pumpkins are ubiquitous during the autumn months, the following anecdote might bring a smile to readers’ faces. I discovered recently a family story about ancestors Jonas and Mary, who married after a long courtship that took place against the stern opposition of her parents. They wanted her to marry a lawyer, but instead she fell hopelessly in love with Jonas, a “mere” blacksmith. When Jonas and Mary married without her parents’ approval and set up a household, they had little money. Hence, the following quote from a history of their family might bring a smile to readers’ faces as we all consume November’s pumpkin delicacies: “The tradition asserts that her “only implements for boiling was a two-quart kettle, and her wash tub the shell of a large pumpkin!”

Using a book like “History for Genealogists: Using Chronological Time Lines to Find and Understand Your Ancestors,” by Judy Jacobson, published in 2016, will help you bring your ancestors to life, have a sense of how they lived, and not exist as mere names in other people’s family trees.

Our Genealogy Club serves two functions: helping members expand their knowledge of how to effectively research their ancestors and encouraging others embark on their own ancestral voyage. This very social “hobby” can lead to new friendships AND discovering stories to share with present-day family members, especially as we all celebrate Thanksgiving.

LADIES 9-HOLE GOLF LEAGUE NEWS

So, about the first 'wet week' of October...well, it was NOT the golf weather that most of us would prefer. On Wednesday the 2nd, it was reported that only four 9-holers went out that morning to play league golf. Four very dedicated ladies--and I heard it was Linda Harper, Val Cox, Lois Page and Pat Wright-Miller. Bravo ladies! (Everyone else who had signed up cancelled, including me.) The four who went out did not share their scores, so I don't know who won! However, Lois Page made a chip-in on hole #9!

Speaking of getting chip-ins, it has been tradition to post all chip-ins and birdies on the Nine Hole Birdie Tree which is now located in the golf pro shop. I have been doing the posting, as league Secretary. That "antique" poster-board tree has been around since before I got to Heritage Hunt, which was about 8 and ½ years ago, so I cannot say who painted it or came up with it, but I love it...so check it out if you have not. Also, if you, as a nine-holer, made a birdie or chip-in that I did not post, I apologize and please do let me know.

I have decided not to complain anymore about the wet weather here after watching the news for the last few weeks...and watching on tv the heart-breaking damage and devastation south of us from the recent tropical storm and hurricane action--which also caused so many deaths! Let's count our blessings here in Virginia.

Regarding Wednesday, October the 9th, the weather was GETGI (good enough to golf in), however many 9 holers were not happy with their scores, including me. After golf, the 9-hole board met in the dining room for a lunch meeting to prep for our "November 6th end of year meeting and luncheon". We also discussed the nomination of officers for next year's league duties, (which officers are voted on at the end of year meeting).

This is my next-to-last article for the Horn, for the season, as league golf will end October 30. I will hopefully have something to write to be included in the December Horn. (Note FYI: this article needs to be submitted by October the 10th, so I will be unable to report the league news, regarding mid to late October, until December.)

I am feeling positive that the upcoming weather will hold out, especially on Wednesdays, and our fall golf season here at Heritage Hunt will be fun all the way to the end.

Vicki Wafle - Secretary

HHWGA-18 LADIES OF LINKS NEWS

Our golf League play has ended,
This year's events are done.
And, thanks to our Events Chairs
We all had so much fun!

So, thank you Gigi and Carol
And all who helped them out!
Your planning was fantastic...
Of that, there is now doubt!

A "thank you", too, to all the Board
Who supported our League this year.
Yes, we had our challenges...
But one thing is quite clear:

This year was fun for all of us,
That much I know is true.
Let's do it again next year...
We're really quite a crew!

If you are new to Heritage Hunt, or if you have been a resident for some time and would be interested in playing golf with our 18-Hole Ladies' League please contact me (mdierdorff@comcast.net, 703-743-2067) or learn more about the League by checking out our page on the HH Website:

GOLF COMMITTEE NEWS

There is a saying, “It takes a village,” and it has taken a village for Heritage Hunt to complete the re-grassing of the golf course. The Golf Committee would like to thank the entire community of Heritage Hunt for their support and patience during the disruptions of this project. It is a project that is already reaping rewards in the form of new memberships.

We especially appreciate the patience of the golf community, who traveled near and far in order to play golf while the course was closed. Also working hard while the course was closed were our Golf Professional, John Yancy, and his assistants Mark Jansen and Danny Nair. The assistants manned the Pro Shop and took all the calls for the reciprocal tee times, and there were pages of them.

During this project we learned what a talented group of individuals we have working for us at LSTV. Their videos were exceptional and kept us all up-to-date on the progress of our project. The Golf Committee thanks them for going above and beyond.

Over two years ago, Bill Dalecky started doing research on Tahoma 31 grass, giving presentations on Tahoma 31, and making sure that there were reserves to fund the project. The Golf Committee thanks Bill for the many, many hours he spent researching this project.

Once the project was ready to go, Chris Doyle, our course superintendent, took over. He and his crew worked tirelessly during the heat and drought of the summer. All the professionals who have recently toured our course have said what a terrific job Chris and his staff are doing.

Also working closely with Chris and his team was Noel Wolber, chairman of the Green Subcommittee. Noel spent many hours as a link to Chris, organizing the hydrant brigade and making sure that our course had water. We also thank all the hydrant sitters who spent hours watching the hydrant fill Box Elder Pond. Also thank you to all the neighbors on Alderwood Drive who kindly brought water to our hydrant watchers.

The project proved that when Heritage Hunt works together good things happen.

HH LITTLE THEATER

40TH CONSECUTIVE PRODUCTION

Heritage Hunt Little Theater is 21 years old and in October completed its 40th consecutive production, *Larceny and Old Lace*. A funny and entertaining takeoff of the classic play and movie *Arsenic and Old Lace*, the production was the result of hours and hours of rehearsal and the hard work of over three dozen HHLT members and the immeasurable contributions of LSTV. A huge thanks to all our friends and neighbors who support us!

In addition to the play, we have been enjoying our traditional Fall activities, our annual Potluck Picnic and Member Talent Show, Cinema Trivia, and coming up at our November 15th meeting a Readers Theater version of the suspenseful play "Sorry, Wrong Number." Please contact Billy Clay (bclay1976@gmail.com) for information about time and location of our meetings.

The pictures here show some of our talented cast in rehearsal:

LIBRARY NEWS

Thank you to all who have donated to our libraries.

However, recently we have been receiving books that we do not accept. We are a small group of volunteers & work tirelessly to keep the Club and Marsh

Mansion libraries neat and up to date. We do not have the resources to dispose of unwanted books and suggest that you bring them to Salvation Army or McKay's books in Manassas.

The books that we **DO NOT TAKE** are many! How To's, encyclopedias, cook, craft & sport books or yearbooks. Books on gardening and how to retire! All books must not be more than 8 years older than the current year.

We have a **DO NOT RETURN** cart by the sign out desk. Please take what you want and share them with friends.

If you have any questions, please feel free to call Annette Johnson at 703-743-5181.

Again, thank you for your support and patronage.

LSTV CORNER

First off, I would like to say what a pleasure it was for LSTV to be working with Ross Kerr and his incredible team to pull off a successful and fun Cancer Walk. They say that emotion is contagious. Everybody there from the walkers to the support staff, and the sponsors, all had smiles on their faces. It was a good time for all, and it was fun for an incredibly noble cause. Congratulations Ross and congratulations Heritage Hunt.

One of the wonderful things that has happened with LSTV is of the (18) members we now have, (4) of them are incredibly capable women. It is not unusual to see all women behind the console for big events in the Ballroom or at the controls for committee meetings. We, LSTV, as well as our community appreciate all that you do and your willingness to take the reins.

I mentioned earlier that we are up to (18) members at LSTV. We need to add another table in our meetings to be able to facilitate everyone. But, we still would welcome additional people to the group. We are part and parcel like our community. Meaning we get sick, we go on vacation, some of us fly south for the winter. There is no guarantee that we will continue to have (18) people any given week. So, if you would like to take a look or even consider joining us, we would love to have you. We meet on Monday mornings in the Mountain View Room, starting at 9:30. We look forward to seeing you. Remember, LSTV is usually in the room when things happen at Heritage Hunt.

LSTV is still engaged with how we can help our community have a more enriching experience here at Heritage Hunt. There are still some things we need to work out as far as what we are allowed to do as far as our charter is concerned. But just know that we are always thinking how we can make this better.

In closing, I wanted to mention a little thing that happened in our last LSTV meeting. After all the assignments were assigned and most of our challenges, mostly equipment not working right, were talked about, Mary Collins, Chairperson of LSTV said, how rare and wonderful it is, working with all these incredibly intelligent people, and we just get along. No agendas, no clicks, we just work to get things done. So big thanks to Mary for managing and succeeding in taking care of us and our community.

PICKLEBALL CLUB

MEET PAT MCCARTHY

Pat's first introduction to Heritage Hunt was via tennis playing with friends a year before he and his wife, Edey, made the move to our community in 2014. He and Edey have two sons and 5 grandchildren.

Pat has both his Masters and Doctor of Education from George Washington University. He spent 40 years teaching English and

Journalism in the Fairfax County Public Schools system. During his tenure at Lake Braddock, he decided to step away from his position as English Department Chairman to become a full time Journalism teacher working on "The Bear Facts" newspaper as the vehicle for journalistic learning. He averaged 150 students per year. In 1998, Pat retired from the public school system, only to return to teaching journalism (The Watchdog) part-time at Westfield High School, until 2009.

At just 9 years old, Pat started playing tennis. He taught the game over many summers eventually landing positions as Tennis Pro at both Coral Beach Tennis Club in West Palm Beach, FL as well as Springfield Tennis Club in VA. Pat is a four-time gold and two-time silver medalist in tennis at the Northern Virginia Senior Olympic competitions. His first introduction to pickleball was in Myrtle Beach. He continued play indoors at Vint Hill with many of our HH residents. Pat started playing at Marsh Mansion over 8 years ago, prior to the conversion from tennis courts to our current 5-court pickleball complex. Today, on average, Pat hits our courts two times a week.

Pat is a member of the HH Tennis, Genealogy and Car Clubs. He has been a proud owner and still enjoys driving his GT convertible which he purchased in 1991. Over many years, Pat has dedicated extensive hours working on his genealogy and now has about 22,000 people represented in his Family Tree. Incredibly, he has put together a 1,000-page document to share with family members.

See you on the courts!

HERITAGE HUNT WOMEN'S ORGANIZATION (HHWO)

From colorful weather, to sporting winter clothes, to the delicious tastes of Thanksgiving, it is a wonderful time of the year to enjoy special times with good friends and dear family. The flower of this month is the chrysanthemum, which ties in with the birthstones of citrine and topaz.

We, in HHWO, have our own famous, beloved star and incredible artist - Doug Burroughs, of the Flower Gallery, in Manassas. Doug will inspire us with his gorgeous flower arrangements while also entertaining us with his hysterical one-liners. His presentation will showcase incredible flower arrangements for Thanksgiving, Christmas, Hanukah, and hopefully, Kwanza. Some of our lucky members will take these arrangements home. As you may know, Flower Gallery was recognized by Teleflora, as a "President's Club top 100 Florists" for 2021. This prestigious award recognizes Flower Gallery in the top 1% of all U.S. flower shops sending and receiving orders throughout the Teleflora network.

The "Scoop" from our Lovely Lunch Ladies for our November luncheon includes an appetizer of cranberry glazed turkey meatballs. The buffet showcases sliced turkey breast with sauce au poivre, green bean casserole, whipped butter, garlic mash potatoes, and a green salad with apples, cranberries, goat cheese, and honey Dijon vinaigrette. And last, but not least, dessert is a warm piece of apple pie with vanilla ice cream!

RESIDENT SPOTLIGHT

In early June, Mike and Betsy Boyle moved to Heritage Hunt from Springfield, VA to begin their next chapter now that they had both retired. As Mike had always been an avid solo pool player, he missed the pool table that he left behind in his previous home. Now living

very close to the Mansion, Mike quickly found the game room and made himself at home, visiting at least once or twice daily ever since.

Although his hearing loss makes social situations more difficult for him, after moving to the Heritage Hunt Community he decided to push himself to play competitively. On September 18, 2024 Mike played in the Northern Virginia Senior Olympics, and won the Gold Medal in 9-Ball Billiards in the 70-79 age group!

Currently Mike can often be found in the game room practicing to compete in the 8 ball tournament of the VA State Senior Games to be held in Midlothian on November 16th. If you see Mike hanging out in the game room please wish him luck, and congratulate him as the newest Gold Medal champion living in our community!

BERNARD J. WINN JR.

Bernard J. "Bud" Winn Jr., age 89, passed away peacefully on September 3, 2024, at the Martinsburg VA Medical Center in West Virginia, surrounded by his loving family. Born on June 21, 1935, in

Syracuse, New York, Bud led a life filled with dedication to his country, his family, and his passions.

A proud veteran, Bud served in the United States Air Force and was stationed at Tan Son Nhut Air Base in Vietnam from 1969 to 1970, where he was

injured during an attack. A medic informed him he would be sent home and receive a Purple Heart, but Maj. Winn declined so that he could finish his assignment. For his bravery and dedication, he was awarded the Bronze Star and received the Air Force Commendation Medal for Meritorious Service. Bud retired from the Air Force with full honors, and in December 2022, he was granted 100% disability for his service.

Bud started his distinguished military career logging many flight hours on T-28A and T-34A aircraft while assigned to the Fireball 3305th PTG. As an Atlas Missile Combat Crew Commander (MCCC) in 1963, he commanded a four-man crew during the Cuban Missile crisis, a tense period of history that he reflected on frequently. After his retirement from the military, Bud served as a Lockheed Advisor to the Royal Saudi Air Force's F-15 program, sharing his expertise and dedication to aviation and National defense on an international scale.

Bud was passionate about everything to do with airplanes and sailboats. He found joy in skiing, gardening, camping, and salmon fishing, and while stationed in Alaska, he even shot a moose. His pride and joy was driving his blue TR4 sports car, which brought him many happy memories. In addition to his military achievements, Bud founded the first Heritage Hunt, Gainesville, VA chapter of the Military Officers Association of America (MOAA) and served as its president for four years, contributing to the community he cherished. Bud married the love of his life, Shirley Rose Hanson, on January 5, 1967, and together they shared a beautiful life. He was a devoted father to six children: Robert Winn of Moreno Valley, CA; Pamala Winn-Blair of San Angelo, TX; Heidi Flynn of Wardensville, WV; Kristen Winn of Bellingham, WA; Michael Winn of McLean, VA; and William Winn of Winchester, VA. He was also a proud grandfather to 12 grandchildren and a loving great-grandfather to six great grandchildren. Bud is also survived by his sister, Mary Johnson of St. Louis, MO.

He will be laid to rest with full military honors at Arlington National Cemetery in Arlington, VA. In lieu of flowers, the family requests donations be made in Bud's memory to the Alzheimer's Association or a charity of your choice.

Rest in peace, Bernard "Bud" J. Winn Jr. Your service, spirit, and love will never be forgotten.

SAMUEL L. BELK JR.

Samuel Lawrence Belk, Jr., 87, of Gainesville, Virginia passed away peacefully at his home in Heritage Hunt on Saturday, September 14, 2024.

Sam was born in Richmond, VA, and grew up in Hopewell and Fredericksburg. He

graduated from the University of Richmond where when sidelined from football with a knee injury he became a cheerleader and member of the Sigma Phi Epsilon fraternity. He loved his Spiders and was a dedicated supporter of UR Athletics, as well as a member of the University Board of Trustees.

Upon graduating from UR in 1958, Sam was promptly hired by IBM where he began his esteemed career as a sales executive. He retired from IBM after 25 years but continued to work as a bank Vice President and business executive eventually retiring from M&T Bank. But Sam never slowed down. As an avid sportsman, golfer, fisherman, skier, sailor, and all-around outdoorsman he stayed active throughout his life.

He is survived by his beloved wife Carolyn of 35 years. Sam and Carolyn traveled the world exploring unique destinations and making special memories, not to mention great friends. Sam treasured his friendships and made great efforts to keep in touch with friends from all parts of his life.

Sam was an enthusiastic member and past President of Westwood Country Club in Vienna where you could find him swinging a golf club, starting or timing at a swim meet, or just catching up with friends. He was a successful restaurateur who owned and operated the Waffle King franchise in Fairfax, Herndon, and Alexandria. Sam loved to sing and had a beautiful voice that he shared as a member of the Heritage Hunt Men In Song group. He was an avid storyteller, had a smile that lit up a room, and a heart of gratitude. Sam will be missed by all who knew and loved him.

He is preceded in death by his parents, Gertrude Wiles Belk and Samuel Lawrence Belk, D. DIV, as well as his late wife Elinor DeLong Belk and his two younger brothers William Belk, M.D. and Robert Belk, M.D.

Sam is survived by his wife Carolyn Clark Belk, his daughters Mary Dee Farrar(Greg) of Richmond, VA, Elinor Kinnier (John) of Vero Beach, Florida, and stepdaughters Stacy Smith (pos. Stephen) of Knoxville, TN, and Jennifer Gertz (Dave) of Richmond, VA, as well as his grandchildren Rebecca Daza (Sean), Tanner Kinnier, Spencer Kinnier, Bo Farrar, Jake Farrar, and step-grandchildren Grant Smith (Kayla), Zach Smith (Melissa), Erich Gertz (Aubrey), and Hannah Gertz Meeson (Nick). He was great-grandfather to 8 children.

The family received friends at Pierce's Funeral Home in Manassas, Virginia on Wednesday, September 18th. A private burial service will be held in Gatlinburg, Tennessee where Sam and Carolyn enjoyed spending months each year at Carolyn's family home. The family extends special thanks to the nurses and caregivers who provided wonderful loving care through his final days.
